MARITZA FOLEY

The Gospel According to Mark Wm. B. Eerdmans Publishing

The Pastoral Letters—1 Timothy, 2 Timothy, and Titus—have made an enduring contribution to understanding the role of pastors in the church. With a spirited devotion to the text, Robert Yarbrough helps unlock the meaning of these short but rich letters in this commentary. In keeping with the character of Pillar New Testament Commentary volumes, The Letters to Timothy and Titus offers a straightforward reading of these texts. Their primary concerns—God, salvation, and the pastoral task—remain central to Yarbrough's thorough and comprehensive exegesis. Engaging with the best scholarship and resources, Yarbrough shows how these letters are as relevant today as they were to the early Christians.

The Gospel of John Wm. B. Eerdmans Publishing

Eminently readable, exegetically thorough, and written in an emotionally warm style that flows from his keen sensitivity to the text, Barry Webb's commentary on Judges is just what is needed to properly engage a dynamic, narrative work like the book of Judges. It discusses not only unique features of the stories themselves but also such issues as the violent nature of Judges, how women are portrayed in it, and how it relates to the Christian gospel of the New Testament. Webb concentrates throughout on what the biblical text itself throws into prominence, giving space to

background issues only when they cast significant light on the foreground. For those who want more, the footnotes and bibliography provide helpful guidance. The end result is a welcome resource for interpreting one of the most challenging books in the Old Testament.

Holy Bible (NIV) Zondervan

Pastor and Bible teacher Randy McCracken offers an intimate look at lesser-known members of 1 and 2 Samuel's four main families--those of Samuel, Eli, Saul, and David. Examining characters unfamiliar to many Bible readers, he reveals important lessons for today.

The Letter of James Wm. B. Eerdmans Publishing

Allen's study of the Books of Joel, Obadiah, Jonah, and Micah constitute a volume in The New International Commentary on the Old Testament. Like its companion series on the New Testament, this commentary devotes considerable care to achieving a balance between technical information and homiletic-devotional interpretation.

The Books of Joel, Obadiah, Jonah, and Micah Wm. B. Eerdmans Publishing

The eloquent and uncompromising calls for social righteousness by the Minor Prophets are familiar to many, yet the writings themselves are probably the least-studied and least-known texts of the Old Testament. Those who are familiar with these books are also aware of the historical and literary problems that plague their study. Drawing on theological, historical, and literary insights, Leslie Allen's commentary on Joel, Obadiah, Jonah, and Micah carefully and imaginatively reconstructs the context in which the original Hebrew audience received the prophets' messages. In turn, Allen

shows what relevance they hold for contemporary Christians. For each of the books, Allen includes a substantial introduction, presenting and assessing a broad range of scholarship, a select bibliography, and an extensive commentary on the author's own translation of the text. Allen pays special attention to Micah, in which he treats at greater length many of the forms and motifs that also appear in Joel, Obadiah, and Jonah. The introductory material for Joel includes discussions of canonicity and textual criticism that apply to the entire volume.

Collegeville Bible Commentary New Testament Volume 2: The Gospel According To Mark

[A Commentary on the Epistle to the Ephesians](#) WestBow Press

On a bright spring day in Amsterdam a man goes out to buy a packet of cigarettes. He is a dancer - charismatic, talented and physically beautiful. What happens next takes him completely by surprise and marks him for ever. He awakens to find that he has been abducted by three hooded strangers and subsequently imprisoned in a mysterious white room, which will have consequences that are both poignant and highly disturbing.

[The Book of Genesis, Chapters 18-50](#) Cengage Learning

This new commentary part of Eerdmans's acclaimed NICNT series gives primary attention to John's gospel in its present form rather than the sources or traditions behind it. J. Ramsey Michaels assumes that the John who authored the book is someone very close to Jesus and, therefore, that the gospel is a testimony to events that actually happened in the life of Jesus. Yet Michaels does not ignore the literary character of the gospel of John or its theological contribution to the larger Christian community from its own time to the present day. Through a detailed verse-by-verse commentary, Michaels reveals how the gospel of the disciple whom Jesus loved is a unified composition, intertwined with the synoptics, yet drawing on material none of them cover.

[The Expositor's Bible Commentary - Abridged Edition: Old Testament](#) Wm. B. Eerdmans Publishing

Marshall's study on the Epistles of John constitute a single volume in The New International Commentary on the New Testament. Prepared by some of the world's leading scholars, the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God.

The Book of Leviticus Wm. B. Eerdmans Publishing Company

The Gospel of Mark is significant in many ways. Not only was it the first Gospel to be written and an important literary source for Matthew and Luke, but it is also best characterized as a witness document, a proclamation of salvation through Jesus Christ, which received its creative impulse from the early apostolic preaching. This widely praised commentary by William Lane shows Mark to be a theologian whose primary aim was to strengthen the people of God in a time of fiery persecution by Nero. Using redaction criticism as a hermeneutical approach for understanding the text and the intention of the evangelist, Lane considers the gospel of Mark as a total literary work and describes Mark's creative role in shaping the Gospel tradition and in exercising a conscious theological purpose. By indicating how the text was heard by Mark's contemporaries while also studying Mark within the frame of reference of modern Gospel research, Lane has constructed a thoroughgoing work that is at once useful to scholars and intelligible to nonspecialists. -- From publisher's description.

[The Epistles to the Colossians, to Philemon, and to the Ephesians](#) Wm. B. Eerdmans Publishing

Initiated by international scholars as a Catholic and ecumenical, academic and pastoral enterprise, The International Bible Commentary brings together many voices, Catholic and ecumenical, speaking from different cultural perspectives to God's Word.1

The Books of Joel, Obadiah, Jonah, and Micah A&C Black

For more than twenty years Douglas Moo's NICNT volume on Romans has been providing pastors, students, and scholars with profound insight into Paul's most famous letter. In this thorough revision of his commentary, Moo deals with issues that have come into prominence since the first edition (1996), incorporating the latest research and rewriting the text throughout for better comprehension. Exegetically astute and theologically minded, Moo interacts critically with the new perspective on Paul, highlights the emphasis in Romans on "practical divinity," and traces the theme of the gospel throughout the letter. His Letter to the Romans in this second edition will inform and enlighten a new generation of serious Bible readers.

[The Book of Revelation](#) William B. Eerdmans Publishing Company

In the Old Testament we read God's word as it was spoken to his people Israel. Today, thousands of years later, we hear in these thirty-nine books his

inspired and authoritative message for us. These twin convictions, shared by all of the contributors to The New International Commentary on the Old Testament, define the goal of this ambitious series of commentaries. For those many modern readers who find the Old Testament to be strange and foreign soil, the NICOT series serves as an authoritative guide bridging the cultural gap between today's world and the world of ancient Israel. Each NICOT volume aims to help us hear God's word as clearly as possible. Scholars, pastors, and serious Bible students will welcome the fresh light that this commentary series casts on ancient yet familiar biblical texts. The contributors apply their proven scholarly expertise and wide experience as teachers to illumine our understanding of the Old Testament. As gifted writers, they present the results of the best recent research in an interesting manner. Each commentary opens with an introduction to the biblical book, looking especially at questions concerning its background, authorship, date, purpose, structure, and theology. A select bibliography also points readers to resources for their own study. The author's own translation from the original Hebrew forms the basis of the commentary proper. Verse-by-verse comments nicely balance in-depth discussions of technical matters textual criticism, critical problems, and so on with exposition of the biblical writer's theology and its implications for the life of faith today.

The Letters to Timothy and Titus David C Cook

Peter David's study on I Peter is part of The New International Commentary on the New Testament. Prepared by some of the world's leading scholars, the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God.

The Letters to Timothy and Titus Wm. B. Eerdmans Publishing

Gordon Fee's work on I Corinthians is a contribution to The New International Commentary on the New Testament. Prepared by some of the world's leading scholars, the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God. [The First Epistle of Peter](#) Wm. B. Eerdmans Publishing

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

[The Book of Ecclesiastes](#) Wm. B. Eerdmans Publishing

This popular verse-by-verse exposition of John, based on Bruce's own translation of the Gospel, reflects Bruce's customary ability to make the benefits of his scholarship accessible to the general reader. Footnotes and bibliography are included, pointing the reader to resources for further study.

New International Commentary on the Old Testament (set of 24 volumes) Wm. B. Eerdmans Publishing

Wenham's study on the Book of Leviticus is a contribution to The New International Commentary on the Old Testament. Like its companion series on the New Testament, this commentary devotes considerable care to achieving a balance between technical information and homiletic-devotional interpretation.

[The Gospel of John](#) Wm. B. Eerdmans Publishing

In this commentary Gordon Fee aims first and foremost to offer a fresh exposition of the text of 1 and 2 Thessalonians. He shows the reader what is in the biblical text, what the text meant in the first century, and what it means now. Fee reveals the logic of each argument or narrative before moving on to the details of each verse, and he concludes each section with a theological-practical reflection on the meaning of the text today. Among other things, Fee explores the occasion for writing for each epistle, restoring 2 Thessalonians to the place it deserves as a full companion to the first letter, rather than merely a tagalong to 1 Thessalonians.

The Book of Deuteronomy Wm. B. Eerdmans Publishing

Whether you are a pastor, teacher, or layperson, now you can study the Bible in easy-to-read sections that emphasize personal application as well as biblical meaning. Developed from Dr. Wiersbe's popular "Be" series of Bible study books, this commentary carefully unpacks all of the New Testament. The Wiersbe Bible Commentary New Testament offers you: Dr. Wiersbe's trustworthy insights on the entire New Testaments New Biblical images, maps, and charts Introductions and outlines for each book of the Bible Clear, readable text that's free of academic jargon Let one of the most beloved and respected Bible teachers of our time guide you verse-by-verse through the Scriptures. It's the trusted reference you'll love to read.
