 * Bruce Springsteen, legendary rock 'n' roll star, live on stage!
 Photos by Janet Macoska, whose work has appeared in Rolling Stone, Creem, Mojo, NY Times and at The Rock and Roll Hall of Fame* Springsteen and the E Street Band in glorious black and white and color photos, including iconic, rare, unseen and contact sheets* Photographs cover multiple performances over five decadesFive decades of blue-jeans, down-to-earth rock 'n' roll. Five decades of poetic, authentic performances, political commentary, global tours and even a Broadway show. Bruce Springsteen hasn't just left an impact on the surface of modern music, he helped shape its foundations. From the early beginnings in 1974 to the seminal Born in the USA - one of the

best-selling albums of all time - to the 2016 River Tour, the highest grossing tour of the year, Springsteen has a truly timeless appeal, captured here by lauded rock photographer, Janet Macoska. Macoska charts Springsteen through the ages. Through her lens we witness his enduring energy on the stage, from 1974 to 2016. Here is Springsteen at his finest: a down-to-earth superstar, whose powerful performances stand the test of time. "Bruce would rip his heart out and give it to his audience. He put everything into his performance. He was all over the stage, and the whole rest of the band was in lockstep, complimenting that energy. It was going out to the audience in bundles. We were sending it back , too, and that's really electric. That energy, those visuals? Photographers love that. It's perfect to have something like that to photograph." - Janet Macoska

Bruce Springsteen might be the quintessential American rock

musician but his songs have resonated with fans from all walks of life and from all over the world. This unique collection features reflections from a diverse array of writers who explain what Springsteen means to them and describe how they have been moved, shaped, and challenged by his music. Contributors to Long Walk Home include novelists like Richard Russo, rock critics like Greil Marcus and Gillian Gaar, and other noted Springsteen scholars and fans such as A. O. Scott, Peter Ames Carlin, and Paul Muldoon. They reveal how Springsteen's albums served as the soundtrack to their lives while also exploring the meaning of his music and the lessons it offers its listeners. The stories in this collection range from the tale of how "Growin' Up" helped a lonely Indian girl adjust to life in the American South to the saga of a group of young Australians who turned to Born to Run to cope with their country's 1975 constitutional crisis. These essays examine the big questions at the heart of Springsteen's music, demonstrating the ways his songs have resonated for millions of listeners for nearly five decades. Commemorating the Boss's seventieth birthday, Long Walk Home explores Springsteen's legacy and provides a stirring set of testimonials that illustrate why his music matters.

Donkey Ollie Coloring Book Welbeck Publishing Group
Bruce Springsteen on Tour is an amazing, three-decade celebration of one of the greatest live performers of all time."-- Jacket.

Tom Morello Coloring Book John Wiley & Sons
A catalog nearly fifty years in the making, Bruce Springsteen's music remains popular and a frequent subject of study yet little critical attention has been given to its inclusion in film and television. This book examines a selection of films and TV shows from the 1980s to the present--including Mask, High Fidelity, The Sopranos and The Wrestler--that feature Springsteen's music on the soundtrack. Relating his thematic preoccupations with religion, the Vietnam War, the promise of the open road, economic disparity and blue-collar malaise, his songs color narrative and articulate the inner lives of characters. This book explores the many on-screen contexts of Springsteen's work from Greetings from Asbury Park, N.J. to Springsteen on Broadway.

Renegades Write the Rules Rutgers University Press
The Montreal-based nonprofit Yellow Bird Project has worked with an amazing range of indie rock musicians over the years to create unique T-shirt designs that benefit an array of charities. This first ever indie rock coloring book is a fitting tribute to the DIY spirit of the bands, featuring witty, hand-illustrated activity pages from artist Andy J. Miller. Music fans can keep themselves out of trouble for hours with mazes, connect-the-dot games, and coloring pages for the Shins, Devendra Banhart, Rilo Kiley, the National, and more than 20 artists. With all royalties going to charity, The Indie Rock Coloring Book is sure to warm even the coolest of hipster hearts.

Thomas Baptiste "Tom" Morello is an American musician, singer, songwriter, actor and political activist. He is best known for his tenure with the band Rage Against the Machine and then with Audioslave. As of 2016, Morello is a member of the supergroup Prophets of Rage. Morello was also a touring musician with Bruce Springsteen and the E Street Band. He is also known for his acoustic solo act called The Nightwatchman, and Street Sweeper Social Club.

Collector's GOLD Edition Chronicle Books

Learn the rules to building loyal (and lucrative) digital followings Renegades Write the Rules reveals the innovative strategies behind the social media success of today's top celebrities, brands, and sports icons, and how you can follow their lead. Author Amy Jo Martin is the founder of Digital Royalty and the woman who pioneered how professional sports integrate social media. In this book she shows how to build a faithful following and beat the competition clamoring for people's attention by continually delivering value - when, where, and how people want it. People want to be heard, to be involved, to be entertained, to be adventurous, to be informed. Reveals the winning strategies for using social media to achieve dramatic results Shows how to gain influence with social media that requires an unprecedented (and potentially uncomfortable) level of accessibility and ongoing affinity Filled with illustrative examples of social media successes (including Dwayne 'The Rock' Johnson, Shaquille O'Neal, and Nike) that show how humanizing a brand through social media leads to monetization Explores how Amy Jo Martin and other successful entrepreneurs are becoming renegades by using social media to innovate their personal and professional lives The book reveals one of the basic rules of digital media success: Humans connect with humans, not logos and creative taglines.

Please note: this edition is text only and does not contain images. The most in-depth exploration of Springsteen's songs ever written. Spanning nearly 50 years of albums, EPs, B-sides, and more, this is the full story behind every single song that The Boss has ever released. Moving chronologically through Springsteen's long career, expert authors Margotin and Guesdon explore everything there is to know about every single song. No stone is left unturned across 670 pages, from the inspiration behind the lyrics and melody to the recording process and even the musicians and producers who worked on each track. Uncover the stories behind the music in this truly definitive book - a must-have for every Springsteen fan.

The Coloring Book Grand Central Publishing

From former SNL "Weekend Update" host and legendary stand-up Colin Quinn comes a controversial and laugh-out-loud investigation into cultural and ethnic stereotypes. Colin Quinn has noticed a trend during his decades on the road - that Americans' increasing political correctness and sensitivity have forced us to tiptoe around the subjects of race and ethnicity altogether. Colin wants to know: What are we all so afraid of? Every ethnic group has differences, everyone brings something different to the table,

and this diversity should be celebrated, not denied. So why has acknowledging these cultural differences become so taboo? In THE COLORING BOOK, Colin, a native New Yorker, tackles this issue head-on while taking us on a trip through the insane melting pot of 1970s Brooklyn, the many, many dive bars of 1980s Manhattan, the comedy scene of the 1990s, and post-9/11 America. He mixes his incredibly candid and hilarious personal experiences with no-holds-barred observations to definitively decide, at least in his own mind, which stereotypes are funny, which stereotypes are based on truths, which have become totally distorted over time, and which are actually offensive to each group, and why. As it pokes holes in the tapestry of fear that has overtaken discussions about race, THE COLORING BOOK serves as an antidote to our paralysis when it comes to laughing at ourselves . . . and others.

Bruce Springsteen Live Createspace Independent Publishing Platform

Deborah Ann Gibson is an American singer-songwriter, record producer and actress. Gibson released her debut album Out of the Blue in 1987, which spawned several international hits, later being certified triple Platinum by the RIAA. One of those singles, "Foolish Beat," made Gibson the youngest female artist to write, produce and perform a Billboard Hot 100 number-one single. Her double-platinum second album Electric Youth (1989), gave Gibson another U.S. number-one hit with "Lost in Your Eyes." Gibson is the sole songwriter on all of her singles to reach the Top 20 of the Hot 100 charts. She was recognized by ASCAP as Songwriter of the Year, along with Bruce Springsteen, in 1989. She continued to record and release music throughout the 1990s and 2000s. In 2006, Gibson reached No. 24 on the U.S. adult contemporary chart with "Say Goodbye," a duet with Jordan Knight and in 2017 achieved her highest-charting hit in more than 25 years in her duet with Sir Ivan, 'I Am Peaceman'.

Lawrence Kirsch

Not only was Bruce Springsteen "Born in the USA," he has risen to become a twenty-time Grammy winner and American icon. Bruce Springsteen grew up in a blue-collar New Jersey town, where his parents struggled to make ends meet. Bruce didn't fit in at school but found solace in rock and roll and playing guitar. After the breakup of a local band he'd joined, Springsteen went out on his own and people began to take notice. He signed with Columbia Records and under pressure to come up with a hit, wrote "Born in the USA," which tells the story of America during the years of the Vietnam War. A multi-millionaire and twenty-time Grammy winner, the Boss has remained a working class hero whose music deals with the political and social changes in our country.

Patti Smith Coloring Book Penguin

Important insight into the work of a truly great songwriter. Updated to include the albums Western Stars and Letter To You and packed full of insightful stories from Springsteen's long career, Bruce Springsteen: The Stories Behind the Songs takes a detailed look at each and every one of his tracks, providing a unique look at this rock legend's method, as well as some of the many anecdotes and tales that are prolific in his long music history. The legend of Bruce Springsteen may well outlast rock 'n' roll itself. And for all the muscle and magic of his life-shaking concerts with the E Street Band, it comes down to the songs - music that helped define the best version of the United States for itself and the rest of the world; that bridged the gap between Bob Dylan and James Brown, between Phil Spector and Hank Williams;

and that somehow managed to make New Jersey seem like a promised land. Deeply researched, laced with insight from decades of fandom and original reporting, this book is an exhaustive and unique look at the writing, recording and significance of Springsteen's singular catalog of songs – the first book to cover every officially released track, from hits to obscurities, from 1974's Greetings From Asbury Park, N.J. to 2014's High Hopes.
