The book that inspired Marie Kondo's The Life Changing Magic of Tidying Up, Nagisa Tatsumi's international bestseller offers a practical plan to figure out what to keep and

what to discard so you can get--and stay--tidy, once and for all. Practical and inspiring, *The Art of Discarding* (the book that originally inspired a young Marie Kondo to start cleaning up her closets) offers hands-on advice and easy-to-follow guidelines to help readers learn how to finally let go of stuff that is holding them back -- as well as sage advice on acquiring less in the first place. Author Nagisa Tatsumi urges us to reflect on our attitude to possessing things and to have the courage and conviction to get rid of all the stuff we really don't need, offering advice on how to tackle the things that pile up at home and take back control. By learning the art of discarding you will gain

space, free yourself from "accumulation syndrome," and find new joy and purpose in your clutter-free life.

La autora, Marie Kondo, ha vendido más de 3 millones de copias de sus libros, que han sido traducidos a más de 30 lenguas y publicado en más de 30 países. En 2015 fue nombrada por la revista Time como una de las 100 personas más influyentes del año. La magia del orden ha conquistado el número 1 en la lista de más vendidos de The New York Times, Los

Paso a paso te guiará para que en tu casa sólo tengas las cosas esenciales y tu vida mejore; increíblemente te sentirás más seguro, exitoso y con energía para crear lo que sea. A partir de este momento sólo tendrás que elegir qué conservar y qué desechar. Algunos de los consejos del método KonMari: - Ordena por categoría, no por localización. - No guardes nada en tu armario que no te dé alegría. - Lo que no necesitas tú, tampoco lo necesita nadie de tu

familia. - Despídete de cada pieza que tires con gratitud por su servicio dado. - Ordena bien una vez y siempre permanecerá ordenado. - Las maratones de orden tienen efecto rebote. Créate un hábito diario. - Empieza por las cosas más fáciles. - Aprende a doblar bien la ropa y ahorrarás espacio. - No compres más cajas ni materiales de almacenaje pequeño. No lo necesitas La crítica ha opinado: "Marie Kondo se define como una gurú del orden, una princesa guerrera que lucha contra el caos. Algo que lleva haciendo desde los cinco años" The Times "Marie Kondo es una mujer con una única misión: limpiar el mundo habitación por habitación. Sus libros

se han convertido en un fenómeno de ventas en Japón, su país natal. Su método es una actitud ante la vida, una filosofía del orden. Kondo sostiene que son muchos los efectos positivos que podemos tener en nuestras vidas gracias al orden: suerte, amor y éxito, entre otros" The Sunday Times

You can follow the beaten path and call yourself an entrepreneur or you can blaze your own trail and really be one. When Derek Sivers started CD Baby, he wasn't planning on building a major business. He was a successful independent musician who just wanted to sell his CDs online. When no one would help him do it,

he set out on his own and built an online store from scratch. He started in 1998 by helping his friends sell their CDs. In 2000, he hired his first employee. Eight years later, he sold CD Baby for \$22 million. Sivers didn't need a business plan, and neither do you. You don't need to think big; in fact, it's better if you don't. Start with what you have, care about your customers more than yourself, and run your business like you don't need the money.

(Book Jacket Status: Not Jacketed) Chilean writer Isabel Allende's classic novel is both a richly symbolic family saga and the riveting story of an unnamed Latin American country's turbulent history. In a triumph of magic realism, Allende constructs a spirit-ridden world and fills it with colorful and all-too-human inhabitants. The Trueba family's passions, struggles, and secrets span three generations and a century of violent social change, culminating in a crisis that brings the proud and tyrannical patriarch and his beloved granddaughter to opposite sides of the barricades. Against a backdrop of revolution

and counterrevolution, Allende brings to life a family whose private bonds of love and hatred are more complex and enduring than the political allegiances that set them at odds. The House of the Spirits not only brings another nation's history thrillingly to life, but also makes its people's joys and anguishes wholly our own.
