 What's better than being best friends? Being best friends who volunteer together at the Roxbury Park Dog Shelter! With a focus on friendship, family, and cute canines, Roxbury Park Dog Club is perfect for tween readers who snap up books from series like Cupcake Diaries and Candy Apple, or for anyone who loves dogs. In this fourth book, Kim has to face the fact that while understanding dogs is easy, keeping up in class can be hard. Her parents are talking about sending her to a different school if she doesn't improve her grades—which would mean leaving the Dog Club! To get through this crisis, Kim will need a helping hand (or paw) from all her friends.

 Whether you're an experienced Tibetan Mastiff owner or you're considering bringing the powerful breed into your home, this guidebook will give you

the necessary knowledge and skills to be the best pet parent possible. From finding a breeder to puppyhood to saying goodbye to your beloved companion, this book will serve as a vital resource for you to refer to again and again. Originally bred as temple guardians, the Tibetan Mastiff is a strong-willed and independent breed. Within these pages, you'll learn about the history of the breed as well as their most notable physical and behavioral characteristics. You'll be able to make an informed decision on whether this breed is right for you and your lifestyle. The first few weeks with your new family member can be a stressful time for everyone. With the guidance of this book you'll be able to thoroughly prepare for your new dog's arrival with calmness and confidence. Basic obedience and household manners are essential for any dog, so you'll learn how to teach your Tibetan Mastiff basic commands such as sit, lie down, and stay. This book will also teach you how to recognize, correct, and prevent bad behavior. Tibetan Mastiffs are known as a relatively healthy breed, but there are a few health problems common to the breed. This guidebook will teach you how to keep your new dog looking and feeling great throughout his lifetime. From basic veterinary care to alternative treatments and grooming, you'll have the necessary knowledge to make informed decisions about your companion's health. From your Tibetan Mastiff's first day at home until he crosses the Rainbow Bridge, this book contains all the information you need to raise a happy and healthy dog. Whether you have questions about housetraining your new puppy or what exercise is best for this noble breed, you can rest assured knowing the answers can be found within these pages.

### Puppy Breed Experts

Cesar Millan—nationally recognized dog expert—helps you see the world through the eyes of your dog so you can finally eliminate problem behaviors. From his appearances on The Oprah Winfrey Show to his roster of celebrity clients to his reality television series, Cesar Millan is America's most sought-after dog-behavior expert. But Cesar is not a trainer in the traditional sense—his expertise lies in his unique ability to comprehend dog psychology. Tracing his own amazing journey from a clay-walled farm in Mexico to the celebrity palaces of Los Angeles, Cesar recounts how he learned what makes dogs tick. In Cesar's Way, he shares this wisdom, laying the groundwork for you to have stronger, more satisfying relationships with your canine companions. Cesar's formula for a contented and balanced dog seems impossibly simple: exercise, discipline, and affection, in that order. Taking readers through the basics of dog psychology and behavior, Cesar shares the inside details of some of his most fascinating cases, using them to illustrate how common behavior issues develop and, more important, how they can be corrected. You'll learn:

- What your dog really needs may not be what you're giving him
- Why a dog's natural pack instincts are the key to your happy relationship
- How to relate to your dog on a canine level
- There are no "problem breeds," just problem owners
- How to choose a dog who's right for you and your family
- The difference between discipline and punishment
- And much more!

Filled with fascinating anecdotes about Cesar's longtime clients, and including forewords by the president of the International Association of Canine Professionals and Jada Pinkett Smith, this is the only book you'll need to forge a stronger, more rewarding connection with your four-legged companion.

From Alexandra Horowitz, #1 New York Times bestselling author of *Inside of a Dog*, an eye-opening, informative, and wholly entertaining examination and celebration of the human-canine relationship for the curious dog owner and science-lover alike. We keep dogs and are kept by them. We love dogs and (we assume) we are loved by them. We buy them sweaters, toys, shoes; we are concerned with their social lives, their food, and their health. The story of humans and dogs is thousands of years old but is far from understood. In *Our Dogs, Ourselves*, Alexandra Horowitz explores all aspects of this unique and complex interspecies pairing. As Horowitz considers the current culture of dogdom, she reveals the odd, surprising, and contradictory ways we live with dogs. We celebrate their individuality but breed them for sameness. Despite our deep emotional relationships with dogs, legally they are property to be bought, sold, abandoned, or euthanized as we wish. Even the way we speak to our dogs is at once perplexing and delightful. In thirteen thoughtful and charming chapters, *Our Dogs, Ourselves* affirms our profound affection for this most charismatic of animals—and opens our eyes to the companions at our sides as never before.

Doggie makeovers that will make you smile Japanese dog grooming does not follow the rules of traditional, breed- standard grooming. In fact, it only has one mission—to make dogs look as adorable as possible! With extreme attention to detail and careful consideration of a pup's best attributes, Japanese dog groomers and salons achieve the perfect transformation by forgetting uniform looks and getting creative. From internationally acclaimed pet photographer and author of *Waggish: Dogs Smiling for Dog* Reasons comes this adorable book, which showcases the transformation of dogs going from cute to cutest. Originally a viral photo series called "Hairy," Grace Chon's work perfectly captures the whimsy and glamour of freshly groomed furry friends. With nearly 50 before- and- afters, Chon proves that Japanese dog grooming is not just a haircut, but a work of art.

A great danger awaits, concealed in the shadows... Doby is trapped. He's trapped in Barlock, a repulsive city filled with natural disasters. Tornadoes and hurricanes frequently pound the city, with the last being a devastating flood that inundated Barlock. Doby would do anything to run away, even to stab a trusted friend in the back. Pico is trapped. She's trapped with friends and family who despise her loud mouth and enemies who call themselves her friend. She would do everything to escape, even more so after her best friend runs away. After the devastating flood, they must recover together. But those "natural" disasters don't seem so natural anymore. A puppet-master is secretly pulling the strings behind the scenes. And it's only a matter of time before they pull a devastating chord. Get your copy of *Unnatural Disasters* today and go on an exciting adventure!

Havanese Training - Dog Training for your Havanese puppy The training of dogs is often... .. confused with classical dog training drills ... only considered necessary for demanding dogs ... mocked by other dog owners ... replaced by anti-authoritarian methods ... considered too difficult to achieve without experience. What constitutes dog training and what is it good for? And how can you and your Havanese profit from it without having any experience? The most important thing is to understand how a dog sees his world, what is "normal" for him and how you can use this to your advantage. In addition, the characteristics of each breed are significant when you get beyond the basic training phase. Your Havanese will show characteristics which are different to those of a Husky, for example, and this is predominantly what you need to consider during training. This book is vol. 1 of the Havanese training books. Vol. 2 for your grown up Havanese is also available with the title "Havanese Training Vol. 2: Dog Training for your grown-up Havanese" Author Claudia Kaiser says about her book: "It was my desire to let other dog owners profit from the knowledge I have gained over many years, and after making many mistakes. I love my dog and know how important it is to adapt the training to suit each breed. It is exactly this desire that prompted me to write this book. My aim is to help every beginner, not only to understand his dog better, but also to know exactly how to get the best results, step-by-step, so that you can achieve a close, positive and trusting human-dog relationship." Quench your curiosity to know about background information, read reports on other experiences and obtain step-by-step instructions and secret tips which are tailor-made for your Havanese. Get your copy of this book today and experience... .. how your Havanese sees his world ... and how you can progressively train your dog to receive the best results. Your Havanese will appreciate it... .. so this is my advice: Don't hesitate to buy this book! The celebrity dog trainer and Emmy-winning star of the CBS show Lucky Dog shares his training system to transform any dog—from spoiled purebred puppy to shelter-shocked rescue—into a model companion in just seven days. Each week on Lucky Dog, Brandon McMillan rescues an untrained, unwanted, "unadoptable" shelter dog. In the days that follow, these dogs undergo a miraculous transformation as they learn to trust McMillan, master his 7 Common Commands, and overcome their behavior problems—ultimately becoming well-mannered pets and even service dogs. With his labor of love complete, McMillan unites each dog with a forever family. Now, in his first book, McMillan shares the knowledge he has gained working with

thousands of dogs of every breed and personality to help readers turn their own pets into well-trained Lucky Dog graduates. Lucky Dog Lessons begins with the basics—building trust, establishing focus and control, and mastering training techniques. From there, McMillan explains his playful, careful, and kind approach to training the 7 Common Commands he teaches every dog: SIT, STAY, DOWN, COME, OFF, HEEL, and NO. Next, McMillan provides solutions to common canine behavior problems, including house training issues, door dashing, chewing, barking, and common mealtime misbehaviors. Lucky Dog Lessons includes easy-to-follow steps, illustrative examples, tried-and-true tips and tricks, and photographs to demonstrate each technique. Throughout the book, McMillan shares inspiring stories about his favorite students and gives fans a behind-the-scenes look at the show and some of his most unique and challenging canine encounters, including some never-before-seen outtakes. Brandon McMillan believes that no dog is beyond saving, and the loving, positive, successful methods he offers will work wonders with even the most challenging dog. Create the happy pet family you want with Lucky Dog Lessons.
