TV on Strike examines the upheaval in the entertainment industry by telling the inside story of the hundred-day writers' strike that crippled Hollywood in late 2007 and early 2008. The television industry's uneasy transition to the digital age was the driving force behind the most significant labor dispute of the twenty-first

century. The strike put a spotlight on how the advent of new-media distribution platforms is reshaping the traditional business models that have governed the television industry for decades. The uncertainty that sent writers out into the streets of Los Angeles and New York with picket signs laid bare the depth of the divide between the media barons who rule the entertainment industry and the writers who are integral as the creators of movies and television shows. With both sides afraid of losing millions in future profits, a critical communication breakdown spurred

a fierce battle with repercussions that continue today. The saga of the Writers Guild of America strike is told through the eyes of the key players on both sides of the negotiating table and of the foot soldiers who surprised even themselves with the strength of their resolve to fight for their rights in the face of an ambiguous future. In the years since the strike ended, the rise of digital distribution platforms has changed the business landscape in ways that few could have predicted when Hollywood guilds were feverishly trying to hammer out a contract template for a new

era.

The Platinum Age of Television Amulet Books

New York Times Bestseller A startlingly original debut from the actor, writer, director, and executive producer hailed as “a gifted observer of the human condition and a very funny writer capable of winning that rare thing: unselfconscious, insuppressible laughter” (The Washington Post). A boy wins a \$100,000 prize in a box of Frosted Flakes—only to discover that claiming the winnings might unravel his family. A woman sets out to seduce motivational speaker Tony Robbins—turning for help to the famed motivator himself. A new arrival in Heaven, overwhelmed with options, procrastinates over a long-ago promise to visit his grandmother. We meet Sophia, the first artificially intelligent being capable of love, who falls for a man who might not be ready for it himself; a vengeance-minded hare, obsessed with scoring a rematch against the tortoise who ruined his life; and post-college friends who try to figure out how to host an intervention in the era of Facebook. Along the way, we learn why wearing a red T-

shirt every day is the key to finding love, how February got its name, and why the stock market is sometimes just . . . down. Finding inspiration in questions from the nature of perfection to the icing on carrot cake, *One More Thing* has at its heart the most human of phenomena: love, fear, hope, ambition, and the inner stirring for the one elusive element just that might make a person complete. Across a dazzling range of subjects, themes, tones, and narrative voices, the many pieces in this collection are like nothing else, but they have one thing in common: they share the playful humor, deep heart, sharp eye, inquisitive mind, and altogether electrifying spirit of a writer with a fierce devotion to the entertainment of the reader.

The Hill to Die on Simon and Schuster
A hilarious, unofficial cookbook featuring rustic, beet-heavy recipes that Mental Floss calls, “the perfect treat for any mega fans of *The Office*.” **2021 Foreword INDIES Award Finalist for Humor** Ask Yourself, “What Wouldn’t an Idiot Make for Dinner?” The answer is exactly what you will find in this cookbook. With *Beet This*, you can make your next meal in true

Schrute-Farms style with recipes that are equal parts rustic and merciless. Straight from Honesdale (the Keystone State’s culinary mecca) this cookbook is packed with old and hearty, Pennsylvania-inspired recipes that would earn Dwight’s perfectenschlag stamp of approval, including: Beet Biscuits with Rabbit Gravy (a breakfast classic) Beet and Cabbage Salad Beet Fries Russian Beet Soup Whole Roasted Beets Spicy Fried Rattlesnake with Pickled Beets Moist Chocolate-Beet Cake For a B&B nightcap, Home-Distilled Beet Vodka and so much more . . . Sharpen your Santoku, load your spud gun, and prepare to be transported to a magical, beet-filled corner of Northeast Pennsylvania. Or don’t. And die of hunger. Idiot. “For Dwight Schrute fans, this latest addition to the show’s culinary library will be hard to beet.” —Robert Peterpaul, Screen Rant “If you don’t consider yourself an idiot, you can’t ‘beet this’ cookbook.” —Jason Fraley, WTOP News
The Negro Motorist Green Book Crown Publishing Group (NY)
Television today is better than ever. From *The Sopranos* to *Breaking Bad*, *Sex and the City* to *Girls*, and *Modern Family* to

Louie, never has so much quality programming dominated our screens. Exploring how we got here, acclaimed TV critic David Bianculli traces the evolution of the classic TV genres, among them the sitcom, the crime show, the miniseries, the soap opera, the Western, the animated series, the medical drama, and the variety show. In each genre he selects five key examples of the form to illustrate its continuities and its dramatic departures. Drawing on exclusive and in-depth interviews with many of the most famed auteurs in television history, Bianculli shows how the medium has evolved into the premier form of visual narrative art. Includes interviews with: MEL BROOKS, MATT GROENING, DAVID CHASE, KEVIN SPACEY, AMY SCHUMER, VINCE GILLIGAN, AARON SORKIN, MATTHEW WEINER, JUDD APATOW, LOUIS C.K., DAVID MILCH, DAVID E. KELLEY, JAMES L. BROOKS, LARRY DAVID, KEN BURNS, LARRY WILMORE, AND MANY, MANY MORE

The Displaced Person Bloomsbury Publishing USA

Uncle John channel-surfs through America's favorite pastime: television. What does Homer Simpson call

"friend...mother...secret lover?" Television, you meathead! Here comes your wacky neighbor Uncle John to present TV the way only he can. Read about... * Gilligan's seven deadly sins * The inside story of TV's first commercial * What goes on behind the scenes of Jeopardy! * The most incredibly bizarre shows from around the world * Why Gene Roddenberry tried to beam the original Star Trek cast into space * What reality show producers don't want you to know * How the King of Late Night crushed his competition * What really went down on the island of LOST * Unexpected sitcom fatalities * TV's greatest chimps And much, much more!

American Remakes of British Television Simon and Schuster

Barber Sweeney Todd returns to London seeking revenge for the loss of his wife and daughter by killing customers and dropping to the shop downstairs to be made into meat pies by Mrs. Lovett.

Includes sketches and photographs from several productions.

Welcome to Dunder Mifflin Anchor

It's the story Hollywood has glamorized, publicized, and bombarded us with--how it all began for the two young men, now famous for the tabloid coverage of their on-again-off-again romances, their big budget smashes and flops, and their "Project Greenlight." It started with a script for the film that became Good Will Hunting, slaved over by the bright young dreamers (portrayed in this play's premier by the female playwrights) in their run-down apartment in Somerville, Massachusetts, in 1996. Or was it This hilarious, scathing play takes us back to the pivotal moment when the finished script that would change their lives...fell from the ceiling while they were working on something else. The laughs come at a manic pace, in this delightfully venomous play that has taken off-Broadway by storm.

Return of the Office Little, Brown Books for Young Readers

INSTANT #1 NEW YORK TIMES BESTSELLER An intimate, behind-the-scenes, richly illustrated celebration of beloved The Office co-stars Jenna Fischer

and Angela Kinsey's friendship, and an insiders' view of Pam Beesly, Angela Martin, and the iconic TV show. Featuring many of their never-before-seen photos. Receptionist Pam Beesly and accountant Angela Martin had very little in common when they toiled together at Scranton's Dunder Mifflin Paper Company. But, in reality, the two bonded in their very first days on set and, over the nine seasons of the series' run, built a friendship that transcended the show and continues to this day. Sharing everything from what it was like in the early days as the show struggled to gain traction, to walking their first red carpet—plus exclusive stories on the making of milestone episodes and how their lives changed when they became moms—The Office BFFs is full of the same warm and friendly tone Jenna and Angela have brought to their Office Ladies podcast.

TV on Strike HarperCollins

Fans of the popular NBC television series The Office will be delighted by these adorable crochet characters. Included in the kit are all the materials needed to make two projects—Jim Halpert and Pam Beesly. The gang from Dunder Mifflin is

reunited in this kit that includes step-by-step instructions to crochet 12 characters from the NBC comedy series The Office. Inside, you'll also find all the materials needed for two projects: Jim Halpert and Pam Beesly. Whether you're an experienced crocheter or a beginner, the clear instructions and accompanying photos make the process of creating adorable amigurimi characters a breeze. Additional project instructions show you how to crochet Michael, Dwight, Angela, Stanley, Kevin, Oscar, Meredith, Kelly, Pam's Teapot, and the Dundie Award!

TV (The Book) Citadel

Jenna Fischer's Hollywood journey began at the age of 22 when she moved to Los Angeles from her hometown of St. Louis. With a theater degree in hand, she was determined, she was confident, she was ready to work hard. So, what could go wrong? Uh, basically everything. The path to being a professional actor was so much more vast and competitive than she'd imagined. It would be eight long years before she landed her iconic role on *The Office*, nearly a decade of frustration, struggle, rejection and doubt. If only she'd had a handbook for the aspiring actor. Or, better yet, someone to show her the way—an established actor who could educate her about the business, manage her expectations, and reassure her in those moments of despair. Jenna wants to be that person for you. With amusing candor and wit, Fischer spells out the nuts and bolts of getting established in the profession, based on her own memorable and hilarious experiences. She tells you how to get the right headshot, what to

look for in representation, and the importance of joining forces with other like-minded artists and creating your own work—invaluable advice personally acquired from her many years of struggle. She provides helpful hints on how to be gutsy and take risks, the tricks to good auditioning and callbacks, and how not to fall for certain scams (auditions in a guy's apartment are probably not legit—or at least not for the kind of part you're looking for!). Her inspiring, helpful guidance feels like a trusted friend who's made the journey, and has now returned to walk beside you, pointing out the pitfalls as you blaze your own path towards the life of a professional actor.

The Office BFFs Applause Theatre & Cinema

Packed with compelling facts and trivia from all nine seasons, *The Office Book of Lists* breaks down the memorable series in a collection of 100+ easy-to-digest lists focusing on themes and characters in an irresistible package. [The Office](#) Grand Central Publishing
The Negro Motorist Green Book was a groundbreaking guide that provided African American travelers with crucial information on safe places to stay, eat, and visit during the era of segregation in the United States. This essential resource, originally published from 1936 to 1966,

offered a lifeline to black motorists navigating a deeply divided nation, helping them avoid the dangers and indignities of racism on the road. More than just a travel guide, *The Negro Motorist Green Book* stands as a powerful symbol of resilience and resistance in the face of oppression, offering a poignant glimpse into the challenges and triumphs of the African American experience in the 20th century.

The Office Kit Syracuse University Press
The instant #1 New York Times bestseller! Discover "The Office reboot fans never knew they needed" with this kid-friendly adaptation of everyone's favorite workplace comedy (Entertainment Weekly). Michael Scott is Line Leader at Dunder Mifflin Elementary! It's a very big job, but Michael is sure he can live up to the "World's Best Line Leader" title printed on his water bottle. There's just one problem--Michael doesn't know how to lead the line. Filled with colorful, detailed illustrations and brimming with Easter eggs and nods to iconic moments from the show, this hilarious reimagining features a pint-sized cast. will teach them that everyone needs to ask for help sometimes. Even Line Leaders. The Office is a trademark and copyright of Universal Content Productions LLC. Licensed by Universal Studios 2020. All Rights Reserved.

Interim Report by the Office of Network Study Penguin

After the end of the Second World War, Mrs. McIntyre, a farm owner, decides to hire a man displaced by the war as a farm hand, but jealousy from her other workers and racial issues soon complicate the arrangement. Written by Flannery O'Connor while visiting her mother's farm, "The Displaced Person" has ties to the author's own experiences of the O'Connor family's hiring of a displaced person on their farm after the end of the war. "The Displaced Person" was originally published in O'Connor's 1955 anthology, *A Good Man Is Hard to Find*. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

I Hope They Serve Beer In Hell

HarperCollins

At a convention for the cult science fiction show *Beyond Earth*, Adrian Monk meets fans as obsessive-compulsive as he is. Though he's not preoccupied with the program, Monk can understand the phenomenon. Who wouldn't want to live in an imaginary world? But there may be a killer in the *Beyond Earth* community: Someone in a starship uniform has gunned down the show's legendary creator. Could a fan be that furious at him for selling out to Hollywood? Or is more going on behind the scenes? Luckily, Monk's agoraphobic brother, Ambrose, is an expert on the TV series, and together they'll search the earth and beyond for the murderer. That is, if Ambrose can bring himself to leave the house. A new story starring Adrian Monk by Edgar® Award-nominated screenwriter Lee Goldberg. It's compulsive, page-turning fun. "Even if you aren't familiar with the TV series *Monk*, this book is too funny to not be read."—*The Weekly Journal*
Focus On: 100 Most Popular Television Series by Universal Television Running Press Adult

[The Ultimate Guide to Throwing a Garden Party](#) e-artnow sro

Ever since Norman Lear remade the BBC series Till Death Us Do Part into All in the Family, American remakes of British television shows have become part of the American cultural fabric. Indeed, some of the programs currently said to exemplify American tastes and attitudes, from reality programs like American Idol and What Not to Wear to the mock-documentary approach of The Office, are adaptations of successful British shows. Carlen Lavigne and Heather Marcovitch's American Remakes of British Television: Transformations and Mistranslations is a multidisciplinary collection of essays that focuses on questions raised when a foreign show is adapted for the American market. What does it mean to remake a television program? What does the

process of 'Americanization' entail? What might the success or failure of a remade series tell us about the differences between American and British producers and audiences? This volume examines British-to-American television remakes from 1971 to the present. The American remakes in this volume do not share a common genre, format, or even level of critical or popular acclaim. What these programs do have in common, however, is the sense that something in the original has been significantly changed in order to make the program appealing or accessible to American audiences. The contributors display a multitude of perspectives in their essays. British-to-American television remakes as a whole are explained in terms of the market forces and international trade that make these productions financially desirable. Sanford and Son is examined in terms of race and class issues. Essays on Life on Mars and Doctor Who stress television's role in shaping collective cultural memories. An essay on Queer as Folk explores the romance genre and also talks about differences in national sexual politics. An examination of The Office discusses how the American remake

actually endorses the bureaucracy that the British original satirizes; alternatively, another approach breaks down The Office's bumbling boss figures in terms of contemporary psychological theory. An essay on What Not to Wear discusses how a reality show about everyday fashion

conceals the construction of an ideal national subject; a second essay explains the show in terms of each country's discourses surrounding femininity. The success of American Idol is explained by analyzing the role of amateur music in American culture. The issue of translation itself is interrogated by examining specific

episodes of Cracker, and also by asking why a successful series in the U.K., Blackpool, was a dismal failure as an American remake. This collection provides a rich and multifaceted overview of approaches to international television studies.
