With a surprising number of people professing a belief that we are living in the Biblical End Times, this lively 1902 deconstruction of the Book of Revelation is even more relevant than ever. Analyzing the final chapters of the Bible on a verse-by-verse basis-and finding much to be contentious about, particularly when it comes to other interpretations of the book-Bullinger reveals

a powerful, devotional way to approach Revelation. British clergyman ETHELBERT WILLIAM BULLINGER (1837-1913) was one of the most respected Bible scholars of the 19th century. He is author of numerous works including *Great Cloud of Witnesses* and *How to Enjoy the Bible*.

Boys' Life

Friend or villain? Brother or traitor? This compelling story of wartime friendship brings the looming War of 1812 to dramatic life. Jacob is a steadfast Loyalist. Eli is a newcomer to Upper Canada, whose family has just moved from the American South. The two boys become fast friends, but their friendship is tested when Eli's father refuses to pledge allegiance to the Crown. As Loyalists in Upper Canada become more and more suspicious of those with American leanings, the looming war threatens to pull the boys -- and their town -- apart. Peopled with key figures from the War of 1812, such as General Isaac Brock and newspaperman-turned-traitor Joseph Willcocks, *Brothers at War* portrays the tense era just before the War of 1812, which pitted neighbour against neighbour as Upper Canada prepared to fend off invading American forces.

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon.

There are thousands of

places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.
