Teach Yourself
 Do you want to be able to listen to, speak, read and write Czech confidently? Do you want the convenience of being able to learn at home or on the move? Whether you are starting from scratch, or are just out of practice, Teach Yourself Complete Czech - Touch & Listen will guarantee success! Touch & Listen ebooks are a groundbreaking new approach to language learning that include recordings of pronunciation and conversations within the pages of the books themselves - right where you need them. In the past you used to have to juggle separate books and CDs/MP3s to master listening, speaking,

reading and writing. Not anymore. Thanks to the latest enhanced ebook technology, you can learn and practise all four language skills plus grammar and vocabulary from a single ebook that you can read and listen to on your tablet device or smartphone. First, touch the on-screen play buttons and listen to native speakers conversing on scores of current topics. Then rewind. Or pause. Whatever you need to do to make sure you've fully understood what you have just listened to. When you are ready, complete the activities with the convenient notes feature. You are in control. It's that simple. STRUCTURE The course is structured in thematic units based on real-life situations and with an emphasis on communication, so that you effortlessly progress from introducing yourself and dealing with everyday situations, to using the phone

and talking about work. NOT MUCH TIME? Get started with a 1-minute introduction to the key principles of the language. GRAMMAR Follow easy-to-manage steps to give you a clear understanding of the language. VOCABULARY Use clearly marked lists to make it easy to find and review the most useful vocabulary. DIALOGUES Touch & Listen to everyday dialogues to help you speak and understand fast. PRONUNCIATION Don't sound like a tourist! Perfect your pronunciation before you travel. INSIGHTS Look out for lots of instant help with common problems and quick tips for success, based on the author's many years of teaching experience. FEATURES Make full use of the wealth of convenient ebook features, including highlighting, making notes and a built-in dictionary. PROGRESS Rise to Level B1 of the

Common European Framework for Languages: Can deal with most situations likely to arise whilst travelling in an area where the language is spoken. Can describe experiences and events, dreams, hopes and ambitions. TEST YOURSELF Use the unit tests to keep track of your progress. Teach Yourself Complete Czech Enjoy the familiarity of a book with the convenience of Touch & Listen technology at home or on the move, and let Teach Yourself and its highly experienced authors guide you every step of the way.

The runaway Estonian bestseller tells the imaginative and moving story of a boy tasked with preserving ancient traditions in the face of modernity. Set in a fantastical version of medieval Estonia, *The Man Who Spoke Snakish* follows a young boy, Leemet, who lives with his hunter-gatherer family in the forest and is the last speaker of the ancient tongue of snakish, a language that allows its speakers to command all animals. But the forest is gradually emptying as more and more people leave to settle in villages, where they break their backs tilling the land to grow wheat for their "bread" (which Leemet has been told tastes horrible) and where they pray to a god very different from the spirits worshipped in the forest's sacred grove. With lothario bears who wordlessly seduce women, a giant louse with a penchant for swimming, a legendary flying frog, and a young charismatic viper named Ints, *The Man Who Spoke Snakish* is a totally inventive novel for readers of David Mitchell, Sjöfn, and Terry Pratchett.

The Hidden Europe Mjf Books

This is a guidebook written for beginning to advanced Estonian language learners. It will help you learn some of the most commonly used verbs in the Estonian language. It is the most comprehensive resource available for learning and mastering Estonian verbs. The verbs are arranged in tabular format in alphabetical order, which will make navigating through the program easier. Each verb is fully conjugated and presented in all forms. The book features sample sentences to demonstrate verb usage in context, as well as a grammar review. This indispensable guide will help you conjugate verbs with ease, enabling you to communicate in Estonian with confidence.

Simple, science-based tools to stop procrastination Even with overflowing inboxes, thousands of unread notifications, and unmet deadlines, most people still can't manage to take control of their time and stop procrastinating. The End of Procrastination tackles this ubiquitous issue head on, helping you stop putting off work and reclaim your time. Author Petr Ludwig shows that ending procrastination is more than a wise time management strategy—it's essential to developing a sense of purpose and leading a happier more fulfilled life. The keys to overcoming procrastination are simple. With eight clear, approachable tools—from quick daily worksheets to shift your perspective to to-do lists that actually help you get things done—The End of Procrastination provides everything you need to change the way you manage your time and live your life. Based on the latest research, The End of Procrastination synthesizes over one hundred scientific studies to create a program that is based on the way our brains actually work. By understanding exactly why procrastination happens and how our brains respond to motivation and self-discipline, the book provides readers with the knowledge to conquer procrastination on an everyday basis.

This second edition of *Finnish: An Essential Grammar* has undergone profound revisions. The chapter on basic sentence structure has been rewritten and syntax has been given more space. Sections have been added on phrase types, simple clause types, and types of complex sentences. A section on discourse particles has been added. The vocabulary of the copious example sentences has been updated to give it a touch of the twenty-first century. The section on modern colloquial Finnish has been considerably expanded. Internet addresses helpful for any learner of Finnish are provided which make it possible to automatically analyse the grammatical structure of any Finnish words and sentences. It gives not only a systematic account of the structures of the written language, but also features the characteristics of colloquial Finnish. No prior knowledge is assumed on the part of the reader and grammatical rules are clearly explained without jargon. Features include: pronunciation guide, including the tendencies in present-day colloquial Finnish thorough descriptions of morphology (word structure) and syntax (sentence structure) clear rules and an abundance of concrete examples inflection tables subject index internet addresses to online software for grammatical analysis of Finnish. This is the ideal reference source both for those studying Finnish independently and for students in schools, colleges, universities and adult classes of all types.

A curated Estonian word frequency list Are you looking for unconventional ways to speed up the process of learning Estonian? Then this book is exactly what you are looking for. Following the Pareto principle (80/20 rule), this book is built to streamline the learning process by concentrating on the core words and sentence structures that make up everyday conversations. The result is a unique vocabulary book with 2000 of the most important Estonian words and phrases ordered by their frequency of use. Who this Estonian learning book is for: This book is for beginners and intermediate learners of Estonian who are self-motivated and willing to spend 15 to 20 minutes a day on learning vocabularies. The simple structure of this

vocabulary book is the result of taking all unnecessary things out allowing the learning effort to solely be spent on the parts that help you make the biggest progress in the shortest amount of time. If you are willing to put in 20 minutes of learning every day, this book is very likely the single best investment you can make if you are at a beginner or intermediate level. You will be amazed at the speed of progress within a matter of just weeks of daily practice. Who this Estonian frequency list is not for: This book is not for you if you are an advanced learner of Estonian. In this case, please go to our website or search for our Estonian vocabulary book which comes with more vocabularies and is grouped by topic which is ideal for advanced learners who want to improve their language capabilities in certain fields. Furthermore, if you are looking for an all in one Estonian learning book that guides you through the various steps of learning Estonian, this book is most likely also not what you are looking for. This book contains vocabularies only and we expect buyers to learn things like grammar and pronunciation either from other sources or through language courses. The strength of this book is its focus on quick acquisition of core vocabularies which comes at the expense of information many people might expect in a conventional language learning book. Please be aware of this when making the purchase. How to use this Estonian workbook: This book is ideally used on a daily basis, reviewing a set number of pages in each session. The book is split into sections of 50 vocabularies which allows you to step by step progress through the book. Let's for example say you are currently reviewing vocabularies 101 to 200. Once you know vocabularies 101 to 150 very well, you can start learning vocabularies 201 to 250 and on the next day skip 101-150 and continue reviewing vocabularies 151 to 250. This way, step by step, you will work your way through the book and your language skills will jump with each page you master. Some final thoughts: Like many language hacking methods, this book is quite unconventional in its approach, but for a driven person that uses it correctly it can significantly speed up the learning process. Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work quite well – and that is what counts in the end.

For many Westerners, Eastern Europe is about as appealing as a deodorant-free

French armpit. That didn't scare Francis Tapon because not only did he learn how to rough it by walking across America four times, but he is also half French, so he kind of smells too. Francis spent nearly 3 years travelling and backpacking in 25 Eastern European countries. It started with a 5-month trip in 2004. He returned in 2008 to spend 3 years exploring all the countries again. The Hidden Europe is Book Two of the WanderLearn Series.

Building a Second Brain Penguin
The #1 New York Times bestseller. Over 15 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.
