A trusted training method for aspiring and serious players, "The Saxophone Bible" covers tuning, tone production, fingering, breath control, playing low and high ranges, scales, intervals, and much more.

**A Funky Primer for the Rock Drummer** Alfred Music

George Lawrence Stone's Stick Control is the original classic, often called the bible of drumming. In 1993, Modern Drummer magazine named it one of the top 25 drumming books of all-time. In the words of the author, this is the ideal book for improving "control, speed, flexibility, touch, rhythm, lightness, delicacy, power, endurance, preciseness of execution, and muscular coordination," with extra attention given to the development of the weak hand. This indispensable book for drummers of all types includes hundreds of basic to advanced rhythms and moves through categories of single-beat combinations, triplets, short roll combinations, flam beats, flam triplets and dotted notes, and short roll progressions.

*Alfred's Drum Method, Bk 1* Carina Press

This book has become a classic in all musicians' libraries for rhythmic analysis and study. Designed to teach syncopation within 4/4 time, the exercises also develop speed and accuracy in sight-reading with uncommon rhythmic figures. A must for all musicians, especially percussionists interested in syncopation.

What Makes That Black? The African-American Aesthetic identifies and defines seventy-four elements of the aesthetic through text and illustration. Using the magnificent camerawork of R.J. Muna, Sharen Bradford, Jae Man Joo, Rachel Neville, James Barry Knox, and more- as they point their cameras at Alonzo King LINES Ballet, Complexions Contemporary Ballet, and jazz artists such as Cécile McLorin Salvant and Wynton Marsalis- a specific artistic consciousness or sensibility visually unfolds. Luana even joins the camera crew as she shoots Oakland Street Graffiti--Backcover.

**Latin Rhythms for Drums and Timbales** Alfred Music

The classic jazz independence book is now new and improved and with online audio! Jim Chapin, known as the Father of Jazz Independence," has written one of the most popular drumset books of all time. This classic work should be in every drummer's library as there is always something new to learn and develop from this masterful book. Whether for a beginner or an accomplished drummer, this system will greatly improve independence and coordination, sticking, power, speed, and endurance on the drumset. Dedicated to Sanford Moeller, this book proves Jim's teaching techniques like no other."

**The Drumset Musician (Music Instruction)** John Wiley & Sons

Alan Dawson was a legendary drummer and educator, known for his work with the top artists in jazz

as well as for his 18-year association with Berklee College of Music. This new text and online audio combination was put together by John Ramsay, a prominent drummer in his own right and a former student of Dawson's. The book contains all the important techniques and concepts that Alan Dawson embraced in his own playing and subsequently taught to his students. The recordings include some remastered audio examples from actual lessons taught by Dawson himself over the years. This is a highly comprehensive textbook from a jazz master.

*King of Ragtime* Alfred Music Publishing

A rock band's struggling lead singer learns to follow the lead of their sexy new drummer in this steamy male/male romance. Twisted Wishes front man Ray Van Zeller is in one hell of a tight spot. After a heated confrontation with his bandmate goes viral, Ray is hit with a PR nightmare the fledgling band so doesn't need. But his problems only multiply when they snag a talented new drummer—insufferably sexy Xavier Demos, the high school crush Ray barely survived. Xavier's kept a casual eye on Twisted Wishes for years, and lately, he likes what he sees. What he doesn't like is how out of control Ray seems—something Xavier's aching to correct after their first pulse-pounding encounter. If Ray's up for the challenge. Despite the prospect of a glorious sexual encore, Ray is reluctant to trust Xavier with his band—or his heart. And Xavier has always had big dreams; this gig was supposed to be temporary. But touring together has opened their eyes to new passions and new possibilities, making them rethink their commitments, both to the band and to each other. Praise for *Syncopation* "The very best thing about *Syncopation* is the relationships between and among the bandmates. Ray, Dom, Mish, and Xavier love each other in a way that's messy and sometimes hurtful but is always deep and steadfast. The central relationship between Ray and Xavier is immensely satisfying, but the best love story in *Syncopation* is among the found family of bandmates." —Trisha Brown, Book Riot, Best Books of 2018 "Anna Zabo has such a wonderful way with words and *Syncopation* will leave you with happy tears and a warm heart." —Wild Heart Reads

**Sticking patterns** Modern Drummer

Featuring exercises that can be played in practice and in actual performances, *Drum Solos & Fill-ins for the Progressive Drummer* contains 4-, 8-, and 16-bar solos plus fill-ins from several top drummers. This book is designed specifically to help the beginning drum student develop individual technique and musical ability. Special emphasis is placed on introducing students to 4-bar solos to improve drum solo skills. It also includes fill-ins. More challenging than Book 1, Book 2 features solos and fills inspired by one of the world's greatest drummers---Buddy Rich.

*Stick Control* Alfred Music

Alfred's Drum Method, Books 1 and 2 are the ideal teaching tools to help prepare beginning players for all styles of snare drum and percussion performance. Book 1 contains 80 pages of sequential instruction covering rudimental studies, roll studies, contest solos, and bass drum and cymbal technique. Book 1 also includes 23 solos suitable for recitals and contests. Book 2 is much more than just a snare drum method! It continues the learning process by covering additional rudimental studies, tonal properties of the snare drum, theme and variations, musical forms, solos and duets. Book 2 also covers traditional rudimental style, corps style (by Jay Wanamaker), orchestral style,

accessory instruments, and multiple-percussion techniques. The DVD includes demonstrations of all the rudiments and accessory instruments, plus solo performances by the authors. This title is available in MakeMusic Cloud.

*Accents and Rebounds* Alfred Music

George Lawrence Stone's *Accents and Rebounds*, the follow-up to the classic *Stick Control*, builds on the basics with accent routines and more advanced rhythms to improve the player's finesse and control. This book includes sections on accented eighths, dotted notes, and triplets, as well as rebound control and more. If you are a fan of *Stick Control*, then this method supplies the perfect next step for your practice routine. This updated edition adds Joe Morello's legendary arrow notation to help students incorporate the motions of the Moeller technique.
