*Can You See Them Too?* iUniverse

From bestselling author Susan Verde comes a new series exploring the five senses through a mindfulness perspective, highlighting how they allow us to appreciate the world around us. When I am busy— moving through my day, watching where I go— looking shows me what is right in front of my eyes. But when I slow down— find stillness, and notice with patience and

curiosity— I can see. Seeing shows me more . . . Gracefully written by Susan Verde, bestselling author of the I Am books, and winsomely illustrated by Juliana Perdomo, the Sensing Your World series teaches little ones to experience the world around them more deeply, using the five senses to find joy, connection, and beauty in the small, everyday moments. *Can You See It?* encourages us to look closer to see deeper: not just with our eyes, but with our whole hearts.

*Can You See What I See?* Balboa Press

People think that because Tally's autistic, she doesn't realise what they're thinking, but Tally sees and hears - and notices - all of it. Endearing, insightful and warmly uplifting, this is a story of autism, empathy and kindness that will touch readers of all ages.

***Can You See Her?*** Pan Macmillan

From Trisha Sakhlecha, *Can You See Me Now?* is a gripping psychological suspense thriller about a young Indian woman, now a government minister, whose past secrets are about to reverberate into the present and shatter her life. Perfect for fans of Lisa Jewell and Erin Kelly. 'Deceptively clever' - Sunday Times 'Stunningly original . . . The ending will astound you'- Lesley Kara, author of *The Rumour* Fifteen years ago, three sixteen-year-old girls meet at Wescott, an exclusive private school in India. Two, Sabah and Noor, are the most popular girls in their year. One, Alia, is a new arrival from England, who feels her happiness depends on their acceptance. Before she knows it, Sabah and Noor's intoxicating world of privilege and intimacy opens up to Alia and, for the first time, after years of neglect from her parents, she feels she is exactly where, and with whom, she belongs. But with intimacy comes jealousy, and with privilege, resentment, and Alia finds that it only takes one night for her bright new world to shatter around her. Now Alia, a cabinet minister in the Indian government, is about to find her secrets have no intention of staying buried . . .

In this sequel to *Can You See Me?*, Libby Scott and Rebecca Westcott return with another heartwarming and eye-opening story of friendship and middle school, inspired by Libby's own experiences of autism. Everyone else in Tally's grade seems excited for their class trip... And she knows she is supposed to be too. Ever since her classmates found out she is autistic, Tally has felt more comfortable being herself. But the end-of-year trip will be an entire week -- her longest overnight trip ever. How will she

sleep? What about all the bugs? What will her dog, Rupert, do without her at home? Though she decides she doesn't want to miss out, bad news strikes as soon as she arrives: She isn't bunking with her friend Aleksandra. Instead, she is rooming with her former friends and two girls from a neighboring school -- who both reject Tally on day one. Tally isn't sure she'll ever make new friends. And how will she survive for so long away from home? Told through a mix of prose and diary entries, this authentic and relatable novel is about finding your people, and learning what it takes to be a true friend.

Can You See It? AuthorHouse

Every child is different. Some are loud, they love talking and showing off. Others are quiet and like to be on their own. Some have differences that you can see, while others have differences that may not be so obvious. We are all unique. We all have our own lives, our own dreams, and our own talents. Let's see what we can do. In this gently-told but immensely informative new picture book Jon Roberts tells the stories of a number of children with a variety of differences inspired by the real-life experiences of his daughter, Kya who is on the autistic spectrum, and some of her friends. A variety of conditions, including autism, dyslexia, dyspraxia, dyscalculia, ADHD, Down's Syndrome, cystic fibrosis, muscular dystrophy, cerebral palsy, spina bifida, epilepsy and asthma are introduced for young readers, discussing how the challenges of each affect children both in a school setting and outside and how they engage in activities they love.

*The First 20 Hours* Seven Stories Press

Mankind always waits until they have nothing else they can do to give time to their surroundings. The life of man has and seems to always be the fault of someone else. From the beginning, he has not given consideration to anything but himself until the fall and this is where God comes in. He had dominion and could not see that he had the power and rule over every little creature, even

over the serpent. It is not until he is crossed over by his own mistakes will he identify that God is in charge. God has given us rule, and we blame everyone else for not accomplishing the task given to us by him. If its not the wife, its the children, the job, the lack of money, or the lack of opportunity just to name a few things. When are we going to admit it? We are the problem. We serve a merciful God, and he cares for us more than we can describe or imagine.
