KRUEGER PITTS

A Companion Novella to Cry Wolf Penguin

Newly mated werewolves, Anna and Charles, attend a summit discussing whether or not the wolves should make themselves known to humans, when she is attacked by vampires, in the second novel in the series following Cry Wolf. 25,000 first printing. Patricia Briggs' Alpha and Omega: Cry Wolf #5 Standard Ebooks There's a witch in the wilderness and she's snared Anna and Charles! Has their hunt for the killer werewolf come to an unexpected end, or can Anna's gifts as an Omega free them both before it's too late?

Stories from the World of Mercy Thompson Penguin

Dark magic brings dire results as the evil witch Mariposa attempts to enslave the king of the werewolves and awakens a legendary beast within! Will Alpha wolf Charles escape the icy grip of her sorcery only to die at the hands of his enraged father? Time and hope are running out...unless the gentle Omega wolf Anna can somehow tip the scales in time! Be there as Alpha & Omega: Cry Wolf reaches its stunning conclusion!

Aralorn: Masques and Wolfsbane Penguin

Even an Alpha wolf can die at the hands of powerful witchcraft. And if the evil Mariposa is too much for a wolf as powerful as Charles what hope is there for the inexperienced and unsure Omega wolf Anna? Worse still, the dark magic that has overwhelmed Charles may even give the witch sway over his father, ruler of all the werewolves of North America. If she can control him, what hope remains for the wolves...or anybody?

Alpha & Omega: Cry Wolf hurtles towards its thrilling conclusion!

Best-selling fantasy author Patricia Briggs has packed this adventure with all the supernatural thrills and chills her fans desire. Don't miss a moment when Alpha and Omega come together!

Cry wolf. Volume one Penguin

Born in 1842, Camille Flammarion was a French astronomer who wrote many popular books about science and astronomy, together with a number of novels which we would now consider to

be science fiction. He was a contemporary of H. G. Wells and Jules Verne, though his works never achieved their level of popularity. Omega: The Last Days of the World is an English translation of Flammarion's novel La Fin du Monde, published in 1893. The book's fictional premise is the discovery of a comet on a collision course with the Earth in the 25th century. However, this is mostly a pretext on which Flammarion can hang his interesting scientific speculations about how the world will end, together with philosophical thoughts about war and religion. Much of the scientific description he uses in the book, while accurately representing the knowledge and thinking of his time, has today been superseded by modern discoveries. For example, we now know the source of the Sun's energy to be nuclear fusion rather than being due to gravitational contraction and the constant infall of meteorites. When talking about the ills of society, however, Flammarion could well be talking about today's world. For example, he excoriates the vast waste of society's resources on war, and demonstrates how much more productive each nation's economy would be without it. He also depicts the media of his future world as having been entirely taken over by commercial interests, publishing only what will excite the greatest number of readers rather than serving the public interest. Omega ranges over a vast period of time, from prehistory through to millions of years in the future when mankind has been reduced to the last two doomed individuals. Nevertheless, the book ends on a hopeful and inspiring note. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Shifting Shadows Penguin

"Expect to be spellbound"* by Patricia Briggs's #1 New York Times bestselling series starring Mercy Thompson. Being a lowly "walker" in a world of vampires, werewolves, and fae once kept her safe. But Mercy's bark—and bite—are not so harmless any more... Though Mercy can shift her shape into that of a coyote, her loyalty never wavers. So when her former boss and mentor, Zee, asks for her help, she's there for him. A series of murders has rocked a fae reservation, and Zee needs her unique gifts, namely her coyote sense of smell, to sniff out the killer. But when Zee is accused of murdering the suspect Mercy outed, he's left to rot behind bars by his own kind. Now it's up to Mercy to clear his name, whether he wants her to or not. Mercy's loyalty is under pressure from other directions, too. Werewolves are not known for their patience, and if Mercy can't decide between the two she cares for, Sam and Adam may make the choice for her... *Lynn Viehl, New York Times bestselling author

THE FIRST MERCY THOMPSON NOVEL! Moon Called is the novel that introduced Patricia Briggs's Mercy Thompson to the world and launched a #1 bestselling phenomenon... Mercy Thompson is a shapeshifter, and while she was raised by werewolves, she can never be one of them, especially after the pack ran her off for having a forbidden love affair. So she's turned her talent for fixing cars into a business and now runs a one-woman mechanic shop in the Tri-Cities area of Washington State. But Mercy's two worlds are colliding. A half-starved teenage boy arrives at her shop looking for work, only to reveal that he's a newly changed werewolf—on the run and desperately trying to control his animal instincts. Mercy asks her neighbor Adam Hauptman, the Alpha of the local werewolf pack, for assistance. But Mercy's act of kindness has unexpected consequences that leave her no choice but to seek help from those she once considered family—the werewolves who abandoned her... "In the increasingly crowded field of kick-ass supernatural heroines, Mercy stands out as one of the best."—Locus

In this USA Today bestselling novel, a woman with power over fire and illusion and the enslaved son of a chieftain battle a corrupt empire in this powerful and deeply emotional romantic fantasy.

Every year, each village is required to send a young woman to the Empire's capital—her fate to be burned alive for the entertainment of the masses. For the last five years, one small village's tithe has been the same woman. Gilene's sacrifice protects all the other young women of her village, and her secret to staying alive lies with the magic only she possesses. But this year is different. Azarion, the Empire's most famous gladiator, has somehow seen through her illusion—and is set on blackmailing Gilene into using her abilities to help him escape his life of slavery. Unknown to Gilene, he also wants to reclaim the birthright of his clan. To protect her family and village, she will abandon everything to return to the Empire—and burn once more.
