DESTINEY DAPHNE

Michelin Regional Maps France Rough Guides UK

Discover the Loire Valley - a regal region peppered with opulent aristocratic palaces and ancient towns. Whether you want to admire the spellbinding Château de Chenonceau, wander along cobbled streets in Tour's medieval Old Town, or sample world-class wines in one of the region's many vineyards, your DK Eyewitness travel guide makes sure you experience all that Paris has to offer. Often referred to as the "garden of France", the Loire Valley serves up both an array of glorious gastronomic delights and a wealth of wonderful wines. Liberally sprinkled across its verdant landscape are sumptuous palaces, magnificent chateau, and historic towns - there's so much history here, in fact, that UNESCO declared the region a vast UNESCO World Heritage Site. Our annually updated guide brings the Loire Valley to life, transporting you there like no other travel guide does with expert-led insights and advice, detailed breakdowns of all the must-see sights, photographs on practically every page, and our hand-drawn illustrations which place you inside the region's iconic buildings and neighbourhoods. You'll discover: - our pick of the Loire Valley's must-sees, top experiences and hidden gems - the best spots to eat, drink, shop and stay - detailed maps and walks which make navigating the Loire Valley easy - easy-to-follow itineraries - expert advice: get ready, get around and stay safe - colour-coded chapters to every part of the Loire Valley, from Anjou to Touraine, Berry to the Vendée - our new lightweight format, so you can take it with you wherever you go Touring the country? Try our DK Eyewitness France.

A Guide Book Michelin Travel & Lifestyle

The Roman Remains of Southern France is the only specialist guidebook to this region available. It is the result of the most up-to-date research. Comprehensive in coverage, it provides depth and context while evoking the distinctive atmosphere of the place. The book is easy to use, with a large number of maps, site plans and photographs and it will enable the traveller to explore the major cultural contribution made by the Romans to this part of France.

A Countryside Guide Taylor & Francis

The Rough Guide to the Pyrenees is the only guidebook available to the entire region, covering both the French and Spanish sides of this spectacular region, from the Atlantic to the Mediterranean. A full-colour section introduces the author's pick of the attractions, from relaxing in the picturesque spa towns to watching the Tour de France wind up the mountains. There are detailed listings of the best places to eat, drink and stay, from boutique hotels in Biarritz to the most remote mountain refuges. For the outdoor enthusiast there are exhaustive accounts of the walking and climbing routes available and information on the host of other activities available, including skiing, paragliding, rafting, cycling and horse riding. There is also expansive coverage of all the cultural highlights including the prehistoric cave art at Ariège and an accessible history of the region from prehistory to the current day.

A Dictionary of Contemporary France Benchmark Maps

The Midi, between the Massif Central and the Mediterranean, is the region of France that is richest in archaeological treasures, and these are described in the OAG to South France. The earliest of these date back to the Palaeolithic period, some twenty thousand years ago, when our ancestors were decorating caves and rock shelters with dramatic depictions of hunting and ritual. Later human cultural evolution in the region is represented by strongly defended hilltop settlements and by impressive funeral mounds and dolmens. Greek colonists arrived around 600 BC and set up towns along the coast, trading with the local peoples, and these are the origins of the main towns of the present day, such as Marseilles, Nice, and Arles. The region was annexed by Rome in the 2nd century BC and the prosperous new province was endowed with many fine public buildings, such as the amphitheatres and theatres at Arles, Nimes, and Orange, the network of roads, and massive towns walls, as at Carcassonne. In addition, there is plenty of evidence of more mundane aspects of daily life, such as the water-mill at Barbegal, the potteries of La Graufesenque, and the houses of the town dwellers at Vaison-la-Romaine.

Travel & Tourism Bibliography and Resource Handbook W. W. Norton & Company

An "innovative" (The New Yorker) retelling of the story of Dracula. Told with the flourish and poise of a talented storyteller, Kostova turns the age-old tale into a compelling "late night page-turner" (San Francisco Chronicle) When a young woman discovers a cache of ancient letters, she is thrown into the turbulent history of her parents' dark pasts. Uncovering a labyrinthine trail of clues, she begins to reconstruct a staggering history of deceit and violence. Debut novelist Elizabeth Kostova creates an adventure of monumental proportions, a relentless tale that blends fact and fantasy, history and the present, with an assurance that is almost unbearably suspenseful and utterly unforgettable.

The Rough Guide to the Pyrenees Hunter Publishing, Inc
