SHYANN RAMOS

Essential Teachings, Meditations, and Exercises from the Power of Now SteinerBooks

HYLAS. It is indeed something unusual; but my thoughts were so taken up with a subject I was discoursing of last night, that finding I could not sleep, I resolved to rise and take a turn in the garden. PHIL. It happened well, to let you see what innocent and agreeable pleasures you lose every morning. Can there be a pleasanter time of the day, or a more delightful season of the year? That purple sky, those wild but sweet notes of birds, the fragrant bloom upon the trees and flowers, the gentle influence of the rising sun, these and a thousand nameless beauties of nature inspire the soul with secret transports; its faculties too being at this time fresh and lively, are fit for those meditations, which the solitude of a garden and tranquillity of the morning naturally dispose us to. But I am afraid I interrupt your thoughts: for you seemed very intent on something. HYL. It is true, I was, and shall be obliged to you if you will permit me to go on in the same vein; not that I would by any means deprive myself of your company, for my thoughts always flow more easily in conversation with a friend, than when I am alone: but my request is, that you would suffer me to impart my reflexions to you. PHIL. With all my heart, it is what I should have requested myself if you had not prevented me. HYL. I was considering the odd fate of those men who have in all ages, through an affectation of being distinguished from the vulgar, or some unaccountable turn of thought, pretended either to believe nothing at all, or to believe the most extravagant things in the world. This however might be borne, if their paradoxes and scepticism did not draw after them some consequences of general disadvantage to mankind. But the mischief lieth here; that when men of less leisure see them who are supposed to have spent their whole time in the pursuits of knowledge professing an entire ignorance of all things, or advancing such notions as are repugnant to plain and commonly received principles, they will be tempted to entertain suspicions concerning the most important truths, which they had hitherto held sacred and unquestionable. PHIL. I entirely agree with you, as to the ill tendency of the affected doubts of some philosophers, and fantastical conceits of others. I am even so far gone of late in this way of thinking, that I have quitted several of the sublime notions I had got in their schools for vulgar opinions. And I give it you on my word; since this revolt from metaphysical notions to the plain dictates of nature and common sense, I find my understanding strangely enlightened, so that I can now easily comprehend a great many things which before were all mystery and riddle.

Letting Go Ringing Cedars Press LLC

Serena Walsh is the beautiful and unwilling plaything of the fanatical Mormon, Elder Greer. Dragging her across the desolate prairie as he seeks a place for settlement, he does not count on her spirit and resilience. Serena manages to escape the Mormon wagon train and the clutches of Elder Greer, but she must find a way to survive in the harsh lands of the American frontier. Now the handsome and cynical Ward Dunbar, who freely admits he will take her as his mistress and prisoner, is caring for her. Serena is frightened of the man, and of his beautiful partner Pearlie, who despises her as a man-stealer. But she has no resources and no choice but to remain with him. Then, aristocratic millionaire Nathan Benedict approaches her, offering to pay any price for her love. What neither man suspects is that the insane Elder Greer is still pursuing her and will do anything to recapture her.

A Romance of the Unromantic Simon and Schuster

This book provides a systematic assessment of the performance of electric and hybrid buses in urban areas on a daily basis and presents a complete set of technical scenarios to promote their efficient exploitation. It will also help readers understand how future buses will perform on specific roads and how the latest technologies can be integrated into existing fleets by proposing a methodology for evaluating the energy consumption for general and specific routes and scenarios. Covering all aspects relating to the daily use of electric and hybrid buses, including maintenance strategies, power train configuration, battery replacements, route evaluation, and charging speed, emphasis is placed on energy efficiency and effective implementation. Addressing key developments in intelligent vehicle technologies, the book presents innovative transportation technologies and a broad range of topics in transportation-related sustainability research, from vehicle systems and design, to mass transit systems.

You Are the Placebo Meditation 1 -- Revised Edition Harlequin

Our health as a nation is declining. In addition, it is becoming increasingly clear that allopathic medicine has come to a plateau in its efforts to stem the tide of degenerative disease. As a result, mind-body medicine is a very big topic for the new millennium. *You the Healer* offers a guide that can help you and your loved ones to live a healthy, disease-free life. Based on the most successful mind development program in the world today, *You the Healer* offers a complete course in Silva Method healing techniques in a do-it-yourself, forty-day format. By reading one chapter a day and doing the indicated exercises, you can be firmly on the path to wellness in just six weeks.

The Energy of Life Central European University Press

The Hidden History of the Human Race Feral House

Learn Edgar Cayce's clear and profound distinction between your soul and your spirit. Spirit is the Life Force within you; soul is your developing True Self. Learn why the difference matters!

Crossed ARE Press

When her brother challenges New Orleans's most infamous swordsman to a duel, Celina Vallier boldly confronts his opponent, Rio de Silva, determined to thwart what would be her brother's certain death. The legendary maître d'armes agrees...for a price—Celina's innocence. Though Rio is captivated by Celina's beauty and courage, she is also the perfect pawn for his revenge. She is to be betrothed to his sworn enemy, the Count de Lérida. And what sweet vengeance it would be to take the bride before the wedding. But neither anticipates the tangled web of scandal and danger that will soon follow. Devious plots are afoot, and Celina is wary of trusting anyone, including the man whose brazen sensuality tempts her to think of nothing but her own desires....

The Hidden Messages in Water Random House Canada

"Born of a terrible insomnia which E. M. Cioran called "a dizzying lucidity which would turn even paradise into hell," this book presents the youthful Cioran, a self-described "Nietzsche still complete with his Zarathustra, his poses, his mystical clown's tricks, a whole circus of the heights." On the Heights of Despair shows Cioran's first grappling with themes he would return to in his mature works: despair and decay, absurdity and alienation, futility and the irrationality of existence. It also presents Cioran as a connoisseur of apocalypse, a theoretician of despair, for whom writing and philosophy both share the "lyrical virtues" that alone lead to metaphysical revelations. An exorcism of despair, this book offers insights into the ironic anguish of Cioran's philosophic mind while providing fascinating information on his early development as a writer and thinker."

Destiny, Freedom, and the Soul Doubleday Books

What's the worst thing that could happen to a blushing bride? To somebody warm, loving, and fun - like Zoe Moore? When she finds herself jilted at the altar by her fiancé Jason, Zoe knows she doesn't deserve this heartache and humiliation. Unable to face the pitying faces of her friends and family, Zoe takes drastic action: she flees to America. Specifically, to Boston, where she takes up a post as nanny to five-year-old Ruby Miller and her little brother Samuel. Ruby and Samuel have lost their mother in an accident. They may as well have lost their father, too, for Ryan

Miller is so wrapped-up in his grief that he barely notices his two attention-starved children. As Zoe sets about tidying up Ruby and Sam's home, and injecting some fun back into their lives, she finds herself gaining their trust and love. At the same time, Zoe grows more and more frustrated with Ryan's bullying behaviour, and his shameful neglect. Whatever happened to the loving man she keeps hearing about from his neighbours? Zoe can't find any sign of him. The only thing saving Zoe from despair is the small, close-knit group of British nannies who quickly befriend her. There's boisterous Trudie, man-mad but hiding a painful secret; Sloanie traveller Amber, who sports a Buddhist tattoo that, unbeknownst to her, reads 'Batteries Not Included'. And chilly, tight-lipped Felicity, whose cut-glass voice gives little away. But will these new friends be able to save Zoe, when she discovers that the past isn't all that easy to escape, no matter how far you go?

Introducing an Extraordinary Energy Healing Modality St. Martin's Griffin

New York Times bestselling author Eckhart Tolle — A key to happiness is living in the now Practice The Power of Now: If you, like many others, have benefited from the transformative experience of reading The Power of Now, you will want to own and read Practicing the Power of Now. Eckhart Tolle: Eckhart Tolle, a spiritual teacher and author who was born in Germany and educated at the Universities of London and Cambridge, is rapidly emerging as one of the world's most inspiring spiritual teachers. His views go beyond any particular religion, doctrine, or guru. In The Power of Now and his subsequent book Practicing the Power of Now, Eckhart shares the enlightenment he himself experienced after a profound inner transformation radically changed the course of his life. Your path to enlightenment: Practicing the Power of Now extracts the essence from Eckhart's teachings in his New York Times bestseller, The Power of Now (translated into 33 languages). Practicing the Power of Now shows us how to free ourselves from "enslavement to the mind." The aim is to be able to enter into and sustain an awakened state of consciousness throughout everyday life. Through meditations and simple techniques, Eckhart shows us how to quiet our thoughts, see the world in the present moment, and find a path to "a life of grace, ease, and lightness." The next step in human evolution: Eckhart's profound yet simple teachings have already helped countless people throughout the world find inner peace and greater fulfillment in their lives. At the core of the teachings lies the transformation of consciousness, a spiritual awakening that he sees as the next step in human evolution. An essential aspect of this awakening involves transcending our ego-based state of consciousness. This is a prerequisite not only for personal happiness but also for the ending of violence on our planet. Readers of other transformational self-help books such as The Four Agreements, The Miracle Morning, Braving the Wilderness, and The Book of Joy will want to read Practicing the Power of Now. **The Science of Happiness** HarperCollins

What would it mean to discover an ancient language—a literal message—hidden within the DNA of life itself? What we once believed of our past is about to change. . . . A coded message has been found within the molecules of life, deep within the DNA in each cell of our bodies. Through a remarkable discovery linking Biblical alphabets to our genetic code, the "language of life" may now be read as the ancient letters of a timeless message. Regardless of race, religion, heritage, or lifestyle, the message is the same in each cell of every woman, child, and man, past and present. Sharing all-new, fascinating research, Gregg Braden discusses the life-changing discovery that led him from a successful career in the aerospace and defense industries to an extensive 12-year study of the most sacred and honored traditions of humankind.

The Secret Hawaiian System for Wealth, Health, Peace, and More Simon and Schuster

The international bestseller – an enthralling exploration of the how and why behind the science of happiness. We all know what it feels like to be happy, but what mechanisms inside our brains trigger such a positive emotion? What does it really mean to be happy, and why can't we feel that way all of the time?

Psychologists and neuroscientists have been studying negative emotions for decades, but until recently few have focused on the subject of happiness. Now, in The Science of Happiness, leading science journalist Stefan Klein ranges widely across the latest frontiers of neuroscience and psychology to explain how happiness is generated in our brains, what biological purpose it serves, and the conditions required to foster 'the pursuit of happiness'. A remarkable synthesis of a growing body of research that has not been brought together before, The Science of Happiness is, ultimately, a book that helps us understand our own quest for happiness and is certain to help make you happier.

The Pathway of Surrender Penguin Books

Praise For Zero Limits "This riveting book can awaken humanity. It reveals the simple power of four phrases to transform your life. It's all based in love by an author spreading love. You should get ten copies of it—one for you and nine to give away. It's that good." ---- Debbie Ford, New York Times bestselling author of The Dark Side of the Light Chasers "I love this book! I feel it will be the definitive personal-change/self-help book for at least a generation and viewed as a watershed event by historians. There is real potential for this book to start a movement that will end war, poverty, and the environmental devastation of our beloved planet." ---- Marc Gitterle, MD, www.CardioSecret.com "This book is like a stick of dynamite, and the moment you start reading, the fuse is lit. It blows away all the complex and confusing success paradigms of the past and reveals a refreshing and clear path to transform your life with just one simple step. As you explore Zero Limits with Vitale, be prepared for a journey that is both challenging and inspiring beyond anything you've imagined." ---- Craig Perrine, www.MaverickMarketer.com "There are more than 6 billion different manifestations of human existence on the planet?and only one of us here. In Zero Limits, Vitale has captured the truth that all great spiritual, scientific, and psychological principles teach at the most fundamental level. Boil it all down to the basics and the keys are quite simple---- the answer to all life's challenges is profound love and gratitude. Read this book; it's a reminder of the truth and ability you already possess." ---- James Arthur Ray, philosopher and bestselling author of Practical Spirituality and The Science of Success "Wow! This is the best and most important book Vitale has ever written!" ---- Cindy Cashman, www.FirstSpaceWedding.com "I couldn't put it down. This book elegantly sketches what I've learned and learned about in twenty-one years of personal study, and then it takes it to the next level. If you're looking for true peace along with 'the good stuff,' then this book is for you." ---- David Garfinkel, author of Advertising Headlines That Make You Rich "Zero Limits is Vitale's adventure into the most mind-altering reading experience of your life." ---- Joseph Sugarman, President, BluBlocker Sunglasses, Inc.

A Search in Secret India New World Library

Renowned academics compare major features of imperial rule in the 19th century, reflecting a significant shift away from nationalism and toward empires in the studies of state building. The book responds to the current interest in multi-unit formations, such as the European Union and the expanded outreach of the United States. National historical narratives have systematically marginalized imperial dimensions, yet empires play an important role. This book examines the methods discerned in the creation of the Habsburg Monarchy, the Ottoman Empire, the Hohenzollern rule and Imperial Russia. It inspects the respective imperial elites in these empires, and it details the role of nations, religions and ideologies in the legitimacy of empire building, bringing the Spanish Empire into the analysis. The final part of the book focuses on modern empires, such as the German "Reich." The

essays suggest that empires were more adaptive and resilient to change than is commonly thought.

Golden Fancy Candlewick Press

The course for adults and young adults that develops language skills and sets students firmly on the road to exam success **The Development of Armoured Forces, Their Tactics and Operational Potential** eReads.com

A tale based on the early eighteenth-century scandal that inspired Alexander Pope's "The Rape of the Lock" finds a sickly and impoverished Alexander Pope gaining entry into high society and closely following a forbidden affair between the rakish Lord Petre and the coquettish Arabella. A first novel. Reprint. 150,000 first printing.

Jane Austen Goes to Hollywood Hay House, Inc

One of the greatest spiritual teachers of the twentieth century shares his philosophy on self-discovery, free will, and the search for a place and purpose in life. "I myself am a question. I know not who I am. What to do? Where to go?"—Osho Destiny, Freedom, and the Soul: What Is the Meaning of Life? explores deeply human questions, such as: Is there really such a thing as "soul," and if so, what is it? Where does the concept of karma fit in? Does my life have a special meaning or purpose? Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the "1000 Makers of the 20th Century" and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

The Firm of Girdlestone Simon and Schuster

Book 7 of the remarkable Ringing Cedars Series - books that have sold over 10 million copies by word of mouth, translated into 20 languages - now in English.

The Page of the Duke of Savoy Scribe Publications

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

how our brains make us happy and what we can do to get happier Hay House, Inc

Discover the sensual and sweeping power of love in New York Times bestselling author Judith McNaught's contemporary romances that will make "you laugh, cry, and fall in love again" (RT Book Reviews)—now available for the first time on ebook. On Friday, a sensuous stranger enters Katie's life. By Sunday, her life is irrevocably changed forever. Katie Connelly submerges her painful past in a promising career, an elegant apartment, and men she can keep at a distance. Yet something vital is missing from her life—until she meets proud, rugged Ramon Galverra. With his charm and his passionate nature, Ramon gives her a love she had never known. Still she is afraid to surrender her heart to this strong, willful, secretive man—a man from a different world, a man with a bold, uncertain future. Will Katie's relationship with Ramon survive once the thrill of their simmering passion subsides?
