Katje, the Windmill Cat Bantam

Imagine a world where everyone is kind-how can we make that come true? With gorgeous pictures by a host of top illustrators, Kind is a timely, inspiring picture book about the many ways children can be kind, from sharing their toys and games to helping those from other countries feel welcome.

Be Happy Be You: the Teenage Guide to Boost Happiness and Resilience Coordination Group Publication

Introduce young learners to numbers with this fun and engaging activity book. - Lots of practice opportunities to help children learn the numbers 0-20.- Wipe-clean pages and pen so that children can try the activities again and again.- Colourful, motivating activities to help boost confidence.

Grandma's Smile Barefoot Books

Swim with 5 sea creatures in this colorful, tongue-twisting singalong! Based on the traditional cumulative song, each verse introduces a new animal and its place in the marine food chain, from the snail to the shark. Chosen as the BookTrust National Bookstart Week book in 2016, A Hole in the Bottom of the Sea offers a delightful dip into multi-sensory science learning sure to inspire young marine biologists. A QR code on the book provides access to video animation and audio.

The Last Wolf John Wiley & Sons

This book can help your child by providing a whole year of ready

to go activities and support on key English topics which will be being taught in school from 2014. Did you know that your child in Year 3 will now need to; learn to spell more homophones and near-homophones such as 'accept' and 'except'; use the perfect form of verbs. * Workbooks for home learning * Linked directly to what your children will be learning in school * A linked website provides additional activities, answers and support for parents * Developed by teachers to ensure the best possible support for the new 2014 National Curriculum.

For the 2022 Tests Scholastic UK

Discover an exhilarating world of learning by solving a series of mathematical problems. Finding the answers will enable readers to advance through an exciting adventure story.

Look Inside Maths Red Fox Picture Books

An anthology of poetry for children between the ages of six and fourteen encompassing such topics as "Baby-Days," "Animals and Birds," "Trees and Flowers," and "Christmas and New Year."

The Story of the Real Easter Bunny Bucket Fillers Incorporated Documents a high school student's year-long attempt to change her social status from that of a misfit to a member of the "in" crowd by following advice in a 1950s popularity guide, an experiment that triggered embarrassment, humor and unexpected surprises. A first book.

A Practical Guide to Rigorous Literacy Instruction Open Road Media

From the masterful David Almond comes a joyful, wistful story of boyhood, running, and tales of days gone by, in a beautiful gift edition illustrated in full color. Liam just wants to go out running with his mates the Junior Great North Run is not far away, and there's training to be done. But Mam needs him today, to help old Harry clear out his house. And Harry knows a thing or two about running. When he was a lad, he says, he ran from Newcastle to South Shields. "But Harry," says Mam, "it's thirteen miles!" Harry grins. "Different days," he says. Here is the story of that day: of sweltering heat, clattering boots, briny sea air, and the heavenly taste of ice cream; the day when Harry and his pals ran and ran and ran through the blazing sunlight all the way to the sea."

The Cartoonist Reading Test - Year 2 Prepare with confidence for the end of year SATs tests with Scholastic National Curriculum Tests. Scholastic's practice tests are fully in line with the Year 2 and Year 6 SATs Tests Each book contains three complete practice tests and a guidance and mark scheme. These practice tests have a similar look to the real test, to help familiarise children with both the content and format of these tests. The guidance and mark scheme provides advice for parents and carers on how to use the tests and how to support children in preparing for them. [Content previously published as separate test papers in packs of the same name] Grandma's Smile When a dike breaks during a violent storm, flooding a little Dutch

town, Nico's baby is saved by his heroic cat.

Dora the Storer National Geographic Books

The whole-class mastery approach that works for every child. Underpinned by the most effective teaching practices, and created by a team of mastery experts led by Series Editor Tony Staneff, Power Maths is designed to make the whole-class mastery teaching approach work for you, your children and your school. The Practice Books provide just the right amount of intelligent practice for children to complete independently in the final section of the lesson. The practice questions are for everyone - each question varies one small element to move children on in their thinking. All practice questions are carefully developed to reveal misconceptions. 'Reflect' questions help children to reason and show how deep their understanding is before moving on. Power Maths characters encourage and challenge children to develop growth mindsets and work flexibly. Calculations are connected so that children think about the underlying concept.

Carefully Selected from the Works of the Best and Most Popular Writers for Children Random House

KS2 Complete SATs Practice Papers - Science, Maths and English **This Book Thinks You're a Math Genius** QEB Publishing Imagine you could go anywhere, with anyone and do anything! Where would you live? Where would you sleep? Who would be your friends? Go on - you choose! With the help of Nick Sharratt's illustrations, this book looks at a whole range of scenarios where choosing is made fun.

The Children's Book of Poetry Candlewick Press (MA)

Once upon a time, Little Red set off into the woods to catch a wolf . . . But the woods aren't all they seem - and are there even any wolves left? Mini Grey re-imagines the classic Little Red Riding Hood fable in an entirely new way. Can Little Red help her new friends in need and recover the wild days of the past? This is a powerful, moving and funny picture book which will have children and adults revisiting its exquisite pages time and time again, and discussing the important message it holds. From the award-winning author/illustrator of The Adventures of the Dish and the Spoon, The Pea and the Princess and Biscuit Bear.

A Brief History of Time Wren & Rook

Alfie only feels comfortable when he's drawing comics in the attic—but soon his safe haven will be off limits Alfie is perfectly content to spend his time drawing alone in the attic. Nobody bothers him, and he has his door sealed tight against interruption. Up under the roof, he illustrates amazing cartoon strips about heroes and space adventures, from "Super Caterpillar" to "Super Bird"—even though his own life is anything but exciting. One day, Alfie's mom calls him from the attic to tell him his older brother Bubba will be moving home and will take over the attic as his own apartment. Suddenly Alfie's private world is turned inside out, and

he'll need to find a new "home," even if that means spending time around his weird, argumentative family. This ebook features an illustrated biography of Betsy Byars including rare images from the author's personal collection.

Create Your Own Happy HarperCollins UK

Joshua is a curious little bunny. He lives with his mother and siblings in a garden, on a hill in Jerusalem during biblical times. When strange people come into their garden home, and curious events begin happening near a huge "den" in the hillside, Mother rabbit warns them to stay away and be safe. But a curious little bunny can't change his nature. While his family is scared, Joshua

is fascinated. He just can't help himself. He must find out what is happening at that intriguing hole in the hill covered with a large stone. What he sees is scary, but not enough to cure his curiosity. When strange things begin happening he just has to go see what is going on. On resurrection morning, his curiosity leads him to become the first to see and meet the risen Lord Jesus, making him the first "Easter Bunny." Bring the story of Jesus' death and resurrection to life with touching simplicity, Judy Reinsma's children's book is an extraordinary fusing of the secular tale of the Easter Bunny and the true meaning of Easter. Imbued with the gentle, caring, and loving nature of Jesus, it is the perfect

reminder to all that Easter is indeed a Christian holiday. Charming watercolor illustrations enhance the text for a reading experience that is inspiring and engaging for parent and child alike. "The Story of the Real Easter Bunny" is a touching and uplifting spiritual story that will help teach children about the gifts He bestowed on us all that extraordinary morning.
