Booktime, LLC

Have you ever asked, What does God really want from me? In their ground-breaking book, What the Angel Taught You; Seven Keys to Life Fulfillment, two world-renowned educators collaborate to ask and answer some of the most compelling questions we all seem to have. What does God really want from me? What is the highest class of pleasure in this world?

How do I get my prayers answered?
How do I know if my decisions are right?
What is the definition of love? Are there any absolute truths on

Earth? How does free will bring me happiness? Why was Man created?

Divine Masters, Ancient Wisdom

Central Recovery Press
"Every time that you find in our books a tale the reality of which seems impossible, a

story which is repugnant to both reason and common sense, then be sure that the tale contains a profound allegory veiling a deeply mysterious truth; and the greater the absurdity of the letter, the deeper the wisdom of the spirit.” — Moses Maimonides, Jewish theologian, historian, Talmudist (1135-1205 A.D.) Countless people have been provided with new insights into the Christian religion through the in-depth Biblical interpretations of Geoffrey Hodson. In his *Hidden Wisdom in the Holy Bible*, Volumes I, II and III, he extensively analyzed Old Testament stories, suggesting that many of them are in actuality more meaningful than is commonly supposed; that many of these

stories are indeed allegorical, and that, understood from a more universal and less literal point of view, they contain much additional useful knowledge. He believes this is also true of *The Christ Life* from Nativity to Ascension. In this book, Hodson moves from a consideration of the Old Testament of the Holy Bible to the New Testament, interpreting the four accounts, or Gospels of the life of Christ, as put down in the King James version of the Bible. The author believes that the Bible should be considered in both its historical and its allegorical significance. He writes: “Ever must it be remembered that the wondrous story (of Jesus the Christ) was never intended to be

read as a record of external events alone, but rather as a revelation of the divine within man." As a priest in the Liberal Catholic Church, Hodson has naturally maintained an intensive interest in the Holy Bible. He is recognized throughout the world for his exceptional clairvoyant abilities, and has also carried out occult research in collaboration with physicians, physicists, anthropologists and archaeologist. He is the author of some 40 books dealing with such topics as meditation, Theosophy, the spiritual life, health and disease and, of course, Bible symbolism and interpretation.

Scripture Versus Science :

Reconciling God's Ancient Wisdom with a Modern World View

Balboa Press
There used to be a time we called normal. In the years leading up to the COVID-19 pandemic, we led distracted lives in a chaotic world. Though things seemed in control, we were lacking the joy of accomplishment, the courage from pushing through the unknown into the beautiful, the wonder of walking down an untraveled road to a new destination. We sought refuge in the safe confines of what we knew, what was familiar. Then, everything changed. Things will never go back to normal. This may seem pessimistic, but author Brent Crowe shows us there is a

time-tested, pandemic-tested approach to a more fulfilling kind of life. There is a new normal that can, and should, emerge from the ashes of 2020. The ancient wisdom of Jesus gives us just that. *Ten Steps to Your Best Life* extracts ten clear steps that Jesus taught for living in and through the most difficult times of transition. Discover how to emerge from the shadows with a clear vision for living well in a post-pandemic world.

Fulfillment Life is about more than a daily grind or making money. We

are all searching for more meaning and

happiness out of life, but there is no magic

pill for that! There are however best practices and ancient wisdom to

help us along our journeys. This book has

the top 43 practices that have helped me

with my mental, physical, and spiritual

health. Fulfillment can be elusive. Sometimes we just need a reminder about the simple things that bring us joy...the down to earth things like family, friends, and nature. The physical book comes with an e-copy that you can print off and check off as you complete the challenge. **A Wish Can Change Your Life How to Use the Ancient Wisdom of Kabbalah to Make Your Dreams Come True**
The Ten Commandments belong to the "classics" of Western culture. They are an authoritative part of the Hebrew and the Christian Scriptures. Since they come to us from an ancient past, it is both necessary and worthwhile to inquire what they may mean

for us today. Thorwald Lorenzen contends it is important to hear God's invitation to an alternative lifestyle: "you shall not kill," "you shall not commit adultery," "you shall not covet." His thoughtful reflections on the commandments for today's tumultuous world begin with the God who "speaks" ten word to liberate God's people from oppression. Grounded in God's liberating "yes," the "ten words" are neither laws nor rules. They are elements for a culture of freedom in which people are invited to celebrate life.
Ten Steps to Your Best Life Larry Laveman
The book of Proverbs is power packed with wisdom that will guide God's people in daily living and is widely

recognized as a source of sound, practical wisdom. It's a rich fountain of profound but simple insight. In Volume 1 of Treasures from an Old Book, author Lorin Bradbury, Ph.D. addresses every verse of the first nine chapters of the book of Proverbs in a series of fifty-one unique lessons. He draws upon more than forty years of pastoral experience, making practical applications throughout each lesson to encourage the Christian needing a word of inspiration and to provide insight and application for a busy pastor teaching on these timeless truths. Ranging from establishing a sure foundation on the word of God, to fear of the Lord, to parental instruction, to warnings

against enticement from the world, Bradbury shows that a study in Proverbs has the potential to improve how you relate to your children, spouse, neighbors, and coworkers, and most importantly, how you relate to God. Lorin Bradbury, Ph.D. is both a pastor and a psychologist and draws upon both disciplines in communicating scriptural truths. Lorin Bradbury is very intelligent and highly educated. Coupled with his intelligence is his solid, practical understanding and perception. In this book, he has succeeded in unpacking the treasures of wisdom found in "Proverbs" and displayed them so that each of us have access to godly

wisdom in our daily lives. —Terry Pugh, Pastor Odessa, TX

Wisdom has been defined as, “knowing what to do next.” The wisdom of God is found in the book of Proverbs. In these pages, Dr. Bradbury does an exceptional job of making the insight of Proverbs relevant for today. This is an incredible resource for any pastor or Bible teacher. You will never be any better than your resource. The material in this book is well researched and exceptional in the presentation. —Carlton Coon, Pastor & Author Springfield, MO

Feng Shui is an ancient Chinese philosophy that reveals concepts based on a profound system of common sense, effective guidelines and sound principles. Its popularity results from the way it creates harmony and balance. Originally from China, this ancient wisdom exerts a broad influence on modern-day Asia, and attracts growing interest in Europe, the United States and other parts of the world. Literally meaning "Wind and Water", Feng Shui draws on the influence of "Chi" - the flow and quality of energy in the environment that affects people in different ways. By following Feng Shui

principles, one creates a favorable environment to access universal power. When applied effectively, Feng Shui balances and transforms the Chi, creating comfortable, attractive surroundings and gives individuals inner peace. It heightens our awareness of infinite possibilities around us to give us clarity in making beneficial choices for achieving fulfillment in life. A conscious creation of a favorable Feng Shui living environment improves the quality of life that promotes personal well-being, loving relationships, peace and harmony, prosperity and success. Creating good Feng Shui, however, isn't as simple as following a check list of do's and don'ts. Many different

elements can impact an environment. It is important, therefore to give each individual some powerful Feng Shui knowledge and wisdom which they can use to quality-check their environment and their life everyday to promote well-being and prevent disastrous happenings..... such are the intentions of this book.

Ancient Wisdom for Modern Living Wiley

"The simple and practical wisdom I have gained by reading this book and studying Kabbalah is immeasurable." -- Madonna "This book will inspire your soul. Michael Berg has accomplished the monumental task of translating the eternal truths of life into spiritual common sense. Without a

doubt, The Way will become one of the sacred texts of your own life." -Caroline Myss, Ph.D., author of Anatomy of the Spirit and Sacred Contracts The spiritual way of Kabbalah has grown from a hidden treasure into a widespread mainstream movement that has helped people from every walk of life, all around the world, to improve their lives. In this bestselling book, Michael Berg of The Kabbalah Centre-the world's leading educational institution teaching the wisdom of Kabbalah-shows you how to recognize and understand the key spiritual laws in order to improve your life and the lives of everyone around you. The Way will teach you meditation and prayer techniques and how to

reduce emotional chaos and increase personal harmony. At once groundbreaking and so clearly written that it is accessible to anyone following any spiritual path, The Way provides the spiritual power tools to attain true fulfillment and happiness.

The Ten Golden

Rules WestBow Press The scientific evidence behind what makes people happy, and the steps which we should take to achieve well-being, are reviewed. The six intentional activities to create happiness are highlighted. Practical exercise to increase your levels of happiness are listed. Over 340 references are quoted at the end. *Ancient Wisdom for Transforming Pain* Page Publishing Inc

Spiritual Living:
 Eastern Wisdom for
 Today is not a book
 about religion and
 rituals but presents
 realistic essence of
 spirituality and spiritual
 living based on Eastern
 wisdom of the Sages. It
 is my deep-felt
 conviction that spiritual
 understanding not only
 facilitates success but
 also gives a sound
 philosophical basis for
 living the purposeful
 totality of life. It fosters
 genuine passion to live
 life fully, work
 earnestly, achieve
 success, have a family,
 help others, meditate
 regularly, grow
 spiritually, and strive to
 feel fulfilled and at
 peace. Life is an
 opportunity to realize
 the matters of the
 heart and spiritlove,
 trust, joy, respect,
 sharing, integrity,
 compassion, and peace

and self-discovery.
 They are essentials of
 life that defy reason
 and description, but
 without them life
 largely loses its
 meaning. We must
 recognize our totality
 to enjoy the dance and
 music of life for
 fulfillment. The Sages
 of ancient India
 intuitively recognized
 the oneness of
 existence, the spiritual
 principles that hold it
 together, the
 universality of
 humanity, and the art
 of self-realization. Their
 wisdom formed the
 forward-looking
 practical philosophy of
 oneness, tolerance,
 acceptance, openness,
 respect, and freedom
 for diversity in all its
 manifestations. They
 form simple yet
 profound threads that
 bind Eastern
 spirituality in a

practical framework of optimism, wisdom, and stimulus for experiencing the wholeness of life. The contents should facilitate the reader to experience the depth, subtlety, wisdom, knowledge, universality, unity, boldness, simplicity, and sincere generosity of the Sages to help us to bear the challenges of life today with a sense of fulfillment. It is for us to know, to understand, and to realize the unified view of life.

50 Ancient Wisdom for Singles Abingdon Press

An increase in secularization throughout the Western world has resulted in Christian communities finding themselves in a new context: emerging as a minority group. What

does this changing landscape mean for existing Christian communities? Are there biblical or historical precedents for this situation? What should we expect in the future? These were the issues taken up by the speakers at the 2016 conference, "The Emerging Christian Minority," sponsored by the Center for Catholic and Evangelical Theology. Contributors David Novak William T. Cavanaugh Paige Hochschild David Novak Kathryn Schifferdecker Anton Vrame Joseph Small

No Ordinary Moments Praeger Pub Text

Felicità: il percorso scientifico per raggiungere il benessere Mountain of Fire and Miracles Ministries

The Ancient Wisdom is a body of pure knowledge of God and creation that has existed for millenniums. It has been in existence since time began, long before the appearance of any of today's major religions. Although ancient in source, it

has a philosophical integrity that is as relevant in today's life as it has been in every previous period of time. No irreconcilable leaps of faith are required. No mysteries. All is knowable. The wisdom contained herein is that which has always been previously communicated to interested spiritual aspirants who sought it out. This book continues that tradition.

Finding Fulfillment

in a World Obsessed with Happiness

Crown

That John Wesley was not a systematic theologian is a point frequently made. Yet if that be the case, what kind of theologian was he? To look at his literary output over the course of his long life and ministry is to recognize the central role that sermons played. Thus, claims Michael Paquarello, Wesley was a homiletical theologian, one for whom the Word preached was the core means of reflecting on and understanding the meaning of the Gospel. In this "preaching life" of Wesley Pasquarello places Wesley's sermons in the larger religious, political, and intellectual world of their eighteenth-century context.

Neither a biography nor an intellectual history, it is a homiletic history, one that both uses the details of Wesley's milieu to build a framework for understanding his sermons, and that illumines the practical wisdom embodied in the content, form, and style of Wesley's preaching. John Wesley: A Preaching Life vividly portrays the centrality of Wesley's preaching to the religious revival that transformed eighteenth-century England.

The Path Simon and Schuster
Psychologist and best-selling author Charles Garfield shares an uplifting vision as he takes us on a journey of a lifetime. Some of the most profound growth of our lives can

happen in the home stretch, the years after age sixty or so. It's a time when we can finally crystallize the meaning of what we've been and done and fully expand into the self we've always intended to be. But, says psychologist Charles Garfield, that can only happen if we first loosen the grip of the life we've led so far, the one that's been focused outwardly—on activity, achievement, and the idea of success—and let our souls lead the way. In *Our Wisdom Years*, Dr. Garfield skillfully and practically guides readers through nine tasks that can transform the struggles of aging, bringing fulfillment, joy, and serenity. Drawing on the understandings that come from both

his work as acclaimed “success guru” in the 1980s and the truths distilled from volunteering with those at the end of life, Garfield offers a fresh, uplifting vision of the wholeness that awaits us. Dr. Garfield shares how we can gracefully let go of the younger selves we’ve been and walk through the opening that keeps beckoning toward this soul-driven version of later life. He encourages us to take the risk of being fully alive as our years pass. This is no small task—aging is not for the faint of heart! The beautiful paradox of growing older is that none of the gifts of age are available without the kind of loss that forces us to confront mortality in a way we can’t deny. In the face

of loss, we’re changed and expanded by truths that come from the heart, not the mind. We learn that we’re more than our bodies, part of something much larger than we are, and that love and kindness matter most of all.

Checklist H J Kramer

Each of us long for success, fulfillment and purpose. However, so many of us fall short of true success. This book studies the life of Joseph, son of Jacob, and reveals the traits, skills and attributes he practiced that led to his incredible success. Betrayed by his brothers and sold into slavery at seventeen, and despite tremendous setbacks, Joseph achieved astounding success in every endeavor he

pursued. He is eventually appointed second in command of the greatest nation of his time and saves the entire region from starvation. Joseph goes

on to live a life of complete success, fulfillment, and purpose. Explore the attributes of Joseph, ancient wisdom for modern success!
