thinking. Lively international fiction, non-fiction and poetry texts are the basis for teaching reading and writing skills, including comprehension, grammar, punctuation, phonics, spelling and handwriting. Learners also practise their spoken English to build vocabulary and confidence through class and group discussion. Each stage contains three core components	(Learner's Book, Activity Book, and Teacher's Resource Book with accompanying CD-ROM) which are fully integrated and offer a complete solution to teaching Cambridge Primary English. Also available are Phonics Workbooks A and B, providing an essential foundation in phonics skills. <u>Cambridge Primary English Stage 4 Learner's Book</u> Cambridge University	Press Clear learning outcomes ensure systematic development of core English skills and provide measurable targets for students and teachers. Thematic units featuring global texts give a foundation to engage and build learners' confidence. This course offers comprehensive coverage of the Cambridge Primary English curriculum framework. <i>Cambridge</i>

International Primary English as a Second Language Student's Book Stage 4 (Collins Cambridge International Primary English as a Second Language)

Hodder Education
Written for use with the Cambridge Primary Mathematics Curriculum

Framework, and endorsed by Cambridge International Examinations, the Cambridge Primary Mathematics series is informed by the most up-to-date teaching philosophies from around the world. It aims to support teachers to help all learners become confident and successful mathematicians through a fun and engaging scheme. Through an investigatory

approach children learn the skills of problem solving in the context of other mathematical strands in the course. The course will encourage learners to be independent thinkers with the confidence to tackle a wide range of problems who understand the value and relevance of their mathematics. Classroom discussion is encouraged to help learners become good mathematical communicators, to justify

answers and to make connections between ideas. This series is part of Cambridge Maths (www.cie.org.uk/cambridgeprimarymaths), a project between Cambridge University Press and Cambridge International Examinations and is appropriate for learners sitting the Primary Checkpoint test. *Cambridge Global English Stage 2 Activity Book* Cambridge University Press

Written with a range of international contexts in mind, this highly flexible, six-level course provides coverage of the Cambridge Primary English as a Second Language curriculum framework. Comprising an appealing, magazine style Student Book, extensive Workbook and supportive Teacher Guide, the course offers progression within and

across levels. *Cambridge Global English Stage 1 Activity Book* Cambridge University Press

Cambridge Global English (1-6) is a six-level Primary course following the Cambridge Primary English as a Second Language Curriculum Framework developed by Cambridge English Language Assessment. *Activity Book 4* provides additional practice activities to consolidate

<p>language skills and content material introduced in Learner's Book 4. Nine units correspond with the topics, texts and language input of Learner's Book 4 with each lesson of the Learner's Book supported by two pages in the Activity Book. Learning is reinforced through activities clearly framed within the 'I can' objectives of the course, opportunities for</p>	<p>personalisation and creative work and a higher level of challenge to support differentiation. Each unit in the Activity Book ends with revision and opportunity for self-assessment.
