*Model-Based Machine Learning* Hesse Press

For years, J.R.'s stories have been acclaimed throughout the underground horror world. These are stories that challenge expectations and reject the staid conventions of the genre. These are stories that don't compromise. These are stories that, in the finest tradition of H.P. Lovecraft, Thomas Ligotti, T.E.D. Klein, and Dennis Etchison, articulate what you've always suspected: that life is a losing proposition. For the first time, after much demand, J.R.'s surviving stories have been collected in one anthology.

*Something More Than Night* Scholastic Inc.

The global film industry has witnessed significant transformations in the past few years. Regions outside the USA have begun to prosper while non-traditional production companies such as Netflix have assumed a larger market share and online movies adapted from literature have continued to gain in popularity. How have these trends shaped the global film industry? This book answers this question by analyzing an increasingly globalized business through a global lens. Development of the Global Film Industry examines the recent history and current state of the business in all parts of the world. While many existing studies focus on the internal workings of the industry, such as production, distribution and screening, this study takes a "big picture" view, encompassing the transnational integration of the cultural and entertainment industry as a whole, and

pays more attention to the coordinated development of the film industry in the light of influence from literature, television, animation, games and other sectors. This volume is a critical reference for students, scholars and the public to help them understand the major trends facing the global film industry in today's world.

**The Mysterious Island** St. Martin's Press

Four travelers meet in Bolivia and set off into the heart of the Amazon rainforest, but what begins as a dream adventure quickly deteriorates into a dangerous nightmare, and after weeks of wandering in the dense undergrowth, the four backpackers split up into two groups. But when a terrible rafting accident separates him from his partner, Yossi is forced to survive for weeks alone against one of the wildest backdrops on the planet. Stranded without a knife, map, or survival training, he must improvise shelter and forage for wild fruit to survive. As his feet begin to rot during raging storms, as he loses all sense of direction, and as he begins to lose all hope, he wonders whether he will make it out of the jungle alive. Lost in the Jungle is the story of friendship and the teachings of nature, and a terrifying true account that you won't be able to put down.

Street Photography St. Martin's Press

The game under the tree looked like a hundred others Peters and Judy had at home. But they were bored and restless and, looking for something interesting to do, thought they'd give Jumanji a try. Little did they know when they unfolded its ordinary-looking playing board that they were about to be plunged into the most exciting and bizarre adventure of their lives. In his second book for children, Chris Van Allsburg again

explores the ever-shifting line between fantasy and reality with this story about a game that comes startlingly to life. His marvelous drawings beautifully convey a mix of the everyday and the extraordinary, as a quiet house is taken over by an exotic jungle.

**The Floating Feldmans** Lindhardt og Ringhof

A New York Times Notable Book for 2011  
 A Washington Post Notable Fiction Book for 2011  
 A USA Today 10 Books We Loved Reading in 2011  
 Title One of NPR's 10 Best Novels of 2011  
 What if—whoosh, right now, with no explanation—a number of us simply vanished? Would some of us collapse? Would others of us go on, one foot in front of the other, as we did before the world turned upside down? That's what the bewildered citizens of Mapleton, who lost many of their neighbors, friends and lovers in the event known as the Sudden Departure, have to figure out. Because nothing has been the same since it happened—not marriages, not friendships, not even the relationships between parents and children. Kevin Garvey, Mapleton's new mayor, wants to speed up the healing process, to bring a sense of renewed hope and purpose to his traumatized community. Kevin's own family has fallen apart in the wake of the disaster: his wife, Laurie, has left to join the Guilty Remnant, a homegrown cult whose members take a vow of silence; his son, Tom, is gone, too, dropping out of college to follow a sketchy prophet named Holy Wayne. Only Kevin's teenaged daughter, Jill, remains, and she's definitely not the sweet "A" student she used to be. Kevin wants to help her, but he's distracted by his growing relationship with Nora Durst, a woman who lost her entire family on October 14th and is still reeling from the

tragedy, even as she struggles to move beyond it and make a new start. With heart, intelligence and a rare ability to illuminate the struggles inherent in ordinary lives, Tom Perrotta's *The Leftovers* is a startling, thought-provoking novel about love, connection and loss.

**The Cuckoo Clock of Doom** It Books  
 A family vacation dredges up a boatload of trouble in the next witty, insightful novel from the acclaimed author of *The Intermission*. "An irresistible drama filled with humor and heart-tugging emotion about family and what it means to belong. I absolutely adore Friedland's warm, witty writing!"—Emily Giffin, #1 New York Times bestselling author of *All We Ever Wanted*  
 Sink or swim. Or at least that's what Annette Feldman tells herself when she books a cruise for her entire family. It's been over a decade since the Feldman clan has spent more than twenty-four hours under the same roof, but Annette is determined to celebrate her seventieth birthday the right way. Just this once, they are going to behave like an actual family. Too bad her kids didn't get the memo. Between the troublesome family secrets, old sibling rivalries, and her two teenage grandkids, Annette's birthday vacation is looking more and more like the perfect storm. Adrift together on the open seas, the Feldmans will each face the truths they've been ignoring—and learn that the people they once thought most likely to sink them are actually the ones who help them stay afloat.

Get complete instructions for manipulating, processing, cleaning, and crunching datasets in Python. Updated for Python 3.6, the second edition of this hands-on guide is packed with practical case studies that show you how to solve a broad set of data analysis problems effectively. You'll learn the latest versions of pandas, NumPy, IPython, and Jupyter in the process. Written by Wes McKinney, the creator of the Python pandas project, this book is a practical, modern introduction to data science tools in Python. It's ideal for analysts new to Python and for Python programmers new to data science and scientific computing. Data files and related material are available on GitHub. Use the IPython shell and Jupyter notebook for exploratory computing Learn basic and advanced features in NumPy (Numerical Python) Get started with data analysis tools in the pandas library Use flexible tools to load, clean, transform, merge, and reshape data Create informative visualizations with matplotlib Apply the pandas groupby facility to slice, dice, and summarize datasets Analyze and manipulate regular and irregular time series data Learn how to solve real-world data analysis problems with thorough, detailed examples

Lost in the Jungle Running Press Adult Multiple Emmy Award-winning screenwriter Erik Bork (HBO's BAND OF BROTHERS) presents the seven fundamental characteristics of a great

story in any medium. Writers tend to jump into the writing too quickly, without knowing they have a flawed central idea. This book is all about ensuring that doesn't happen!

The Garden of Abdul Gasazi CRC Press

In this novel "full of music, magnetism, and familial obligation" (Emma Straub, author of *All Adults Here*) a dying billionaire matriarch leaks news of her death early so she can examine her legacy—a decision that horrifies her children and inadvertently exposes secrets she has spent a lifetime keeping. Dava Shastri, one of the world's wealthiest women, has always lived with her sterling reputation in mind. A brain cancer diagnosis at the age of seventy, however, changes everything, and Dava decides to take her death—like all matters of her life—into her own hands. Summoning her four adult children to her private island, she discloses shocking news: in addition to having a terminal illness, she has arranged for the news of her death to break early, so she can read her obituaries. As someone who dedicated her life to the arts and the empowerment of women, Dava expects to read articles lauding her philanthropic work. Instead, her "death" reveals two devastating secrets, truths she thought she had buried forever. And now the whole world knows, including her children. In the time she has left, Dava must come to terms with the decisions that have led to this moment—and make peace with those closest to her before it's too late. Compassionately written and chock-full of humor and heart, this powerful novel examines public versus private legacy, the complexities of love, and the never-ending joys—and frustrations—of family. Includes a Reading Group Guide. A Good Morning America and Lilly Singh's Lilly

Library Book Club pick Most anticipated in fall 2021 by TIME, The Washington Post, Bustle, Goodreads, and Debutiful • An Indie Next Pick • A Publishers Marketplace Buzz Book for Fall/Winter 2021 • Longlisted for the 2021 Center for Fiction First Novel Prize  
*You Shall Never Know Security* Simon and Schuster

Publisher Description

**Rotten Movies We Love** HarperCollins  
 Although *The Mysterious Island* is technically a sequel to Verne's enormously popular *Twenty Thousand Leagues Under the Sea*, this novel offers a vastly different take on similar thematic motifs. As with all of Verne's best-known works, *The Mysterious Island* is a masterpiece of the action-adventure genre, with a heaping dash of science fiction influence thrown in for good measure.

*Fundamentals of Data Visualization*  
 Routledge

Aspen Brooks was born to be homecoming queen. After all, she's dating the most popular guy in school, is blessed with stunning good looks, and has excellent style. So why is the crown being put on the skanky head of cheerleader Angel Ives?

*My City, My Dogs* Grand Central Publishing

Take a look behind the bully in this modern classic from Newbery medalist Jerry Spinelli that packs a punch. And don't miss the highly anticipated new novel, *Dead Wednesday*. Cocky seventh-grade super-jock Crash Coogan got his nickname the day he used his first football helmet to knock his cousin Bridget flat on her backside. And he has been running over people ever since, especially Penn Webb, the dweeby, vegetarian Quaker kid who lives down the block. Through the eyes of Crash,

readers get a rare glimpse into the life of a bully in this unforgettable and beloved story about stereotypes and the surprises life can bring. "Readers will devour this humorous glimpse of what jocks are made of." --School Library Journal, starred review

*Jumanji* O'Reilly Media

Literary Nonfiction. LGBTQIA Studies.

Edited by Clare Kelly. one part ketamine spiral, one part confessional travelogue from the edge of gender, TGSM is a hallucinatory transmission on sex, identity, the internet, and the flickering wish not to exist in a given body at a given point in time. TGSM raises questions with which we have begun to negotiate broadly as a culture: what is actually happening to someone when they transition? how should we understand or describe such processes? what is the role of drugs, of hallucination, of imagination, in transition? is being a trans person in this moment in history--when the identity is ever more carefully traced [and tracked] by larger cultural forces--more liberated than before? drawing its source material from chance encounters--wordless interactions in basements or bathrooms or hotel rooms--to archives of 20th century critical theory, sleepover secrets exchanged between old friends, rhetorical barbs deployed in the classrooms of elite universities, arguments on the phone with your parents across timezones, the nonverbal codes of high and low fashion, and scribbled notes on the backs of receipts for medicines you don't know how they work, TGSM is a morbid yet strangely hopeful meditation on the possibilities and meanings of gender variation in our time.

Hook. Wet Hot American Summer. Valley of the Dolls. There are some movies that defy traditional critical assessment -- films that are panned by reviewers, but that go on to become beloved classics and cult phenoms anyway. Ever been crushed to learn your favorite movie -- or a new one you're dying to see -- has been given the big green splat from Rotten Tomatoes' infamous Tomatometer? The site's editors stand by their critics and scores, but they also feel your pain: Fresh films shouldn't get all the glory! In Rotten Movies We Love, the RT team celebrates 101 Rotten movies that can't be missed, including: Box office behemoths that bombed with critics: Space Jam, Maleficent, Bad Boys Sci-fi treasures so bad they're awesome: Cherry 2000, Zardoz, Masters of the Universe Rare Rottens from Fresh directors: The Life Aquatic with Steve Zissou, Marie Antoinette, Legend, Willow Deeply beloved cult classics: The Last Dragon, Empire Records, The Craft, MacGruber Underrated gems ahead of their time: The Strangers, Event Horizon, Practical Magic, The Cable Guy Sequels worth a second look: Home Alone 2, Rocky IV, Jurassic Park III, Return to Oz Featuring 16 essays from some of the world's most well-known film critics -- Leonard Maltin, Terri White, Amy Nicholson, David Fear, K. Austin Collins, and more -- and punctuated with black-and-white film stills and punchy graphics, it's a fun romp through the quirkier corners of film history, sure to delight any cinephile or pop-culture fanatic.

The God Game Houghton Mifflin Harcourt Collects Amazing Spider-Man (1999)

#57-58, 500-502. Peter spends his birthday as Spidey fighting an inter-dimensional threat that's descended on Manhattan. Alongside a who's who of Marvel Universe guest-stars - including the FF, Thor, Iron Man, the X-Men's Cyclops and Dr. Strange, the battle culminates in a trip through time, where Peter/Spider-Man meets ALL of his greatest adversaries like Doctor Octopus and the Green Goblin, and one very special and unexpected reunion!

Malice Marvel Entertainment

From the New York Times-bestselling Goosebumps series, a tween boy accidentally turns back time on an antique clock and now every day he is year younger. Tara the Terrible. That's what Michael Webster calls his bratty little sister. She loves getting Michael in trouble. Making his life miserable. Things couldn't get any worse. Then his father brings home the antique cuckoo clock. It's old. It's expensive. And Dad won't let anyone touch it. Seems like the perfect opportunity to finally get his little sister in trouble for a change. But when Michael fiddles with the clock, hoping to make it look like Tara has damaged it, he unlocks a strange spell. A dangerous spell. A spell that causes Michael to get younger and younger and younger. . . . Poor Michael. He should have listened to his dad. Because if he doesn't figure out how to stop traveling back in time, he might have bigger problems than an annoying sister. . . .
