### **Building Resilience in Children and Teens** Bookbaby

Straightforward, practical, and focused on realistic examples, *Business and Professional Writing: A Basic Guide* is an introduction to the fundamentals of professional writing. The book emphasizes clarity, conciseness, and plain language. Guidelines and templates for business correspondence, formal and informal reports, brochures and press releases, and oral presentations are included. Exercises guide readers through the process of creating and revising each genre, and helpful tips, reminders, and suggested resources beyond the book are provided throughout. The second edition includes new sections on information security and ethics in business writing. New formal proposal examples have been added, and the text has been updated throughout.

*The Seven C's of Positive Behaviour Management* Oxford University Press  
With insight, humor, and down-to-earth parables, a dynamic Notre Dame professor distills the wisdom of the ages into seven core requirements for sustainable personal success.

*21st Century Skills* AuthorHouse  
In this 'at a glance' guide, Sue Cowley introduces teachers to the key principles of Positive Behaviour Management - her 'Seven C's'. This book offers practical and realistic strategies that you can use to improve behaviour in your classroom and your school - immediately. Whatever age group you teach, her ideas will help

and inspire you. Sue Cowley is renowned among both new and experienced teachers for the honest and helpful nature of her advice. Here she condenses all her expertise and experience into a mini guide that is quick to read and indispensable to own. Whether you're brand new to the profession, or you've been teaching for years, this book will give you useful and creative strategies for managing behaviour, and a boost to your classroom management skills. Written by a UK author, this book will also be useful for teachers right around the world. Mini guide: approx. 50 pages (10,000 words)

### **The Seven Cs of Coaching** Dogwise Publishing

*The Seven Cs of Consulting* Pearson UK  
**Training Camp** Financial Times/Prentice Hall

The first edition of 7Cs has established itself firmly as the only complete and definitive guide to the consulting process. This updated second edition contains new models and includes a very timely additional section on ethical consulting. Key Features: • •There has been a general increase in consulting business - it rose by 10% in 2001 •No other consulting book describes the full life cycle of the consulting process

### **Stories from Around the World to Transform and Inspire Your Classroom** Pearson Education

A lot of time and money is spent by Christians who have a passion to spread the gospel. Across the globe, this effort is paying off as seekers find Christ, the source of truth and peace. In many cultures, though, appeals made on behalf of the Christian faith are met with blank stares, indifference, even mocking

hostility. Ken Ham, one of Christendom's most astute observers of evangelism, is convinced that compromise with evolutionary world views has virtually crippled preaching and teaching efforts, especially in Western societies. In this truly bold book, Ham presents an ambitious plan to fulfill the Great Commission. A compelling writer and speaker, Ham deftly exposes the great flaws of Darwinism, and shows how compromise with this philosophy of death is killing the Church. By the jungle of tangled views of reality, and helps committed Christians see the path to effective evangelism.

When you marry the person of your dreams, husbands and wives alike have high expectations. The wife feels as if she is beginning a romantic journey to beautiful, exotic ports of call that will keep her forever in a state of deep joy and love. The husband feels that he has found a first mate that will follow him on an exciting and fulfilling journey leading his family to a state of success and happiness. Then, the everyday tasks as well as the demands of life seem to get you off course. As the months and years pass, you grow further apart from the person of your dreams and wonder how and why he or she has changed. You wonder if you are stuck on this course through storm after storm with no end in sight and may even contemplate abandoning ship or beginning another journey with someone else. In *Sailing the Seven C's of Marriage*, author Amy Bindas uses the compass and guidebook given to us in the Bible to get marriages back on course. You can have the marriage you have always dreamed about. There is smooth sailing ahead!

The Seven Cs of Consulting

The transition to a circular economy requires innovation at all levels of society. This insightful Research Handbook is the first comprehensive edited work examining how innovation can contribute to a more circular economy.

*A New Philosophy of Excellence* Pearson Education

Since it first appeared in the *Camp Dances With Dogs* workbook, this charming little booklet has been a favorite with Suzanne's fans. This humorous, thoughtful look at seven key points of a healthy relationship has even been used as a handout by Dr. Helen Greven during her 1996 lecture for the International Society of Psychodramatists. Clothier examines these 7 key points of the dog/human relationship: creativity, consistency, communication, congruency, condition, clarity and confidence. Where else will you find a discussion of dogs & people sprinkled with quotes from Shakespeare, George Burns and Cool Hand Luke?

*The Seven C's of Why* Crown House Publishing

CLIENT, CLARIFY, CREATE, CHANGE, CONFIRM, CONTINUE, CLOSE = THE SEVEN SECRETS OF CONSULTANCY

"Most change methods are effective. For the most part, each one is theoretically sound, well-researched, and clearly articulated. But when they're put in organizations, they fail-at least 70 to 80% of the time". George Smart, Managing Partner, Strategic Development Incorporated The definition of a consultant is someone who facilitates organisational change and provides expertise on technical, functional and business topics during development or implementation. In other

words a consultant is someone who helps others to change. However, change isn't such an easy target to achieve. Research shows that the vast majority of change programmes fail. On a daily basis we hear about projects that are delayed, cancelled, over budget or boycotted by the end user. The problem is that we can never force people to change - remember the backlash against Jamie Oliver's healthy school meals campaign where parents handed junk food to their children through school fences. The key to successful change is to engage with the end user and help them want to change. The Seven Cs of Consulting offers a consistent and collaborative language that helps both consultant and client deliver value through sustainable change. Based around the author's highly successful 7Cs model (Client, Clarify, Create, Change, Confirm, Continue, Close) this approach is simple and accessible but firmly grounded in research and real life experience. The 7Cs approach opens up the complexity of sustainable change to the consultant and client and helps them explore- and then avoid - the real issues that cause change to fail within a more professional and trusting relationship.

### **A Guide to Training & Relationships**

HarperCollins

Throughout the ages, plenty of people have written and spoken about success and excellence. But leave it to contemporary philosopher and popular business speaker Tom Morris to gather the best of it into a universal tool kit for achieving nearly any goal. From a clear CONCEPTION of what we want, to a stubborn CONSISTENCY in pursuing our vision, to a CAPACITY to enjoy the process, The Art of Achievement outlines a simple framework that will lead readers down a road of excellence.

Peppered with quotes from great thinkers and successful people, such as Plato, Aristotle, Einstein, and Churchill, The Art of Achievement helps readers map out new paths to better health, greater efficiency, and deeper satisfaction.

### Having the Marriage You've Always Wanted Edward Elgar Publishing

Two high-achieving African Americans in the U.S. Navy share their leadership experiences over nearly sixty consecutive years of service. Melvin G. Williams Sr. served in the Navy from 1951 to 1978 with a final assignment as a Command Master Chief. His son, Melvin G. Williams Jr., served from 1978 to 2010 with a final assignment as Commander, U.S. Second Fleet. Their book describes how they navigated through the ranks by employing what they call the "Seven Cs" of leadership and how those leadership principles can be learned, practiced, and refined for any profession.

### Why Won't They Listen? Xlibris Corporation

With forewords by Professor Tanya Byron and Octavius Black, Educating Ruby: What Our Children Really Need To Learn is a powerful call to action by acclaimed thought-leaders Guy Claxton and Bill Lucas. It is for everyone who cares about education in an uncertain world and explains how teachers, parents and grandparents can cultivate confidence, curiosity, collaboration, communication, creativity, commitment and craftsmanship in children, at the same time as helping them to do well in public examinations. Educating Ruby shows, unequivocally, that schools can get the right results in the right way, so that the Rubys of tomorrow will emerge from their time at school able to talk with honest pleasure and reflective optimism

about their schooling. Featuring the views of schoolchildren, parents, educators and employers and drawing on Guy Claxton and Bill Lucas' years of experience in education, including their work with Building Learning Power and the Expansive Education Network, this powerful new book is sure to provoke thinking and debate. Just as Willy Russell's *Educating Rita* helped us rethink university, the authors of *Educating Ruby* invite fresh scrutiny of our schools.

*The Seven Cs of Consulting* Pearson Education India

NFL head coach Mike Smith lead one of the most remarkable turnarounds in NFL history. In the season prior to his arrival in 2008, the Atlanta Falcons had a 4-12 record and the franchise had never before achieved back-to-back winning seasons. Under Smith's leadership, the Falcons earned an 11-5 record in his first season and would go on to become perennial playoff and Super Bowl contenders earning Smith AP Coach of year in 2008 and voted Coach of Year by his peers in 2008, 2010 and 2012. *You Win in the Locker Room First* draws on the extraordinary experiences of Coach Mike Smith and Jon Gordon—consultant to numerous college and professional teams—to explore the seven powerful principles that any business, school, organization, or sports team can adopt to revitalize their organization. Step by step, the authors outline a strategy for building a thriving organization and provide a practical framework that give leaders the tools they need to create a great culture, lead with the right mindset, create strong relationships, improve teamwork, execute at a higher level, and avoid the pitfalls that sabotage far too many leaders and organizations. In addition to sharing

what went right with the Falcons, Smith also transparently shares what went wrong his last two seasons and provides invaluable lessons leaders can take away from his victories, success, failures and mistakes. Whether it's an executive leadership team of a Fortune 500 company, a sports team, an emergency room team, military team, or a school team successful leaders coach their team and develop, mentor, encourage, and guide them. This not only improves the team, it improves the leaders and their relationships, connections, and organization. *You Win in the Locker Room First* offers a rare behind-the-scenes look at one of the most pressure packed leadership jobs on the planet and what leaders can learn from these experiences in order to build their own winning team.

**... and how to use them** *Bookbaby*  
*The Seven Cs of Happiness* is a book about achievement of long lasting and meaningful happiness. It shows how all of us can use common sense and moderation to be happy. It will help you understand happiness and provide a useful guide, not an answer, to a happy and successful life. It is not prescriptive, nor is it based on any of the old time religions, new age theories, Freudian principles, or other popular or esoteric doctrines. If anything, two underlying premises the book follows are; common sense and moderation. Part I explains the meaning of happiness and how it relates to our lives. It paves a way to a better understanding of the role of happiness in life. In addition, steps are laid out to focus and coordinate our goals, desires, and wishes to create a meaningful life. Part II provides how the seven Cs (Commitment, Communication, Contentment, Character, Courage, Compassion, Compromise), may be used

to help us become happy. These seven elements of a happy life have been written and talked about throughout the history of mankind. In fact, one may say that the basis of these Cs is the most important C of them all, Common Sense. Although each of the elements is discussed separately, all of them, to some degree, are necessary for the pursuit of happiness. The seven Cs are easy to understand, although a little more difficult to live by, as they are inter-related in the application to our daily lives. The chapters in Part II are not arranged in any order of importance. Not a single C is sufficient for all your needs, nor are all the Cs needed at all the time. Depending on an individual's priorities and needs, for a specific situation, significance and application of the elements will be very different. So, there are situations where Compromise may be of more value than Commitment. People of all occupations, from the president of a large corporation to the layman in the street, from a housewife to a young man in college, should be able to benefit from this book.

Beating the Recession Broadview Press

Are you ready to take a voyage to unrivaled practice success? Lori W. Allen's *Sailing the Seven C's to Successful Practice Management* directs you through all the ports in your journey, guiding you to the ultimate goal of operational excellence. As you sail through Calibration, Communication, Credibility, Consistency, Collaboration, Customer Service, and Creation, your vision for the future of your practice becomes clear and you will have the tools you need to achieve greatness.

**People Fuel** Routledge

NATIONAL BESTSELLER The FBI's former head of counterintelligence reveals the seven secrets of building and

maintaining organizational excellence "A must read for serious leaders at every level." —General Barry R. McCaffrey (Ret.) Frank Figliuzzi was the "Keeper of the Code," appointed the FBI's Chief Inspector by then-Director Robert Mueller. Charged with overseeing sensitive internal inquiries and performance audits, he ensured each employee met the Bureau's exacting standards. Now, drawing on his distinguished career, Figliuzzi reveals how the Bureau achieves its extraordinary track record of excellence—from the training of new recruits in "The FBI Way" to the Bureau's rigorous maintenance of its standards up and down the organization. All good codes of conduct have one common trait: they reflect the core values of an organization. Individuals, companies, schools, teams, or any group seeking to codify their rules to live by must first establish core values. Figliuzzi has condensed the Bureau's process of preserving and protecting its values into what he calls "The Seven C's". If you can adapt the concepts of Code, Conservancy, Clarity, Consequences, Compassion, Credibility, and Consistency, you can instill and preserve your values against all threats, internal and external. This is how the FBI does it. Figliuzzi's role in the FBI gave him a unique opportunity to study patterns of conduct among high-achieving, ethical individuals and draw conclusions about why, when and how good people sometimes do bad things. Unafraid to identify FBI execs who erred, he cites them as the exceptions that prove the rule. Part pulse-pounding memoir, part practical playbook for excellence, *The FBI Way* shows readers how to apply the lessons he's learned to their own lives: in business, management, and personal

development.

You Win in the Locker Room First

Andrews McMeel Publishing

Help prepare the children and teens in your life to face life's challenges with grace and grit. In this award-winning guide author and pediatrician Dr. Ken Ginsburg shares his 7 crucial Cs: competence, confidence, connection, character, contribution, coping, and control. You'll discover how to incorporate these concepts into your parenting style and communication strategies, thereby strengthening your connection. And that connection will position you to guide your child to bounce back from life's challenges and forge a meaningful and successful life. You'll also learn detailed coping strategies to help children and teenagers deal with the stresses of academic pressure, media messages, peer pressure, and family tension. These approaches will prepare children to thrive and make it less likely that they will turn to risky quick fixes and haphazard solutions. Resilience is a critical life skill. And it can be taught! Learn how with Building Resilience in Children and Teens.

The Seven Drivers of Team Effectiveness

John Wiley & Sons

Written by Chris Batten an international CEO and founder of the Rainmakers Club. The author is on a quest to change the world for the start-Up and Micro businesses by introducing his tried and tested success model called 'The 7C's of Why.' This unique model is focused on 7 elements that need to be present in every business, not just present they need to be in complete balance too. The 7C's are - Cadence, Clarity, Communication, Control, Cash Construction and Collaboration. In the book the author points out in a no

nonsense style that success will come from the choice the reader will make, they can choose how they feel and deal with issues, they can choose who they align themselves to, they can choose to win, they can choose to create a business capable of exceptional and sustainable results. The choices made by the small business and the mindset they maintain can be made that much simpler by following the 7C's of Why. A model for development deigned by the author during his career as a CEO and business adviser. This book will give the reader all they need to set them on the right course for true success. The book also encourages the Reader to take part in a support program designed to accompany the book, giving the reader an even better chance of producing sustainable and exceptional results. The book has been designed to stand alone too with multiple exercise as part of the content and an open invitation for the reader to share their results with the author. The book will take the reader through all the key elements and give them all they need to build a strong business. It starts by focusing on the misleading information about business failure and the causes, and provides an alternate view that can and will change how the reader thinks about their business. The book challenges the reader to establish high quality principles and create a vivid vision for the future, but unlike mainstream businesses the book encourages a new way of thinking to establish a tangible advantage. Based on proven principles and referencing the works of Napoleon Hill and Earl Nightingale this book is suitable reading, giving great value to the over 6 million UK businesses and the significant US market too. The book also opens the door for follow on books for each of the individual 'C' words

as part of a series.

**The Little Book of Big Management Theories** Zondervan

Where does that “winning edge” you’ve heard so much about come from? How do some people seem to find success simply from waking up and getting out of bed? World-renowned performance expert Brian Tracy has spent decades studying uncommonly high achievers. Instead of finding commonalities such as Ivy League educations, gold-star connections, and a dash of blind luck, Tracy discovered that the keys to their success were more often small adjustments in outlook and behavior--

simple things that anyone can do! In Personal Success, Tracy lays out a simple, clear plan for anyone to be able to unlock their potential and find the success they previously thought was unattainable for them. Readers will learn to:

- Change your mindset to attract opportunity
- Banish self-limited beliefs
- Build your self-confidence
- Practice courage--because all successful people are risk takers
- Sharpen your natural intuition
- Continually upgrade your skills
- And more

Packed with simple but game-changing techniques, Personal Success is the answer you’ve been searching for to gain that winning edge and turn your dreams into realities.
