Father's Eyes Indiana University Press

"Paints a telling portrait of this most restless generation raised in a system that has provided them with unprecedented personal opportunities while denying them political ones. . . . A gifted observer."—Washington Post "Informative and often humorous . . . Presents a refreshing range of perspectives about being twenty-something in China."—Forbes "Masterfully crafted."—Los Angeles Review of Books "A perceptive and quietly profound book."—Booklist, starred review "Compelling and beautifully written."—Prospect China's new youth are the generation that will change China. Offspring of the one-child policy, with no memory of Tiananmen, they are destined to transform both their nation and the world. Understanding their motivations, dreams, and attitudes is possibly the most important gauge of China's future direction as it plays an increasingly important role in shaping this century. China's New Youth follows the lives of six young Chinese as they navigate their aspirations, discontents, politics, and love lives. Their stories include a netizen nationalist, a country migrant, the daughter of a Party member, a rising pop star, and a feminist entrepreneur. With intimate access to this diverse generation, Alec Ash—a young writer based in China since 2012—gives a vivid, immersive, fascinating account of young China as it comes of age. China's New Youth was originally published in hardcover until the title *Wish Lanterns: Young Lives in New China*. The new paperback edition has been updated with a new preface and afterword by the author and a new foreword by Karoline Kan.

The Beatles wrote 176 of the greatest songs ever to appear in popular music. This songbook includes every single one of them. Each piece is arranged for easy Guitar, with melody lines, chord diagrams and full lyrics. These simplified arrangements are accompanied by original photographs and some of the strangest, full-colour illustrations to ever grace a book. The wonderfully surreal presentation, along with an absorbing article by Ray Connolly, makes this a commemorative collectible as much as a book of music.

Beethoven's Eternal Promise By: Eric Ludwig von Knipe Nick, an aspiring musician, runs away from Jackson Hole, Wyoming. Trying to escape the pain of his girlfriend's death, he finds himself alone and homeless on the streets of London. He is haunted by a legendary, but very dead, musician from another century. Nick turns to drugs to drown everything out. He is rescued by Madeline, a beautiful Austrian doctor. After spending a couple hundred years in hell, Beethoven is given a chance at redemption. He must win over the love of his life so he can spend eternity with her. He finds in Nick the perfect conduit to make all his dreams come true. Inspired by Madeline's faith in him and Beethoven's persistence, Nick forms a band and soon reaches

rock star status. But the strain and stress of Beethoven's constant presence mixed with the demands of his new life cause Nick to spiral out of control. Will Beethoven, through Nick, create a final masterpiece to save his soul? Will Nick survive his encounters with this mad man or will it prove too much for his fragile mind?

Charlie Gracie's hit song "Butterfly" topped the American and British music charts in 1957, selling over three million copies. His hits in the late '50s propelled him to appearances on Dick Clark's American Bandstand, The Ed Sullivan Show, and some of the largest venues in the U. S. and abroad. Charlie was part of the birth of rock & roll, and his unique style influenced some of the most important artists in rock history, including The Beatles, Cliff

Richard, Van Morrison, Graham Nash, Chubby Checker, and countless others. *Rock & Roll's Hidden Giant* uncovers Charlie's inspiring story, tracing his rise to the top of the charts through to his fall from fame. From his upbringing on the streets of Philadelphia to the tragic death of his friend Eddie Cochran to experiencing the dark side of Dick Clark and the early days of the music industry, we learn that Charlie's unfaltering integrity and talent were the constant guides in his life. Rock history would not be the same without Charlie Gracie, and this remarkable, uplifting account is essential for all fans of rock & roll. "When we were starting out with The Beatles, the music coming over from America was magical to us---and one of the artists who epitomized this magic was Charlie Gracie." ---Sir Paul McCartney "Charlie Gracie was FIRST in Rock & Roll---and the FIRST Rock & Roller to come out of Philadelphia! He started it and made it possible for all the rest of us!" ---Chubby Checker "His concerts in the late '50s in Manchester, England helped me to become who I am today." ---Graham Nash "This book will allow you to see that nothing comes 'easy.' Success comes with hard work, disappointments, and some artists suffer betrayal by those they trust." ---Sir Cliff Richard "His guitar sound was brilliant!" ---George Harrison

My Father's Guitar and Other Imaginary Things Algonquin Books Keyboardist and songwriter with the band Journey, Jonathan Cain writes this long-awaited memoir about his personal story of overcoming and faith, his career with one of the most successful musical groups in history, and the stories behind his greatest hits including "Don't Stop Believin'." When Jonathan Cain and the iconic band Journey were inducted into the Rock and Roll Hall of Fame, Cain could say he had finally arrived. But Cain's journey wasn't always easy--and his true arrival in life had more to do with faith than fame. As a child, Cain survived a horrific school fire that killed nearly 100 of his classmates. His experience formed a resilience that would carry him through both tragedy and success. Moving from Chicago to Sunset Boulevard, Cain never let go of his dreams, eventually getting his big break with Journey--and writing the songs that would become the soundtrack of a generation. Don't Stop Believin' is an epic story of one man's dream that takes you from playing old-country songs at an Italian Deli in Chicago and his experiences with a warm, encouraging father who died too soon, to suddenly writing mega-bestselling songs

with some of the most talented musicians and performers ever to take the stage of some of the world's largest arenas. He tells of the thrilling moments when the music came together and offers an inside look at why Steve Perry left and the extraordinary story of their gifted new vocalist, Arnel Pineda. Through a wonderful retrospective of music that takes us right to the present, Jonathan Cain reminds us of the melodies and lyrics that serve as milestones for our biggest dreams as they call us to never stop believing.

The Beatles: Complete (Easy Guitar Edition) Penguin

The painful, scary, but sometimes hilarious true story of how one guy survived his parents' divorce. And lived to sing about it. The teenage years are tough as it is, but throw in the fact that your parents are divorcing and it's like fuel on the fire. It started with the poorly muffled fights in his parents' bedroom. They just seemed to get worse, and it seemed that the inevitable would happen. Finally, it did and the family meeting was called. Jesse Butterworth had a hunch his folks were going to announce they were separating--but the two youngest boys were certain they'd be told they were going to Disneyland. No such luck. What happens when your world falls apart? How do you handle it when the two people you trusted most totally disappoint you...and seemingly destroy your already shaky life? That's what happened to Jesse Butterworth, and he tells his story with humor, honesty, and heart. He also shows how he figured out what to do with the emotions that come with divorce: anger, hurt, frustration, and loss. Picking up a beat up guitar, Jesse discovered that he could turn his misery into music and his pain into passion--becoming the Six String Rocketeer. In the process Jesse realized that the wounds that hurt you can become the wounds that heal you.

The Cabin on Foudy Creek Chartwell Books

In 2013 my father fell seriously ill, as his life changed so did our relationship. As I watched his life slip away, I began to re-examine my own life. That's when I decided to chronicle my journey through this period of change. The traps that I fell into while trying to live up to the ideals he had passed on to me. Feeling lost, I tried to buy happiness, only to find that I was caught up in a cycle of spending, debt, and deeper unhappiness. I was spiraling downward into an emotional abyss. Then, after years of riding this unhappiness cycle I realized that I had to reinvent myself. So I adopted a way of life that brought me peace and contentment and a way out of the unhappiness cycle. Only then did I realize who I was and who I wanted to be.

ANGELITA'S SONG North Star Editions, Inc.

Song for My Fathers is the story of a young white boy driven by a consuming passion to learn the music and ways of a group of aging black jazzmen in the twilight years of the segregation era. Contemporaries of Louis Armstrong, most of them had played in local obscurity until Preservation Hall launched a nationwide revival of interest in traditional jazz. They called themselves "the mens." And they welcomed the young apprentice into their ranks. The boy was introduced into this remarkable fellowship by his father, an eccentric Southern liberal and failed novelist whose powerful articles on race had made him one of the most effective polemicists of the early Civil Rights movement. Nurtured on his father's belief in racial equality, the aspiring clarinetist embraced the old musicians with a boundless love and admiration. The narrative unfolds against the vivid backdrop of New Orleans in the 1950s and '60s. But that magical place is more than decor; it is perhaps the central player, for this story could not have taken place in any other city in the world.

In *The Fence My Father Built*, when legally separated Muri Pond, a

librarian, hauls her kids, teenage Nova and eleven year-old Truman, out to the tiny town of Murkee, Oregon, where her father, Joe Pond lived and died, she's confronted by a neighbor's harassment over water rights and Joe's legacy: a fence made from old oven doors. The fence and accompanying house trailer horrify rebellious Nova, who runs away to the drug-infested streets of Seattle. Muri searches for her daughter and for something to believe in, all the while trying to save her inheritance from the conniving neighbor who calls her dad Chief Joseph. Along with Joe's sister, Aunt Lutie, and the Red Rock Tabernacle Ladies, Muri must rediscover the faith her alcoholic dad never abandoned in order to reclaim her own spiritual path.

Meet secondhand shop owner Sarah Grayson and her rescue cat, Elvis, in the first novel in the New York Times bestselling Second Chance Cat Mystery series... Sarah Grayson is the happy proprietor of Second Chance, a charming shop in the oceanfront town of North Harbor, Maine. At the shop, she sells used items that she has lovingly refurbished and repurposed. But her favorite pet project so far has been adopting a stray cat she names Elvis. Elvis has seen nine lives—and then some. The big black cat with a scar across his nose turned up at a local bar when the band was playing the King of Rock and Roll's music and hopped in Sarah's truck. Since then, he's been her constant companion and the furry favorite of everyone who comes into the store. But when Sarah's elderly friend Maddie is found with the body of a dead man in her garden, the kindly old lady becomes the prime suspect in the murder. Even Sarah's old high school flame, investigator Nick Elliot, seems convinced that Maddie was up to no good. So it's up to Sarah and Elvis to clear her friend's name and make sure the real murderer doesn't get a second chance.

A touching memoir of life with an alcoholic father who secretly works with the CIA, a dark pilgrimage through the valley of

depression and addiction, and finding a faith to redeem and a strength to forgive. "This is a record of my life as I remember it—but more importantly, as I felt it." At the age of sixteen, Ian Morgan Cron was told by his mother that his father, a motion picture executive, worked with the CIA in Europe. This astonishing revelation, coupled with his father's dark struggle with alcoholism, upended the world of a teenager struggling to become a man. Born into a family of privilege and power, Ian's life is populated with colorful people and stories as his father takes the family on a wild roller-coaster ride through wealth and poverty and back again. Decades later, as he faced his own personal demons, Ian realized that the only way to find peace was to voyage back through a painful childhood marked by extremes—privilege and poverty, violence and tenderness, truth and deceit—that he'd spent years trying to escape. A fast-paced, unique memoir about the power of forgiveness from the bestselling author of *The Road Back to You* Details his father's struggle with alcohol and Cron's own journey from addiction to twenty-three years of sobriety Encouragement to see God's redemptive power through life's struggles In this surprisingly funny and forgiving memoir, Ian reminds us that no matter how different the pieces may be, in the end we are all cut from the same cloth, stitched by faith into an exquisite quilt of grace.

This book argues that God's mission is broad and that all of us can live with missional intentionality by understanding the many facets of missions and focusing on a particular calling. Just like different instruments of a symphony harmonize together, each aspect of human participation in mission--evangelism, justice initiatives, poverty alleviation, faithful work in the marketplace, art--helps us play our part in God's work in the world. Combining expertise from a mission scholar and a working pastor, the book includes practical examples and tools to help readers imagine their part in God's mission.
