1.Agricultural Extension Multiple Choice

QuestionThe objectives of extension can
be expressions of the end towards which
our efforts are directed. Even if the
fundamental objective of extension is
the development of the people, the
specific objectives that have been
developed over time in the history of
extension can be categorized as follows:
1. The dissemination of useful
knowledge and information relating to
agriculture, including the use of
improved technologies and improved
cultural practices in a variety of farming
practices.2.3 Objectives and Principles of
