### **Ashfall Prophecy** HarperCollins

The seventh and final book in the #1 New York Times bestselling I Am Number Four series brings the Garde's story to a breathtaking conclusion. The Garde didn't start this war, but they'll do whatever it takes to end it once and for all. . . . They've teamed up with the US military, but it might not be enough. The Garde need reinforcements, and they've found them in the most unexpected place.

Teenagers from across the globe, like John Smith's best friend, Sam, have developed abilities. So John and the others must get to them before the Mogs, because if they don't their enemies will use these gifted teens for their own sinister plan. But after all that has been taken from John—his home, his family, his friends, and the person he loves most—he might not want to put any more lives in danger. He's got nothing left to lose, and he's just discovered he has an incredible new Legacy. Now he can turn himself into the ultimate weapon. ### **The Power of Six** Harper Collins

The first three novels in the bestselling Lorien Legacies series that began with I Am Number Four are included in this collection: I Am Number Four: The book that started it all . . . Nine of us came here. We look like you. We talk like you.

We live among you. But we are not you. We can do things you dream of doing. We have powers you dream of having. We are stronger and faster than anything you have ever seen. Our plan was to grow, and train, and become strong, and become one, and fight them. But they found us and started hunting us first. Now all of us are running. They caught Number One in Malaysia. Number Two in England. And Number Three in Kenya. They killed them all. I am Number Four. I am next. The Power of Six: I've seen him on the news. Followed the stories about what happened in Ohio. John Smith, out there, on the run. To the world, he's a mystery. But to me . . . he's one of us. There are six of us left. We're hiding, blending in, avoiding contact with one another . . . but our Legacies are developing, and soon we'll be equipped to fight. Is John Number Four, and is his appearance the sign I've been waiting for? And what about Number Five and Six? I am Number Seven. One of six still alive. And I'm ready to fight. The Rise of Nine: The stakes are higher than ever as John, Six, and Seven try desperately to find the rest of the Garde before it's too late. During the dangerous mission at the Mogadorian base in West Virginia, John found and rescued Nine. But even with their combined powers, special abilities known as Legacies, the pair barely escaped with their lives—and they lost Sam in the process. In order to save our world and their own, John and Nine must join forces with Six and Seven who have been battling the Mogadorians in Spain, and who are now trying to locate Number Eight in India.
