2006 to 2010 Cengage Learning

Whether the reader wants to stay in the auto industry or transition into another field, this book will help. This book shows samples of resumes and cover letters than have worked for real people. This title will be a valuable resource to auto industry professionals who seek technical, management, or sales positions. Entering a new field can be difficult, so newcomers to the field will learn how to show off their potential and skills to best advantage. Auto industry professionals often change fields, too, and the book includes resumes of individuals who have successfully transitioned into other areas. A "bonus" of this book is that it includes samples of paperwork involved in getting federal government jobs: specialized resumes and the federal "resumix" as well as the write-ups for the Knowledge, Skills and Abilities (KSAs) which are often required for government positions. This book will show auto industry professionals how to maximize their career potential, get federal positions, and change fields if they want to. (The 26th title in PREP's Real-Resumes Series.)

BMW X3 (E83) Service Manual: 2004, 2005, 2006, 2007, 2008, 2009, 2010: 2.5i, 3.0i, 3.0si, Xdrive 30i Haynes Manuals

Dundurn

Since its introduction in 1975, the BMW 3-series has earned a reputation as one of the world's greatest sports sedans. Unfortunately, it has also proven one of the more expensive to service and maintain. This book is dedicated to the legion of BMW 3-series owners who adore their cars and enjoy restoring, modifying, and maintaining them to perfection; its format allows more of these enthusiasts to get out into the garage and work on their BMWs—and in the process, to save a fortune. Created with the weekend mechanic in mind, this extensively illustrated manual offers 101 projects that will help you modify, maintain, and enhance your BMW 3-series sports sedan. Focusing on the 1984-1999 E30 and E36 models, 101 Performance Projects for Your BMW 3-Series presents all the necessary information, covers all the pitfalls, and assesses all the costs associated with performing an expansive array of weekend projects.

Take the "ultimate driving machine" out for a test drive before you buy! Comparable title; Illustrated BMW Buyer's Guide, 2nd ed (0-87938-754-8)

BMW 2-Valve Twins '70 to '96 Robert Bentley, Incorporated
 As Toyota skids into an ocean of problems and uncertainty continues in the U.S. automotive industry, Lemon-Aid Used Cars and Trucks 20112012 shows buyers how to pick the cheapest and

most reliable vehicles from the past 30 years. Lemon-Aid guides are unlike any other car and truck books on the market. Phil Edmonston, Canada's automotive Dr. Phil for 40 years, pulls no punches. Like five books in one, Lemon-Aid Used Cars and Trucks is an exposé of car scams and gas consumption lies; a do-it-yourself service manual; an independent guide that covers beaters, lemons, and collectibles; an archive of secret service bulletins granting free repairs; and a legal primer that even lawyers can't beat! Phil delivers the goods on free fixes for Chrysler, Ford, and GM engine, transmission, brake, and paint defects; lets you know about Corvette and Mustang tops that fly off; gives the lowdown on Honda, Hyundai, and Toyota engines and transmissions; and provides the latest information on computer module glitches.
