#1 New York Times bestselling author Stephanie Laurens returns

to the Cynsters' next generation with an evocative tale of two people striving to overcome unusual hurdles in order to claim true love. A nobleman wedded to the lady he loves strives to overwrite five years of masterful pretence and open his wife's eyes to the fact that he loves her as much as she loves him. Lord Devlin Cader, Earl of Alverton, married Therese Cynster five years ago. What he didn't tell her then and has assiduously hidden ever since—for what seemed excellent reasons at the time—is that he loves her every bit as much as she loves him. For her own misguided reasons, Therese had decided that the adage that Cynsters always marry for love did not necessarily mean said Cynsters were loved in return. She accepted that was usually so, but being universally viewed by gentlemen as too managing, bossy, and opinionated, she believed she would never be loved for herself. Consequently, after falling irrevocably in love with Devlin, when he made it plain he didn't love her yet wanted her to wife, she accepted the half love-match he offered, and once they were wed, set about organizing to make their marriage the very best it could be. Now, five years later, they are an established couple within the haut ton, have three young children, and Devlin is making a name for himself in business and political circles. There's only one problem. Having attended numerous Cynster weddings and family gatherings and spent time with Therese's increasingly married cousins, who with their spouses all embrace the Cynster ideal of marriage based on mutually acknowledged love, Devlin is no longer content with the half love-match he himself engineered. No fool, he sees and comprehends what the craven act of denying his love is costing both him and Therese and feels compelled to rectify his fault. He

wants for them what all Therese's married cousins enjoy—the rich and myriad benefits of marriages based on acknowledged mutual love. Love, he's discovered, is too powerful a force to deny, leaving him wrestling with the conundrum of finding a way to convincingly reveal to Therese that he loves her without wrecking everything—especially the mutual trust—they've built over the past five years. A classic historical romance set amid the glittering world of the London haut ton. A Cynster Next Generation novel—a full-length historical romance of 110,000 words. Praise for *The Games Lovers Play* “A high-society Regency-era couple explores the genuine affection they share for one another against a sophisticated vintage backdrop. Unwaveringly eloquent, *Games Lovers Play* is as much a snapshot of a maturing marriage as it is an impassioned, provocative romance.” Libybet R. G., Proofreader, Red Adept Editing “It isn't fashionable for members of high society in mid-nineteenth-century London to be in love with their spouses, but Lord Devlin Cader, seventh Earl of Alverton, is. After several years of marriage, has he waited so long that she won't accept a declaration even if he makes it?” Kim H., Proofreader, Red Adept Editing “In the power couple of Devlin and Therese, Laurens has conjured a love story that is every bit as enthralling as those of her unmarried lords and ladies.” Angela M., Copy Editor, Red Adept Editing

#1 New York Times bestselling author Stephanie Laurens immerses you in the simple joys of a long-ago country-village Christmas, featuring a grandmother, her grandchildren, her unwed son, a determined not-so-young lady, foreign diplomats, undercover guards, and agents of Napoleon! At Hartington Manor in the village of Little Moseley, Therese, Lady Osbaldestone, and her household are once again enjoying the company of her intrepid grandchildren, Jamie, George, and Lottie, when they are unexpectedly joined by her ladyship's youngest and still-unwed son, also the children's favorite uncle, Christopher. As the Foreign Office's master intelligencer, Christopher has been ordered into hiding until the department can appropriately deal with the French agent spotted following him in London. Christopher chose to seek refuge in Little Moseley because it's such a tiny village that anyone without a reason to be there stands out. Neither he nor his office-appointed bodyguard expect to encounter any dramas. Then Christopher spots a lady from London he believes

has been hunting him with matrimonial intent. He can't understand how she tracked him to the village, but determined to avoid her, he enlists the children's help. The children discover their information-gathering skills are in high demand, and while engaging with the villagers as they usually do and taking part in the village's traditional events, they do their best to learn what Miss Marion Sewell is up to. But upon reflection, Christopher realizes it's unlikely the Marion he was so attracted to years before has changed all that much, and he starts to wonder if what she wants to tell him is actually something he might want to hear. Unfortunately, he has set wheels in motion that are not easy to redirect. Although Marion tries to approach him several times, he and she fail to make contact. Then just when it seems they will finally connect, a dangerous stranger lures Marion away. Fearing the worst, Christopher gives chase--trailed by his bodyguard, the children, and a small troop of helpful younger gentlemen. What they discover at nearby Parteger Hall is not at all what anyone expected, and as the action unfolds, the assembled company band together to protect a secret vital to the resolution of the war against Napoleon. Fourth in series. A novel of 81,000 words. A Christmas tale of intrigue, personal evolution, and love.

The Pub Across the Pond Simon and Schuster

#1 New York Times bestselling author Stephanie Laurens explores the strength of a fated love, one that was left in abeyance when the protagonists were too young, but that roars back to life when, as adults, they meet again. A lady ready and waiting to be deemed on the shelf has her transition into spinsterhood disrupted when the nobleman she'd once thought

she loved returns to London and fate and circumstance conspire to force them to discover what love truly is and what it means to them. What happens when a love left behind doesn't die? Melissa North had assumed that after eight years of not setting eyes on each other, her youthful attraction to—or was it infatuation with?—Julian Delamere, once Viscount Dagenham and now Earl of Carsely, would have faded to nothing and gasped its last. Unfortunately, during the intervening years, she's failed to find any suitable suitor who measures up to her mark and is resigned to ending her days an old maid. Then she sees Julian across a crowded ballroom, and he sees her, and the intensity of their connection shocks her. She seizes the first chance that offers to flee, only to discover she's jumped from the frying pan into the fire. Within twenty-four hours, she and Julian are the newly engaged toast of the ton. Julian has never forgotten Melissa. Now, having inherited the earldom, he must marry and is determined to choose his own bride. He'd assumed that by now, Melissa would be married to someone else, but apparently not. Consequently, he's not averse to the path Fate seems to be steering them down. And, indeed, as they discover, enforced separation has made their hearts grow fonder, and the attraction between them flares even more intensely. However, it's soon apparent that someone is intent on ensuring their married life is cut short in deadly fashion. Through a whirlwind courtship, a massive ton wedding, and finally, blissful country peace, they fend off increasingly dangerous, potentially lethal threats, until, together, they unravel the conspiracy that's dogged their heels and expose the villain behind it all.
