The poet Langston Hughes was a tireless world traveler and a prolific translator, editor, and marketer. Translations of his own writings traveled even more widely than he did, earning him adulation throughout Europe, Asia, and especially the Americas. In *The Worlds of Langston Hughes*, Vera Kutzinski contends that, for

writers who are part of the African diaspora, translation is more than just a literary practice: it is a fact of life and a way of thinking. Focusing on Hughes's autobiographies, translations of his poetry, his own translations, and the political lyrics that brought him to the attention of the infamous McCarthy Committee, she shows that translating and being translated—and often mistranslated—are as vital to Hughes's own poetics as they are to understanding the historical network of cultural relations known as literary modernism. As Kutzinski maps the

trajectory of Hughes's writings across Europe and the Americas, we see the remarkable extent to which the translations of his poetry were in conversation with the work of other modernist writers. Kutzinski spotlights cities whose role as meeting places for modernists from all over the world has yet to be fully explored: Madrid, Havana, Buenos Aires, Mexico City, and of course Harlem. The result is a fresh look at Hughes, not as a solitary author who wrote in a single language, but as an international figure at the heart of a global

intellectual and artistic formation.

The most comprehensive guide on the market to the key authors and works of the African American literary movement.

Langston's Salvation Vintage

A celebration of mermaids, wildernesses of waves, and the creatures of the deep through poems by Langston Hughes and cut-paper collage illustrations by multiple Coretta Scott King Award-winner Ashley Bryan. The great African-American poet Langston Hughes penned poem after poem about the majesty of the sea, and the great African-American artist Ashley Bryan, who's spent more than half his life on a small island, is as drawn to the sea as much as he draws the sea. Their talents combine in this windswept collection of illustrated poems—from "The Negro Speaks of Rivers" to "Seascape," from "Sea Calm" to "Sea Charm"—that celebrates all things oceanic.

Modernism and Translation in the Americas New York : Atheneum

Langston Hughes's *Not Without Laughter* (1930) is drawn in part from the author's own recollections of youth and early manhood. This stirring coming-of-age tale unfolds in 1930s rural Kansas. A poignant portrait of African-American family life in the early twentieth century, it follows the story of young Sandy Rogers as he grows from a boy to a man. We meet Sandy's mother, Annjee, who works as a housekeeper for a wealthy white family; his strong-willed grandmother, Hager; Jimboy, Sandy's father, who travels the country looking for work; Aunt Tempy, the social climber; and Aunt Harriet, the blues singer who has turned away from her faith. A fascinating chronicle of a family's joys and hardships, 'Not Without Laughter' is a vivid exploration of growing up and growing strong in a racially divided society. A rich and important work, it masterfully echoes the black American experience.

Dancing Many Drums McClelland & Stewart

Langston Hughes, one of America's greatest writers, was an innovator of jazz poetry and a leader of the Harlem Renaissance whose poems and plays

resonate widely today. Accessible, personal, and inspirational, Hughes's poems portray the African American community in struggle in the context of a turbulent modern United States and a rising black freedom movement. This indispensable volume of letters between Hughes and four leftist confidants sheds vivid light on his life and politics. Letters from Langston begins in 1930 and ends shortly before his death in 1967, providing a window into a unique, self-created world where Hughes lived at ease. This distinctive volume collects the stories of Hughes and his friends in an era of uncertainty and reveals their visions of an idealized world—one without hunger, war, racism, and class oppression.

The Collected Works of Langston Hughes: The novels: Not without laughter and Tambourines to glory University of Illinois Press

"A love letter to our people—full of fury and passion." — José Olivarez, award-winning poet and author of *Citizen Illegal*
"If you could take Rodolfo Gonzales epic poem 'I Am Joaquin' and explain it through compelling, personal narrative in twenty-first century America, You Sound Like A

White Girl would be it.” — Joaquin Castro
 Bestselling author Julissa Arce brings readers a powerful polemic against the myth that assimilation leads to happiness and belonging for immigrants in America. Instead, she calls for a celebration of our uniqueness, our origins, our heritage, and the beauty of the differences that make us Americans. “You sound like a white girl.” These were the words spoken to Julissa by a high school crush as she struggled to find her place in America. As a brown immigrant from Mexico, assimilation had been demanded of her since the moment she set foot in San Antonio, Texas, in 1994. She’d spent so much time getting rid of her accent so no one could tell English was her second language that in that moment she felt those words—you sound like a white girl?—were a compliment. As a child, she didn’t yet understand that assimilating to “American” culture really meant imitating “white” America—that sounding like a white girl was a racist idea meant to tame her, change her, and make her small. She ran the race, completing each stage, but never quite fit in, until she stopped running altogether. In this dual polemic

and manifesto, Julissa dives into and tears apart the lie that assimilation leads to belonging. She combs through history and her own story to break down this myth, arguing that assimilation is a moving finish line designed to keep Black and brown Americans and immigrants chasing racist American ideals. She talks about the Lie of Success, the Lie of Legality, the Lie of Whiteness, and the Lie of English—each promising that if you obtain these things, you will reach acceptance and won’t be an outsider anymore. Julissa deftly argues that these demands leave her and those like her in a purgatory—neither able to secure the power and belonging within whiteness nor find it in the community and cultures whiteness demands immigrants and people of color leave behind. In *You Sound Like a White Girl*, Julissa offers a bold new promise: Belonging only comes through celebrating yourself, your history, your culture, and everything that makes you uniquely you. Only in turning away from the white gaze can we truly make America beautiful. An America where difference is celebrated, heritage is shared and embraced, and belonging is for everyone. Through unearthing veiled

history and reclaiming her own identity, Julissa shows us how to do this.

"The Big Sea" by Langston Hughes. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

A Biography Vintage

The Short Stories of Langston Hughes This collection of forty-seven stories written between 1919 and 1963--the most comprehensive available--showcases Langston Hughes's literary blossoming and the development of his personal and artistic concerns. Many of the stories assembled here have long been out of print, and others never before collected. These poignant, witty, angry, and deeply

poetic stories demonstrate Hughes's uncanny gift for elucidating the most vexing questions of American race relations and human nature in general. *The Big Sea. Autobiography* Hill and Wang Langston Hughes is widely remembered as a celebrated star of the Harlem Renaissance -- a writer whose bluesy, lyrical poems and novels still have broad appeal. What's less well known about Hughes is that for much of his life he maintained a friendship with Carl Van Vechten, a flamboyant white critic, writer, and photographer whose ardent support of black artists was peerless. Despite their differences — Van Vechten was forty-four to Hughes twenty-two when they met—Hughes' and Van Vechten's shared interest in black culture lead to a deeply-felt, if unconventional friendship that would span some forty years. Between them they knew everyone — from Zora Neale Hurston to Richard Wright, and their letters, lovingly and expertly collected here for the first time, are filled with gossip about the antics of the great and the forgotten, as well as with talk that ranged from race relations to blues lyrics to the nightspots of Harlem, which they

both loved to prowl. It's a correspondence that, as Emily Bernard notes in her introduction, provides "an unusual record of entertainment, politics, and culture as seen through the eyes of two fascinating and irreverent men.

The Panther and the Lash University of Missouri Press

Arranged chronologically, a comprehensive collection of the verse of Langston Hughes contains 860 poems, including three hundred that have never appeared in book form and commentary by Hughes's biographer.

The sixteen volumes are published with the goal that Hughes pursued throughout his lifetime: making his books available to the people. Each volume will include a biographical and literary chronology by Arnold Rampersad, as well as an introduction by a Hughes scholar. Lume introductions will provide contextual and historical information on the particular work.

The Short Stories of Langston Hughes

Cornell University Press

Few will dispute the profound influence that African American music and movement has had in American and world culture. *Dancing Many Drums* explores that influence through a groundbreaking collection of essays on African American dance history, theory, and practice. In so doing, it reevaluates "black" and "African American" as both racial and dance categories. Abundantly illustrated, the volume includes images of a wide variety of dance forms and performers, from ring shouts, vaudeville, and social dances to professional dance companies and Hollywood movie dancing. Bringing together issues of race, gender, politics, history, and dance, *Dancing Many Drums* ranges widely, including discussions of dance instruction songs, the blues aesthetic, and Katherine Dunham's controversial ballet about lynching, *Southland*. In addition, there are two photo essays: the first on African dance in New York by noted dance photographer Mansa Mussa, and another on the 1934 "African opera," *Kykunkor*, or the *Witch Woman*.

An Autobiography Univ of Wisconsin Press

Jesse B. Simple, Simple to his fans, made weekly appearances beginning in 1943 in Langston Hughes' column in the *Chicago Defender*. Simple may have shared his readers feelings of loss and dispossession, but he also cheered them on with his wonderful wit and passion for life.

Langston Hughes and the Chicago Defender The Big Sea An Autobiography A study of the life, work, and influence of Ralph Ellison details his poverty-stricken Oklahoma youth, his education and involvement in New York's liberal intellectual circles, his personal relationships, and the influence of racism on his life.

Letters from Langston Hill and Wang "Dream Variation," one of Langston Hughes's most celebrated poems, about the dream of a world free of discrimination and racial prejudice, is now a picture book stunningly illustrated by Daniel Miyares, the acclaimed creator of *Float*. To fling my arms wide In some place of the sun, To whirl and to dance Till the white day is done.... Langston Hughes's inspiring and timeless message of pride, joy, and the dream of a better life is brilliantly and beautifully interpreted in Daniel Miyares's

gorgeous artwork. Follow one African-American boy through the course of his day as the harsh reality of segregation and racial prejudice comes into vivid focus. But the boy dreams of a different life—one full of freedom, hope, and wild possibility, where he can fling his arms wide in the face of the sun. Hughes's powerful vision, brought joyously to life by Daniel Miyares, is as relevant—and necessary—today as when it was first written.

Mule Bone Univ of California Press A biography of the Harlem poet whose works gave voice to the joy and pain of the black experience in America.

Vintage Introduction by Arnold Rampersad. Langston Hughes, born in 1902, came of age early in the 1920s. In *The Big Sea* he recounts those memorable years in the two great playgrounds of the decade-- Harlem and Paris. In Paris he was a cook and waiter in nightclubs. He knew the musicians and dancers, the drunks and dope fiends. In Harlem he was a rising young poet--at the center of the "Harlem Renaissance." Arnold Rampersad writes in his incisive new introduction to *The Big Sea*, an American classic: "This is

American writing at its best--simpler than Hemingway; as simple and direct as that of another Missouri-born writer...Mark Twain."

The Life of Langston Hughes: Volume I: 1902-1941, I, Too, Sing America

Turtleback Books

A Vintage Shorts "Short Story Month"

Selection Colonel Norwood is the despotic owner of Big House Plantation, where he lives alone but for the occasional company of his black mistress, Coralee Lewis. But this summer, a new breeze is blowing in with the warm Georgia wind—his son is coming home. From the publication of his first book in 1926, Langston Hughes was hailed as the poet laureate of black America. In "Father and Son," Hughes reveals himself to be a writer of prose just as lasting as his poetry, and one of the true icons of modern American letters. The staggering final story in the collection *The Ways of White Folks*. An eBook short.
