STEPHENSON BARKER

A Mad, Wicked Folly Bloomsbury
Publishing

Bibi feels out of place everywhere - everywhere that is, except for Tyme's End, the deserted house that she breaks into when she thinks nobody is nearby. There she unexpectedly meets Oliver Gardner, the owner of the house, who's just returned after ten years away. Their story and the story of Oliver's grandfather

becomes inextricably entwined, linked as they are by Tyme's End itself. For Tyme's End is more than just a deserted house. It is a house that by turns can be romantic, beguiling, sinister and malevolent. It is a house that had a cruel and manipulative owner. And anybody who enters Tyme's End must prepare themselves for terror . . . Part mystery, part psychological thriller, set in the present yet with forays into the past, this is a cleverly ambitious novel that makes for a compulsive and gripping read.
