The Maidens Hachette UK

Mean Girls meets Middle School in The Clique... The only thing harder than getting in, is staying in. Enter Claire Lyons, the new girl from Florida in Keds and two-year-old Gap overalls, who is clearly not Clique material. Unfortunately for her, while they look for a new home, Claire's family is staying in the guesthouse of the one and only Massie Block -- Queen Bee of Octavian Country Day School. Claire's future looks worse than a bad Prada knockoff. But with a little luck and a lot of scheming, Claire might just come up smelling like Chanel No. 19. Meet the rest of the Clique: Massie Block - With her glossy brunette bob and laser-whitened smile, Massie is the uncontested ruler of The Clique and the rest of the social scene at Octavian Country Day School, an exclusive private girls' school in Westchester County, New York. Massie knows you'd give anything to be just like her. Dylan Marvil - Massie's second in command who divides her time between sucking up to Massie and sucking down Atkins Diet shakes. Alicia Rivera - As sneaky as she is beautiful, Alicia floats easily under adult radar because she seems so "sweet." Would love to take Massie's throne one day. Just might. Kristen Gregory - She's smart, hardworking, and will insult you to tears faster than you can say "my haircut isn't ugly!"

The Dirty Book Club Poppy

Will Claire's Florida BFFs become former BFFs? Back in Orlando for the summer, Claire is reunited with her Florida best friends, Sarah, Sari, and Mandy, after a long year apart. Her FBFs haven't changed at all. Too bad they think Claire has . . . and not for the better. Claire sets out to prove her loyalty by entering Kissimmee's Miss Kiss pageant. But when a very special visitor shows up and vows to win the crown, Claire finds herself torn between Keds and couture. Will Claire finally kiss-immee her past goodbye-once and for all?

*Go Tell the Bees That I Am Gone* Hachette UK

The holidays are over and Massie's room is chock-full of new things from Santa: jeans, sweater, and a new . . . roommate? Once Claire unpacks, Massie's room feels more crowded than a Zac Posen sample sale. But what's worse, Claire isn't the only person moving into Massie's territory -- Alicia's hot cousin, Nina, shows up from Spain and starts edging in on all the Briarwood boys, including Massie's crush! Will Nina, with her super-tight mall clothes, make every boy in Westchester fall in love with her? Or will Massie toss her out faster than last season's Sevens jeans? The social minefields of Westchester County's most privileged middle school girls drive the page-turning action of this addictive series, set in New York City's most elite suburban county. The Clique . . . the only thing harder than getting in is staying in.

Clique Summer Collection #5: Claire Simon and Schuster

*The Clique Summer Collection #3: Alicia* Poppy

**The Clique #6: Dial L for Loser** Poppy

Alicia and Olivia are on their way to Manhattan so the Teen People editors can do a story on them about winning the Octavian Country Day uniform design contest. When Massie finally processes that the girls who hijacked her victory are also modeling for Teen People, she is livid. It should have been her.

*The Clique #4: Invasion of the Boy Snatchers* Poppy

The Clique knows something you don't know . . . Massie Block stands at the threshold of a huh-yuge secret: a hidden room at Octavian Country Day. But to prove the Pretty Committee is worthy of the key, the girls need to find dates to Skye Hamilton's 'famous couples' costume party. On top of that,

Massie has to convince her old crush, Chris Abeley, to be Skye's date . . . or else the PC can kiss the room - and their popularity - goodbye. Luckily for the girls, alpha status just happens to come with ESP. Not the actual superpower, but a secret weapon that shows them exactly what their crushes are thinking. The question is, do they really want to know?

*A Novel* Scholastic UK

From the author of the #1 New York Times bestselling series The Clique comes Lisi Harrison's debut adult novel about four modern-day strangers who inherit a dirty book club that was started in the 1960s. M.J. Stark's life is picture-perfect—she has a dream job as a magazine editor, a sexy doctor boyfriend, and a glamorous life in Manhattan. But behind her success, she can't shake a deep sense of loneliness, so when her boyfriend offers her a completely new life in California, she decides to give it a try. Once there, M.J. is left to fend for herself in a small California beach town, with only the company of her elderly neighbor, Gloria. One day M.J. receives a mysterious invitation and a copy of Prim: A Modern Woman's Guide to Manners. She recognizes the book as an outdated classic, but when she opens it, she discovers that it's actually a copy of Fear of Flying by Erica Jong and the invitation is to join Gloria's secret book club—one that only reads erotic books. Out of curiosity, M.J. goes to the meeting at a local bookstore, and discovers three other women who have also been selected by the club's original members—who have suddenly left the country to honor a fifty-year-old pact. As these unlikely friends bond over naughty bestsellers, each woman shares not only the intimate details of her own sex life, but all areas of her life. Inspired by the characters in the novels they read—and the notes passed down by the club's original members—the new members of The Dirty Book Club help each other find the courage to rewrite their own stories and risk it all for a happy ending.
