 Tanzanian Adventism exemplifies one of the most fascinating shifts in the history of religions: the growth of Christianity in Africa. Most striking in this account is the analysis of a minority denomination's transformation to a veritable "folk church."

 Seven years ago, Moriyah was taken captive in Jericho and branded with the mark of the Canaanite gods. Now the

Israelites are experiencing peace in their new land, but Moriyah has yet to find her own peace. Because of the shameful mark on her face, she hides behind her veil at all times and the disdain of the townspeople keeps her from socializing. And marriage prospects were out of the question . . . until now. Her father has found someone to marry her, and she hopes to use her love of cooking to impress the man and his motherless sons. But when things go horribly wrong, Moriyah is forced to flee. Seeking safety at one of the newly-established Levitical cities of refuge, she is wildly unprepared for the dangers she will face, and the enemies--and unexpected allies--she will encounter on her way.

"Beginning with basic Bible teaching about the Lord Jesus Christ, Duncan Heaster proceeds to deconstruct the popular Trinitarian view of Jesus. But the author doesn't leave us with nothing in its place. He explores at great depth the character of the Lord Jesus, using close study of the Biblical text to perform a kind of archaeology of ancient personality. And he relentlessly pursues to the end his cardinal point: that knowing the real Christ is the essence of true Christianity, both now and eternally."--p. 4 of cover.

Lynn Lovelock is a curvy, sexy, incredible-looking banker; she grew up in a small town near Kansas State. Her life was ordinary until she met Matt, a funny, handsome, and very hardworking man who was passionate about providing his financial expertise all over the world. At thirty years old, she was wishing for the happy-ever-after of life, but Matt was on and off, which led her to ask the status of their relationship. Matt told her he was still playing field and was not ready for a serious relationship with Lynn or any other woman. Her heart was broken, and her hopes dissolved. She could not see life without him. So she left the town she was born and raised in and moved to the city with no thought of seeking any other special person. While in the city, however, life circumstances brought her an unavailable man, a cheater, a lifetime bachelor, and a homosexual. She gave up the idea of happy endings. Finally, she met Ajay, an international student who reminded her that true love existed on earth at any age. She let him be the captain of love, sailing in their love boat to blissful shores. On their way, racial storms and cultural waves made their journey challenging. Would they let interracial dating sink their love? Or would they overcome all the tribulations and tie the knot?

Examining sites that are familiar to many modern tourists, Valerie Warrior avoids imposing a modern perspective on the topic by using the testimony of the ancient Romans to describe traditional Roman religion. The ancient testimony recreates the social and historical contexts in which Roman religion was practised. It shows, for example, how, when confronted with a foreign cult, official traditional religion accepted the new cult with suitable modifications. Basic difficulties, however, arose with regard to the monotheism of the Jews and Christianity. Carefully integrated with the text are visual representations of divination, prayer, and sacrifice as depicted on monuments, coins, and inscriptions from public buildings and homes throughout the Roman world. Also included are epitaphs and humble votive offerings that illustrate the piety of individuals, and that reveal the prevalence of magic and the occult in the spiritual lives of the ancient Romans.

This work gives a detailed history and defense of the Advent Movement of the 1840's known as Millerism, the movement from which the Seventh-day Adventist denomination sprang. The book is based on original sources, William Miller's correspondence, contemporaneous books, pamphlets, journals, newspapers. The first half is devoted to the history of the movement, and the second half to an examination of charges made against the Advent believers, such as that they wore ascension robes, that the Millerite

preaching filled the asylums, and so forth. **African Choral Worship** Omnigraphics Incorporated
