Originally published in 1975 as a memorial to the Kimbell Art Museum's architect, Louis I. Kahn, *Light Is the Theme* provides an extended expression of the major themes articulated in his design for the museum. The text consists solely of Kahn's own words and explores his innovative use of natural light and playful employment of materials,

which achieve their most refined state in the Kimbell, widely regarded as the architect's crowning achievement and admired as one of the greatest museum buildings of the 20th century. Marking the 40th anniversary of the Kimbell Art Museum, this is the first time this classic book, updated with a new bibliography and a foreword by director Eric M. Lee, has been available

outside of the museum. Distributed for the Kimbell Art Museum **Louis Kahn** Princeton Architectural Press  
A young writer travels to Maine to tell the unusual story of America's longest-running camp devoted to mysticism and the world beyond. They believed they would live forever. So begins Mira Ptacin's haunting account of the women of Camp Etna—an otherworldly

community in the woods of Maine that has, since 1876, played host to generations of Spiritualists and mediums dedicated to preserving the links between the mortal realm and the afterlife. Beginning her narrative in 1848 with two sisters who claimed they could speak to the dead, Ptacin reveals how Spiritualism first blossomed into a national practice during the Civil War, yet continues—ev

en thrives—to this very day. Immersing herself in this community and its practices—from ghost hunting to releasing trapped spirits to water witching—Ptacin sheds new light on our ongoing struggle with faith, uncertainty, and mortality. Blending memoir, ethnography, and investigative reportage, *The In-Betweens* offers a vital portrait of Camp Etna and its enduring hold

on a modern culture that remains as starved for a deeper sense of connection and otherworldliness as ever.

In the twenty years since its publication, *Celebration of Discipline* has

helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian

spirituality, Celebration of Discipline explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life.

The inward Disciplines of meditation, prayer, fasting, and study, offer avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of

examples demonstrating how these Disciplines can become part of our daily activities-and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy

the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth. The Gospel of the Egyptians

Whether disillusioned by the dominant church or unfulfilled by traditional expressions of faith, many of us long for a deeper

spirituality. Victoria Loorz certainly did. Coping with an unraveling vocation, identity, and planet, Loorz turned to the wanderings of spiritual leaders and the sanctuary of the natural world, eventually cofounding the Wild Church Network and Seminary of the Wild. Her journey that started alone has now been joined by countless others whose pain and sadness have been washed away, and their lives turned around, by the healing love of Meher Baba -

a spiritual Master from the higher realms. Her son Karl's loving and caring messages of hope from the spirit world inspire and stir the hearts, and strengthen the resolve of those who come forward to listen to the silence within and find their own answers - through the grace of the Master. Through these answers, Nans own life begins to take on a deeper spiritual meaning. Her story now

moves compellingly forward, interwoven with a collection of personal, heart-touching narrations of the wondrous experiences people have had - when they have opened their hearts to the Master. In *Listening to the Silence*, Nan shows how the Master works only and absolutely - through the power of love. She also shares with us her deeper understanding of the evolution of

consciousness

who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a

multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

John Dennison says we have come into this life for a purpose. The soul knows why, and where it is going. But we are asleep, cut off from its guidance. We're left uneasy, discontent, always searching for

answers but only finding more questions. We know there is something more.

**Listening To The Silence**

New World Library  
The devotion of the Flame of Love of the Immaculate Heart of Mary was given to the Church for the specific purpose of blinding Satan so that he loses his influence over our families, our communities- over all people. The movement began with the heart of

the poor and humble Hungarian mystic and Third-Order Carmelite, Elizabeth Kindelmann (1913-1985), when she heard the voices of Jesus and Mary through interior locutions between the years 1961 and 1983. The result is this Spiritual Diary, written at the request of Our Lord Jesus, which has received the Imprimatur of the Church and gifted the world untold blessings for

our critical times. Jesus said to Kindelmann, "My Mother is Noah's Ark," and Mary told her, "I assure you, my little one, that I have never before given into your hands such a powerful force of grace, the burning flame of the love of my heart. Ever since the Word became Flesh, I have not undertaken a greater movement than the Flame of Love of my heart who rushes to you. Until now, nothing

could blind Satan as much. And it is up to you not to reject it, for this rejection would simply spell disaster."The Flame of Love movement is an official Church association of the faithful, enjoying the heartfelt approval of His Eminence Cardinal Péter Erdő, Primate of Hungary, Archbishop of Eszertom-Budapest, and the approval of various bishops in whose dioceses it flourishes, as

well as a 2013 apostolic blessing from Pope Francis. God is seeking to build up a holy army of souls in order help us to fight the battle ahead that leads to sure victory for those firm in faith. In this remarkable Spiritual Diary, you follow the life and divine conversations of one of the greatest mystics of the 20th century, learn of the prayers and weekly prayer schedule that effectively blind Satan, and of the

divine promises Our Lord wishes to give to us through the intercession of His Mother's Immaculate Heart. The Labyrinth of the Spirits National Geographic Books Now with a new afterword by Pope emeritus Benedict XVI! In a time when technology penetrates our lives in so many ways and materialism exerts such a powerful influence over us, Cardinal Robert Sarah

presents a bold book about the strength of silence. The modern world generates so much noise, he says, that seeking moments of silence has become both harder and more necessary than ever before. Silence is the indispensable doorway to the divine, explains the cardinal in this profound conversation with Nicolas Diat. Within the hushed and hallowed walls of the La Grande

Chartreux, the famous Carthusian monastery in the French Alps, Cardinal Sarah addresses the following questions: Can those who do not know silence ever attain truth, beauty, or love? Do not wisdom, artistic vision, and devotion spring from silence, where the voice of God is heard in the depths of the human heart? After the international success of God or Nothing, Cardinal Sarah

seeks to restore to silence its place of honor and importance. "Silence is more important than any other human work," he says, "for it expresses God. The true revolution comes from silence; it leads us toward God and others so as to place ourselves humbly and generously at their service." Ursula K. Le Guin's the Left Hand of Darkness North Atlantic Books In the

development of contemporary architecture, no one has had a greater influence than Louis I. Kahn, whose many buildings include the Salk Institute, the Yale Study Center, and the Exeter Library. He is remembered, however, not only as a master builder, but also as one of the most important and creative thinkers of the twentieth

century. For Kahn, the study of architecture was the study of human beings, their highest aspirations and most profound truths. He searched for forms and materials to express the subtlety and grandeur of life. In his buildings we see the realization of his vision: luminous surfaces that evoke a fundamental awe, silent

courtyards that speak of the expansiveness and the sanctity of the spirit, monumental columns and graceful arches that embody dignity and strength. Updated with a new preface, this classic work is a major statement on human creativity, showing us Louis Kahn as architect, visionary, and poet.
