BRONSON GABRIELLE

Ask Me If I Care Tyndale House

Jenny is fourteen when she moves from her mom's house in Florida to her dad's in New York. It's hard starting over -- new family, new school, new friends. Then Jenny meets Pete McCaffrey, the mysterious boy next door. Stay away from him, everyone warns her, he's trouble. He's already got a girlfriend. And he deals drugs. But Jenny needs someone to lean on, so she ignores their advice. Pretty soon, Pete's hooked on Jenny. And Jenny is hooked on drugs. She knows she's in over her head. The question is, can she get out?

Provocative Answers for College Students Entangled: Teen

A delightful collection from Elise K. Ackers, author of *Small Town Storm* and *The Man Plan*. In small country towns, nothing is private, and escaping the past can be difficult, if not impossible. But how much of the truth does anyone ever really know, even about those closest to them? When family tragedy brings Ethan Foster home, he doesn't expect a warm welcome. In *Hinterdown* reputation is everything - and Ethan's was ruined long ago. His family and friends don't want him around, and nor does Sam O'Hara, the girl he left behind. In this moving romantic trilogy, a funeral, a wedding, and a homecoming spark a series of events that prove that love can find a way, if only given a chance.

Featuring the stories *Ask Me to Stay*, *Ask Me for More* and *Ask Me for Tomorrow*.

Since You Ask Me Simon and Schuster

"This is me. I am what I am and I'm not going to fix myself." "Follow your heart." How can someone can be so beautiful, be well-off, have pain in their heart, yet bear it and survive? This story, of a young lady, tells us a lot about the foretelling of traditional myths, covering humanity in a name of blame games and about the practices of an education system as culture. In a conformist society, Pankhuri, is a young, audacious, from an orthodox family. She is a student who plots illustration and imaginary tales with illustrations. She has been suffering from survival of Hassel's depression and anxiety for the past eight years and maybe, there are many more days to come. This is when she crosses a conflux welded road of a boy named Reeaan, a successful man, a good leader but has a heart of stone. How badly a bipolarity of religious affairs dragged their wishes behind where it matters. An innocent transformation from a bellicose prisoned girl to a young woman leader with multiple failures and downfalls. Will she treat her career and love equally? How did her unstable functioning establish her well in life? What lessons does she get from her failure and fear? This is not only at love story but realities we come across in daily life. We shall be the witness of this rugged and beautiful bond and unwrapped mystery behind the two worlds.

Ask Me Why I Hurt St. Martin's Press

For any woman who has experienced illness, chronic pain, or endometriosis comes an inspiring memoir advocating for recognition of women's health issues In the fall of 2010, Abby Norman's strong dancer's body dropped forty pounds and gray hairs began to sprout from her temples. She was repeatedly hospitalized in excruciating pain, but the doctors insisted it was a urinary tract infection and sent her home with antibiotics. Unable to get out of bed, much less attend class, Norman dropped out of college and embarked on what would become a years-long journey to discover what was wrong with her. It wasn't until she took matters into her own hands--securing a job in a hospital and educating herself over lunchtime reading in the medical library--that she found an accurate diagnosis of endometriosis. In *Ask Me About My Uterus*, Norman describes what it was like to have her pain dismissed, to be told it was all in her head, only to be taken seriously when she was accompanied by a boyfriend who confirmed that her sexual performance was, indeed, compromised. Putting her own trials into a broader historical, sociocultural, and political context,

Norman shows that women's bodies have long been the battleground of a never-ending war for power, control, medical knowledge, and truth. It's time to refute the belief that being a woman is a preexisting condition.

Ask Me About My Uterus Pickle Partners Publishing

"Liliana Cruz does what it takes to fit in at her new nearly all-white school, but when family secrets come out and racism at school gets worse than ever, she must decide what she believes in and take a stand"--

Ask Me Why Grand Central Publishing

A father and daughter explore their neighborhood, talking and asking questions as they go.

An Enemies to Lovers Standalone Romance Soho Press

When an advice columnist's picture-perfect life implodes, she opts to go rogue in this hilarious, heartwarming romance from the author of *Meet Me in Paradise*. Violet Covington pens *Dear Sweetie*, the most popular advice column in the state of North Carolina. She has an answer for how to politely handle any difficult situation...until she discovers her husband, Sam, has been cheating on her.

Furious and out of sensible solutions, Violet leaves her filter at the door and turns to her column to air her own frustrations. The new, brutally honest *Dear Sweetie* goes viral, sending more shock waves through Violet's life. When she burns Sam's belongings in a front-yard, late-night bonfire, a smoking-hot firefighter named Dez shows up to douse the flames, and an unexpected fling quickly shows potential to become something longer lasting. A lot of people want to see the old polished Violet return—including her boss, who finds her unpredictability hard to manage, and Sam, who's begging for another chance. But Dez appreciates Violet just the way she is—in fact, he can't get enough of her. The right answers don't come easily when Violet finds herself at her own personal crossroads. But maybe, by getting real, Violet can write her own happy ending.

Oh! Ask Me Not to Sing Again Thorntree Press LLC

How do you define yourself? By your friends? Your family? Your boyfriend? Your grades? Your trophies? Your choices? By a single choice? From the author of the acclaimed *Poisoned Apples* comes a novel in verse about a young woman and the aftermath of a life-altering decision. Fans of Laurie Halse Anderson and Ellen Hopkins will find the powerful questions, the difficult truths, and the inner strength that speak to them in *Ask Me How I Got Here*. Addie has always known what she was running toward, whether in cross country, in her all-girls Catholic school, or in love. Until she and her boyfriend—her sensitive, good-guy boyfriend—are careless one night, and she gets pregnant. Addie makes the difficult choice to have an abortion. And after that—even though she knows it was the right decision for her—nothing is the same. She doesn't want anyone besides her parents and her boyfriend to know what happened; she doesn't want to run cross country anymore; she can't bring herself to be excited about anything. Until she reconnects with Juliana, a former teammate who's going through her own dark places. Once again, Christine Heppermann writes with an unflinching honesty and a deep sensitivity about the complexities of being a teenager, being a woman. Her free verse poems are moving, provocative, and often full of wry humor and a sharp wit.

Learning to live and laugh again after the loss of my baby Putnam Publishing Group

"A worthy successor to Georgette Heyer at her very best," says the *Chattanooga Times* of Patricia Veryan, whose latest gem in *The Tales of the Jeweled Men* introduces perhaps her most vibrant and resourceful heroine to date. Young Ruth Allington is a woman in exceptionally dire straits. Her father, brother, and husband have died, leaving her with a disgraced family name, an estate in debt, and two small nephews to support. Her few assets include a quick mind, a superb artistic ability, and her new friendship with the generous-and crafty-Gwendolyn Rossiter... *Ask Me No Questions* follows *Time's Fool* and *Had We Never Loved* in *The Tales of the Jeweled Men*.

Ask Me Why I Hurt Houghton Mifflin Harcourt

A medical director of a mobile clinic that provides health services to homeless teens offers insight into how a lack of affordable health care is affecting disadvantaged youths, describing some of his

most memorable cases and the dangers that are threatening both patients and caregivers. Reprint. [The Best of Kimchi Cuddles](#) Kings Road Publishing

"You forget. You forget you don't really exist here, that this isn't your home." Since emigrating from Bangladesh, fourteen-year-old Nadira and her family have been living in New York City on expired visas, hoping to realize their dream of becoming legal U.S. citizens. But after 9/11, everything changes. Suddenly being Muslim means you are dangerous -- a suspected terrorist. When Nadira's father is arrested and detained at the U.S.-Canadian border, Nadira and her older sister, Aisha, are told to carry on as if everything is the same. The teachers at Flushing High don't ask any questions, but Aisha falls apart. Nothing matters to her anymore -- not even college. It's up to Nadira to be the strong one and bring her family back together again.

MYStress "A.S.K.me Stress Organizer System" Journal Ask Me

It's time to get past the idea that divorce equals failure. Sure, it may not be what you had in mind when you walked down the aisle, but if it's the escape hatch into a better life, it should be filled with more promise. It can be celebrated. Ask Me About My Divorce is a spicy, fun, riveting collection of essays by women from all walks of life. With the unifying thread "I got divorced, and the world came into view," the words within will make readers laugh, cry, nod their heads, and feel inspired to do what they need to for themselves. These aren't stories from women tiptoeing around a difficult subject -- they're about the ways divorce can be, in fact, a new lease on life.

Ask Me No Questions Chipmunkpublishing ltd

A hilarious and touching comic about polyamory, queer, and genderqueer issues. If your relationships or your gender are unconventional, you'll find useful advice and plenty of laughs in this compilation of the wildly popular webcomic Kimchi Cuddles. Quirky, endearing and charmingly (and sometimes painfully) realistic characters, many based on real people, explore polyamory, queer and genderqueer issues. Covering practical matters like time management and serious topics like discrimination, this book unites the best of two years of Kimchi Cuddles comics, organized into a practical and entertaining guide to the real world of alternative relationships. Kimchi Cuddles is a rare mix: fearlessly true to the lives of the people it depicts yet relatable enough to entertain and inform anyone (maybe even your parents). Dealing with both lighthearted and serious subject matter, it avoids clichés and easy answers, choosing instead to give examples of different schools of thought and show the humanity behind each one. Wolf's honesty and gift for clear explanation have made Kimchi Cuddles a hit with the most dedicated polyamorists as well as curious newcomers.

Gallery Books

The New York Times bestseller from the beloved actress and Hollywood icon who's made us laugh on shows from *The Mary Tyler Moore Show* to *Golden Girls* to *Saturday Night Live*! In this candid take on everything from the unglamorous reality behind red-carpet affairs to her beauty regimen ("I have no idea what color my hair is, and I never intend to find out"), Betty White shares her observations about life, celebrity, and love (for humans and animals). Filled with photos, *If You Ask Me* is funny, sweet, and straight to the point—just like Betty.

The Kids Nobody Wants and the Doctor Who Heals Them W. W. Norton & Company

You'll be mine: Will Abbott and Cameron Murphy are finally ready to tie the knot--as long as family, friends and a love-struck moose don't get in the way.

Ask Me to Stay Frances Lincoln Children's Bks

Alex Copeland is that kind of guy...and Jess knows it. She's worked too hard to make detective, to be taken seriously, to be ready for that next promotion, to let an office flirt like Officer Copeland sway her. Jessica is so ready to say no, that she's even told him she's not available when he's just asking for paperwork. Jessica Valverde is the only woman Alex would ever consider filling out HR paperwork for. Nothing he does gets her attention until a building fire puts him in harm's way and her ambition puts him in her way. Maybe Jessica has kept her walls too high and maybe Alex is more than just a pretty Hollywood face. Having him in her apartment is more than she can handle. But the real Alex Copeland is someone she never saw coming. And he's got more spine than she gave him credit for. Jessica will have to put everything on the line to have a chance with Alex... Ask Me to Stay will fill your dreams with a steamy, true love story. Be prepared to fall head over heels for this contemporary romance from Maggie Award winning author Savanna Kade. This third installment in the *Against All Odds* series can be read as a standalone and will delight fans of Susan Mallery and Nora Roberts. Fall in love with Jess and Alex now...
