The Long War Corgi

'A gorgeous romance' BETH O'LEARY, The Flatshare 'Our generation's answer to Nora Ephron' SOPHIE COUSENS, This Time Next Year 'So warm and funny' PAIGE TOON, The Minute I Saw You 'A pitch-perfect balance of loveable characters, hilarious wit and steamy sexual chemistry' LAURA JANE WILLIAMS, Our Stop From the bestselling author of Beach Read comes a steamy new novel that will have you laughing out loud and dreaming of your next holiday! *Also known as People We Meet On Vacation* TWO FRIENDS TEN TRIPS THEIR LAST CHANCE TO FALL IN LOVE 12 YEARS AGO: Poppy and Alex meet. They hate each other, and are pretty confident they'll never speak again. 11 YEARS AGO: They're forced to share a ride home from college and by the end of it a friendship is formed. And a pact: every year, one vacation together. 10 YEARS AGO: Alex discovers his fear of flying on the way to Vancouver. Poppy holds his hand the whole way. 7 YEARS AGO: They get far too drunk and narrowly avoid getting matching tattoos in New Orleans. 2 YEARS AGO: It all goes

wrong. THIS YEAR: Poppy asks Alex to join her on one last trip. A trip that will determine the rest of their lives. You and Me on Vacation is a New York Times bestselling love story for fans of When Harry Met Sally, One Day and Casey McQuiston. Get ready to travel the world, snort with laughter and - most of all - lose your heart to Poppy and Alex. -----
 WHAT PEOPLE ARE SAYING ABOUT EMILY HENRY 'The hottest book of the summer - the pages simply sizzle!' JOSIE SILVER 'Full of banter, heat, and sexual tension. A gorgeous page-turner of a novel!' LAURA JANE WILLIAMS 'Full of sexual tension and tantalizing possibility. I fell head over heels for Alex and Poppy, and loved travelling all over the world with them both' BETH O'LEARY 'Emily Henry is my newest automatic-buy author . . . a heartfelt, funny, tender escape that you wish could last forever' JODI PICOULT 'A compulsively readable book full of sparkling wit, dazzling prose and a romance that grabbed me by the heart and wouldn't let me go. Absolutely my favourite read of the year, and probably one of my favourite books of all time' ABBY JIMENEZ 'Funny, and seriously sizzling' BEST 'Original, sparkling bright and layered with feeling. If whipcrack banter and foggy sexual tension is your catnip, you'll adore this book' SALLY THORNE 'What an absolute flipping triumph of a novel!!!! I LOVED it ' EMMA COOPER

A Novel of Discworld Anchor

'Some people would be asking: whose side are you on? If you're not for us, you're against us. Huh. If you're not an apple, you're a banana' Koom Valley, the ancient battle where the trolls ambushed the dwarfs, or the dwarfs ambushed the trolls, was a long time ago. But if he doesn't solve the murder of just one dwarf, Commander Sam Vimes of Ankh-Morpork City Watch is going to see it fought again, right outside his office. With his beloved Watch crumbling around him and war-drums sounding, he must unravel every clue, outwit every assassin and brave any darkness to find the solution. And darkness is following him. Oh . . . and at six o'clock every day, without fail, with no excuses, he must go home to read 'Where's My Cow?', with all the right farmyard noises, to his little boy. There are some things you have to do.

Houghton Mifflin Harcourt

They say there are only two things you can count on ... But that was before DEATH started pondering the existential. Of course, the last thing anyone needs is a squeamish Grim Reaper and soon his Discworld bosses have sent him off with best wishes and a well-earned gold watch. Now DEATH is having the time of his life, finding greener pastures where he can put his scythe to a

whole new use. But like every cutback in an important public service, DEATH's demise soon leads to chaos and unrest -- literally, for those whose time was supposed to be up, like Windle Poons. The oldest geezer in the entire faculty of Unseen University -- home of magic, wizardry, and big dinners -- Windle was looking forward to a wonderful afterlife, not this boring been-there-done-that routine. To get the fresh start he deserves, Windle and the rest of Ankh-Morpork's undead and underemployed set off to find DEATH and save the world for the living (and everybody else, of course).

Hogfather Harper Collins

'An absorbing collaborative effort from the two giants of SF' Guardian A generation after the events of *The Long Earth*, mankind has spread across the new worlds opened up by Stepping. Where Joshua and Lobsang once pioneered, now fleets of airships link the stepwise Americas with trade and culture. Mankind is shaping the Long Earth -- but in turn the Long Earth is shaping mankind ... A new 'America', called Valhalla, is emerging more than a million steps from Datum Earth, and it is growing restless . . . Meanwhile the Long Earth is suffused by the song of the trolls, graceful hive-mind humanoids. But the trolls are beginning to react to humanity's thoughtless exploitation . . . And a gathering multiple crisis that threatens to plunge the Long Earth into a war unlike any mankind has waged before. _____ The Long War is the second in *The Long Earth* series.

Snuff Random House

It's no more than a breath away... Everyone needs a place to relax after a long day, after all. So here is the place where the Grim Reaper can kick back and take the load off his scythe. Here's the golf course that's not so much crazy as insane, and the useless maze, and the dark gardens - all brought (incongruously) to life. And here, for the first time ever, you will find out the reason why Death can't understand rockeries, and what happens to garden gnomes. As Death rides Binky into the sunset (of other people's lives), you can at last see what he gets up to when he's not at work.

Death Trilogy Corgi

Who taught witchcraft to Granny Weatherwax? What does Death keep on his desk? This is an A-Z guide to the characters, places, flora and fauna of Terry Pratchett's fantasy planet, Discworld, with sketches and maps of the key locations.

You and Me on Vacation Bloomsbury Publishing

Hogswatchnight is fast approaching, and the Hogfather (that jolly fat man who delivers presents to the kiddies) is missing. But it's vital that all the presents are delivered, otherwise the sun won't rise tomorrow. However, there is another supernatural entity who can be everywhere at once and, most importantly, knows where everybody lives. And Death reckons that with a false beard and a few cushions, it might just work. And while Death is busy working out the mysteries of climbing down chimneys and drinking sherry, it's up to Susan to track down the real Hogfather. It's a dark time of the year. There are monsters afoot. And some of them look just like us. HO HO HO. You'd better watch out . . . Terry Pratchett's bestseller, adapted and directed by Vadim Jean, is a two-part live-action/CGI film for Sky One starring David Jason and a host of other great British character actors.

Interesting Times Harper Collins

'Funny, delightfully inventive, and refuses to lie down in its genre' Observer The Discworld is very much like our own -- if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle, that is . . . There is a curse. They say: may you live in interesting times. 'May you live in interesting times' is the worst thing one can wish on a citizen of Discworld, especially on the distinctly unmagical Rincewind, who has had far too much perilous excitement in his life and can't even spell wizard. So when a request for a ;Great Wizzard; arrives in Ankh-Morpork via carrier albatross from the faraway Counterweight Continent, it's the endlessly unlucky Rincewind who's sent as emissary. The oldest (and most heavily fortified) empire on the Disc is in turmoil, and Chaos is building. And, for some incomprehensible reason, someone believes Rincewind will have a mythic role in the ensuing war and wholesale bloodletting. There are too many heroes already in the world, but there is only one Rincewind. And he owes it to the world to keep that one alive for as long as possible. _____ The Discworld novels can be read in any order but *Interesting Times* is the fifth book in the *Wizards* series.

Bridle The Wind Random House

Soul Music A Novel of Discworld Harper

Tiktok made me buy it! Escape with 2021's New York Times #1 bestselling laugh-out-loud love story Harper Collins

NOW UPDATED to include material on the Discworld books up to *Raising Steam*. Most of us grow up having always known to touch wood or cross our fingers, and what happens when a princess kisses a frog or a boy pulls a sword from a stone, yet sadly some of these things are now beginning to be forgotten. Legends, myths, fairytales: our world is made up of the stories we told ourselves about where we came from and how we got there. It is the same on Discworld, except that beings which on Earth are creatures of the imagination -- like vampires, trolls, witches and, possibly, gods -- are real, alive and in some cases kicking on the Disc. In *The Folklore of Discworld*, Terry Pratchett teams up with leading British folklorist Jacqueline Simpson to take an irreverent yet illuminating look at the living myths and folklore that are reflected, celebrated and affectionately labelled in the uniquely imaginative universe of Discworld.

Thief of Time Penguin UK

This is where the dragons went. They lie... not dead, not asleep, but... dormant. And although the space they occupy isn't like normal space, nevertheless they are packed in tightly. They could put you in mind of a can of sardines, if you thought sardines were huge and scaly. And presumably, somewhere, there's a key... GUARDS! GUARDS! is the 8th Discworld novel -- and after this, dragons will never be the same again!

(Discworld Novel 18) A&C Black

At the height of the dispute, Yashiro, deputy boss of Shinseikai, faces Doumeki in his room. Yashiro has long avoided his feelings for Doumeki. Likewise, Doumeki has been resolute in being Yashiro's bodyguard and that alone. Although they have been painfully aware of each other, they have kept their feelings penned up, determined not to cross the line. But, when Doumeki is cornered and confesses his feelings to Yashiro, that line is washed away. To get something he wants, or lose it for pride, which will Yashiro choose...?

The Discworld Companion HarperCollins UK

The alien spaceship is in his sights. His finger is on the Fire button. Johnny Maxwell is about to set the new high score on the computer game *Only You Can Save Mankind*. Suddenly: We wish to talk. Huh? We surrender. The aliens aren't supposed to surrender -- they're supposed to die! Now what is Johnny going to do with a fleet of alien prisoners who know their rights under the international rules of war and are demanding safe-conduct? It's hard enough trying to save Mankind from the Galactic Hordes. It's even harder trying to save the Galactic Hordes from Mankind. But it's just a game, isn't it? Isn't it? Master storyteller Terry Pratchett leaves readers breathless -- with laughter, and with suspense -- in a reality-bending tale of virtual heroism.

Death's Domain Harper Collins

Carnegie Medal Winner * New York Public Library Books for the Teen Age * VOYA Best Science Fiction, Fantasy, and Horror * ALA Best Fiction for Young Adults * Book Sense Pick The Amazing Maurice runs the perfect Pied Piper scam. This streetwise alley cat knows the value of cold, hard cash and can talk his way into and out of anything. But when Maurice and his cohorts decide to con the town of Bad Blinitz, it will take more than fast talking to survive the danger that awaits. For this is a town where food is scarce and rats are hated, where cellars are lined with deadly traps, and where a terrifying evil lurks beneath the hunger-stricken streets.... Set in Terry Pratchett's beloved Discworld, this masterfully crafted, gripping read is both compelling and funny. When one of the world's most acclaimed fantasy writers turns a classic fairy tale on its head, no one will ever look at the Pied Piper—or rats—the same way again!

The Folklore of Discworld Random House

Amazingly, former arch-swindler-turned-Postmaster General Moist von Lipwig has somehow managed to get the woefully inefficient Ankh-Morpork Post Office running like . . . well, not like a government office at all. Now the supreme despot Lord Vetinari is asking Moist if he'd like to make some real money. Vetinari wants Moist to resuscitate the venerable Royal Mint—so that perhaps it will no longer cost considerably more than a penny to make a penny. Moist doesn't want the job. However, a request from Ankh-Morpork's current ruling tyrant isn't a "request" per se, more like a "once-in-a-lifetime-offer-you-can-certainly-refuse-if-you-feel-you've-lived-quite-long-enough." So Moist will just have to learn to deal with elderly Royal Bank chairman Topsy (née Turvy) Lavish and her two loaded crossbows, a face-lapping Mint manager, and a chief clerk who's probably a vampire. But he'll soon be making lethal enemies as well as money, especially if he can't figure out where all the gold has gone.

A Novel Soul Music A Novel of Discworld

When her dear old Granddad—the Grim Reaper himself—goes missing, Susan takes over the family business. The progeny of Death's adopted daughter and his apprentice, she shows real

talent for the trade. That is, until a little string in her heart goes "twang." With a head full of dreams and a pocketful of lint, Imp the Bard lands in Ankh-Morpork, yearning to become a rock star. Determined to devote his life to music, the unlucky fellow soon finds that all his dreams are coming true. Well almost.

Death and Friends, A Discworld Journal A&C Black

For more than two decades, Terry Pratchett has been regaling readers with tales of Discworld—a flat world balanced on the backs of four elephants, which are standing on the back of a giant turtle, flying through space. It is a world populated by ineffectual wizards and sharp-as-tacks witches, by tired policemen and devious dictators, by reformed thieves and vampires who have sworn to drink no blood. It is a world that is vastly different from our own . . . except when it isn't. Now, in *The Wit and Wisdom of Discworld*, various nuggets of Pratchett's witty commentary and sagacious observations have been compiled by Pratchett expert Stephen Briggs, a man who, they say, knows even more about Discworld than Terry Pratchett. Within these pages, you'll find musings on: Interior decorating: "It's a fact known throughout the universes that no matter how carefully the colors are chosen, institutional decor ends up as either vomit green, unmentionable brown, nicotine yellow, or surgical appliance pink. By some little-understood process of sympathetic resonance, corridors painted in those colors always smell slightly of boiled cabbage—even if no cabbage is ever cooked in the vicinity." (Equal Rites) Travel: "Any seasoned traveler soon learns to avoid anything wished on them as a 'regional speciality,' because all the term means is that the dish is so unpleasant the people living everywhere else will bite off their own legs rather than eat it. But hosts still press it upon distant guests anyway: 'Go on, have the dog's head stuffed with macerated cabbage and pork noses—it's a regional speciality.'" (The Last Continent) Young men: "And then there was the young male walk. At least women swung only their hips. Young men swung everything, from the shoulders down. You have to try to occupy a lot of space. It makes you look bigger, like a tomcat fluffing his tail. The boys tried to walk big in self-defense against all those other big boys out there. I'm bad, I'm fierce, I'm cool, I'd like a pint of shandy and me mam wants me home by nine." (Monstrous Regiment) Class: "'Old money' meant that it had been made so long ago that the black deeds that had originally filled the coffers were now historically irrelevant. Funny, that; a brigand for a father was something you kept quiet about, but a slave-taking pirate for a great-great-great-grandfather was something to boast of over the port. Time turned the evil bastards into rogues, and rogue was a word with a twinkle in its eye and nothing to be ashamed of." (Making Money) . . . and more! Culled from all the Discworld novels, *The Wit and Wisdom of Discworld* confirms Pratchett's place in the pantheon of great satirists and proves why the Chicago Tribune has praised his Discworld as "entertaining and gloriously funny . . . an accomplishment nothing short of magical."

The Wit and Wisdom of Discworld HarperCollins

A beautiful hardback edition of the classic Discworld novel 'Anything you do in the past changes the future. The tiniest little actions have huge consequences. You might tread on an ant now and it might entirely prevent someone from being born in the future.' There's nothing like the issue of evolution to get under the skin of academics. Even if their field of expertise is magic rather than biology. With the best and most interfering minds of Unseen University somehow left in charge at a critical evolutionary turning point, the Discworld's last continent needs a saviour... Who is this hero striding across the red desert? Sheep shearer, beer drinker, bush ranger, and someone who'll even eat a Meat Pie Floater when he's sober. In fact, it's Rincewind, a wizard so inept he can't even spell wizard. He's the only hero left. Still...no worries, eh?

A Novel of Discworld Gollancz

Do you believe in magic? Can you imagine a war between wizards? An exciting journey in an airship or down in a submarine? Would you like to meet the fastest truncheon in the Wild West? The Witch's Vacuum Cleaner is the second fabulously funny short-story collection from the late acclaimed storyteller Terry Pratchett. A follow-up to *Dragons at Crumbling Castle*, this second batch of storytelling gems features stories written when Sir Terry was just seventeen years old and working as a junior reporter. In these pages, new Pratchett fans will find wonder, mayhem, sorcery, and delight—and loyal readers will recognize the seeds of ideas that went on to influence his most beloved tales later in life. As Neil Gaiman says, "a Terry Pratchett book is a small miracle"—and *The Witch's Vacuum Cleaner* proves to be another miracle taking its place alongside Pratchett's astounding and cherished body of work.

Thud! Random House

It's the night before Hogswatch. And it's too quiet. Superstition makes things work in the

Discworld, and undermining it can have consequences. It's just not right to find Death creeping down chimneys and trying to say 'Ho Ho Ho...' It's the last night of the year, the time is turning,

and if Susan, gothic governess and Death's granddaughter (sort of), doesn't sort everything out by morning, there won't be a morning. Ever again... Adapted by Terry Pratchett's long-time

collaborator Stephen Briggs, this play text version of Pratchett's bestselling Discworld novel Hogfather wittily and faithfully reimagines the story for the stage.
