Now available in paperback, this is a rich and compelling account of the life of King Harald Hardrada of Norway, one of the greatest

Viking warriors to have ever lived.

The Australian Official Journal of Trademarks Global Sources Complete your collection with these limited Ultimate Football Heroes International editions - now with a bonus World Cup chapter. This is the rollercoaster story of how Ronaldo grew up to become a superstar striker for Brazil, Barcelona and Real Madrid. Struck down by illness on the day of the 1998 World Cup final, he showed world-class skill and determination to come back four years later and single-handedly destroy Germany in the 2002 final to prove, once and for all, that he was one of the greatest strikers ever.

Who knew a trip to the therapist could be so much fun, even aesthetically rewarding? Beyond sharing feelings or complaining about your mother, Psychobook reveals the rich history of psychological testing in a fascinating sideways look at classic testing methods, from word-association games to inkblots to personality tests. Psychobook includes never-before-seen content from long-hidden archives, as well as reimagined tests from contemporary artists and writers, to try out yourself, at home or at parties. A great ebook for the therapist in your life and the therapist in you, for anyone interested in the history of psychology and psychological paraphernalia, or for anyone who enjoys games and quizzes. Psychobook will brighten your day and outlook.

****THE SUNDAY TIMES BESTSELLER**** 'Brilliant! It's hard to change your life - but this book gives you all the reasons it's possible. From the first page to the last, one revelation after another.'

JEREMY VINE 'Brilliant . . . especially required reading in these COVID-19 days' LIZ EARLE 'Metabolism, inflammation, and immunity are three sides of the same coin. Fix one and you fix them all. Dr Aseem Malhotra offers you a way to fix all three at once, and the solution is as easy as your fork.' PROFESSOR ROBERT LUSTIG, bestselling author of *Fat Chance* 'This remarkable book will change your life. Beautifully written, it compiles in one place the health messages we all know make sense. PROFESSOR KAROL SIKORA, leading cancer specialist and Founding Dean, University of Buckingham Medical School 'Read this book and follow the plan, it may save your life.' GURINDER CHADHA, OBE, director of *Bend It Like Beckham* 'A crystal-clear roadmap to reverse the roots causes of our poor metabolic and immune health. It is the handbook of health for our time.' MARK HYMAN, New York Times bestselling author of *Food Fix* *****
 The simple, evidence-based diet plan to rapidly improve your metabolic health, help with normal immune function and likely reduce the risk of severe effects from Covid-19. Dr Aseem Malhotra is a leading NHS-trained cardiologist and a pioneer of lifestyle medicine. He has been at the forefront of citing the health conditions which make us vulnerable to the worst effects of Covid-19. Obesity, Type 2 diabetes and heart disease are high among them - and all indicators of poor metabolic health. The good news is that in just 21 days we can prevent, improve and even potentially reverse many of the underlying risk factors that exacerbate how infections, including Covid-19, affect us and improve our ability to recover from them. Giving us the evidence-based science behind the plan, Dr Malhotra shares how simple changes to our diet as well as daily exercise and stress relief can

have remarkable results in improving our markers for metabolic health, even helping to put Type 2 diabetes into remission, reduce risk factors for heart disease, decrease weight and enhance vitality. Arguing for the huge benefits to global health of these highly effective lifestyle changes, he shows how just 21 days can help us to start the journey to lead a healthier and longer life.

Respond to the call of ham radio Despite its old-school reputation, amateur radio is on the rise, and the airwaves are busier than ever. That's no surprise: being a ham is a lot of fun, providing an independent way to keep in touch with friends, family, and new acquaintances around the world—and even beyond with its ability to connect with the International Space Station! Hams are also good in a crisis, keeping communications alive and crackling during extreme weather events and loss of communications until regular systems like cell phones and the internet are restored. Additionally, it's enjoyable for good, old-fashioned tech geek reasons—fiddling with circuits and bouncing signals off the ionosphere just happens to give a lot of us a buzz! If one or more of these benefits is of interest to you, then good news: the new edition of *Ham Radio For Dummies* covers them all! In his signature friendly style, longtime ham Ward Silver (Call Sign NØAX)—contributing editor with the American Radio Relay League—patches you in on everything from getting the right equipment and building your station (it doesn't have to be expensive) to the intricacies of Morse code and Ohm's law. In addition, he coaches you on how to prepare for the FCC-mandated licensing exam and tunes you up for ultimate glory in

the ham radio hall of fame as a Radiosport competitor! With this book, you'll learn to: Set up and organize your station Communicate with people around the world Prep for and pass the FCC exam Tune into the latest tech, such as digital mode operating Whether you're looking to join a public service club or want the latest tips on the cutting edge of ham technology, this is the perfect reference for newbies and experts alike—and will keep you happily hamming it up for years!

Market Intelligence Report: Clocks Legare Street Press
The Great Post Office Scandal is the extraordinary story behind

the recent ITV drama series *Mr Bates vs The Post Office*. This gripping page-turner recounts how thousands of subpostmasters were accused of theft and false accounting on the back of evidence from Horizon, the flawed computer system designed by Fujitsu, and how a group of them, led by Alan Bates, took their fight to the High Court. Their eventual victory in court vindicated their claims about the defects of the software and exposed the heavy handed attempts by the Post Office to suppress them. The book also chronicles how successive senior managers, business leaders, lawyers, civil servants and Government ministers, at best failed to expose the injustice or, even worse, sought to cover it up, resulting in one of the largest miscarriages of justice in UK history. The author, Nick Wallis, is a journalist and broadcaster who has been reporting on the scandal for over ten years and who acted as script consultant on *Mr Bates vs The Post Office*, the ITV drama that brought the affair into the national consciousness. As the public inquiry reaches its climax, and senior figures such as Paula Vennells come to be questioned, *The Great Post Office Scandal* reveals the full scale of what happened and will leave you enraged at how so many of our trusted institutions allowed the saga to go on for nearly a quarter of a century, shattering the lives of thousands of innocent people.
