The Elders

HarperCollins
Riders of the Realm
author Jennifer Lynn
Alvarez “will lift the
reader on the wings of
danger and destiny,
magic and hope”* in
this first book in an

action-packed fantasy
adventure series.
Perfect for fans of the
Warriors and Guardians
of Ga’Hoole series.
Once every hundred
years, a black foal is
born, prophesied to
either unite or destroy
the five herds of
winged horses that live
in Anok—fated to
become the most
powerful Pegasus in all
the land. Star is this

black foal. Even though Star seems harmless because he's unable to fly, the leaders of each herd aren't willing take any risks. So, they plan to execute Star before his first birthday. With the threats against him mounting, Star must rely on his friends and the untapped power within to win an epic battle between good and evil. * (New York Times bestselling author Peter Lerangis) *Unnaturals: Escape from Lion's Head* Scholastic Inc.

As the summer ends, Zoey thinks something's fishy—so she's making waves! Includes "Sew Zoey" blog posts and fashion illustrations. In the eighth book of the Sew Zoey series, for Zoey Webber, the end of summer means beach trips, concerts, and lots

of time to sew. She's making clothes for her friend Libby's little sister, pillows for her friend Priti's new bedroom, and a surprise for her brother's rock band. It all seems to be going swimmingly, but under the surface, things are getting rough. Libby is frustrated that her little sister won't leave her alone, Priti is struggling with getting a great new bedroom for a not-so-great reason, and Zoey hurts people's feelings when she tries to figure out why her fabric swatches keep disappearing. Then someone unexpected shows up at Zoey's front door...

[Japanese Mythology in Film Boom!](#) Studios Isla continues her search for her missing brother with Haiki, a friendly fox who helps

her navigate the treacherous Wildlands, and together they seek out the Elders, from whom they hope to learn ancient art of foxcraft.

Frost Genealogy in Five Families University Press of Colorado

The second book in a thrilling fantasy trilogy starring one of the animal kingdom's most hunted heroes.

Foxcraft is full of excitement and heart, and a touch of magic. Isla's search for her missing brother, Pirie, has brought her to the vast Wildlands. The forest is a treacherous place for a fox cub, but Isla is talented in foxcraft -- ancient arts of cunning known only to her kind. Skilled though she is, Isla's grasp of foxcraft is still new. And she's not alone... A cruel and

mysterious fox stalks the forest, with the power to enslave others to his will. In order to survive, Isla must learn to trust in the rustic Wildlands foxes. But there are tales of others -- a council of Elders who are masters of foxcraft, and who warily guard its most potent secrets. If Isla wishes to master her gifts and find her brother, then the Elders may be her only hope.

The Taken (Foxcraft, Book 1) Scholastic Inc. Perfect for fans of the Warriors and the Guardians of Ga'Hoole series, the action-packed fourth and final book in this first arc of the Guardian Herd series follows Star and his nemesis, Nightwing, as they face off in an epic battle that will end

everything. Star and his friends have been through constant struggle, and now Star faces his toughest, most deadly challenge yet. Nightwing the Destroyer has captured all the pegasi of Anok, including Star's friends. And when Star learns of Nightwing's deadly plan for the captured herd, he knows the time has come to fight. With no one to turn to but his enemy Frostfire, Star searches Anok with Frostfire to track down Nightwing. And as a violent storm approaches, Star and Nightwing face off amid quaking lands, dangerous winds, and blazing fires, in a battle to end all battles—and one that will determine the fate of all the pegasi in Anok.

Prepare for the unfamiliar When every bit of human magic disappears suddenly from Vastia, it falls on the familiars—Aldwyn the telekinetic cat, Skylar the know-it-all blue jay, and Gilbert the gullible tree frog—to find the Crown of the Snow Leopard, an ancient relic that can reverse the curse. They learn that the only way to do this is by following in the paw prints of Aldwyn's missing father, who went searching for the Crown several years earlier. This magical spirit trail extends into the Beyond, where our heroes encounter new enemies and danger, while Aldwyn learns about his mysterious past. Full of high-flying adventure and heartwarming friendships, *Secrets of*

the Crown will make readers want to get even more familiar with The Familiars!

The Elders (Foxcraft, Book 2) Lexington Books

Discover the origins of the warrior Clans in this thrilling prequel to Erin Hunter's #1 nationally bestselling Warriors series This ebook collection includes the first three books in the Dawn of the Clans prequel series, and is perfect for the collections of longtime Erin Hunter fans and readers new to the Warriors world. Long before Firestar came to ThunderClan, a band of cats from the mountains set off on a dangerous journey in search of a new home. But in this unfamiliar new world, great dangers await them....

The Tygrine Cat on the

Run University of Chicago Press

The familiars Aldwyn the cat, Skyler the blue jay, and Gilbert the tree frog are off on an all-new adventure in the series that Michael Buckley, bestselling author of The Sisters Grimm and NERDS series, says "combines the magic of Harry Potter and the adventure of Warriors." With inventive magic, laugh-out-loud humor, and a mysterious conspiracy that will take all the familiars' wits to unravel, Palace of Dreams is the familiars' most extraordinary adventure yet. Peace has returned to the queendom of Vastia. Paksahara has been defeated, and the three familiars Aldwyn, Skyler, and Gilbert are the heroes to thank.

But when a birthday celebration at the palace goes dreadfully wrong, and Queen Lorabella falls victim to a curse, it seems the familiars are the prime suspects. After narrowly escaping the palace dungeons, they'll have to embark on a quest to clear their names—a quest that will lead them across Vastia and even into the magical land of dreams.

Collins

The first book in a thrilling fantasy trilogy starring one of the animal kingdom's most hunted heroes. Foxcraft is full of excitement and heart, and a touch of magic.

Isla and her brother are two young foxes living just outside the lands of the furless -- humans. The life of a fox is filled with dangers, but Isla has begun to learn mysterious skills meant to help her survive. Then the unthinkable happens. Returning to her den, Isla finds it set ablaze and surrounded by strange foxes, and her family is nowhere in sight. Forced to flee, she escapes into the cold, gray world of the furless. Now Isla must navigate this bewildering and deadly terrain, all while being hunted by a ruthless enemy. In order to survive, she will need to master the ancient arts of her kind -- magical gifts of cunning known only to foxes. She must unravel the secrets of

foxcraft.

The Families Geddie & McPhail Walker

When Aldwyn, a young alley cat on the run, ducks into a mysterious pet shop, he doesn't expect his life to change. But that's exactly what happens when Jack, a young wizard, picks Aldwyn to be his magical familiar. Finally off the tough streets, Aldwyn thinks he's got it made. He just has to convince the other familiars—the know-it-all blue jay Skylar and the friendly tree frog Gilbert—that he's the telekinetic cat he claims to be. But when Jack and two other wizards in training are captured by a terrible evil, it will take all of Aldwyn's street smarts, a few good friends, and a nose for adventure to

save the day!

Long before humans walked the earth, there were two tribes of cats: the Sa Mau of the Nile Delta, and the Abyssinia Tygrine from ancient Nubia. Armed with mysterious powers, the ruthless Sa sought to crush the Tygrine and condemn

all cats to darkness. Even those who believe the legend claim the tribes became extinct 9,000 years ago with the domestication of cats. They are mistaken... Mati lives among the street cats at Cressida Lock. But Mati is different - he is a Tygrine, the last of his kind.

The Elders Random House Graphic
Oni, ubiquitous supernatural figures in Japanese literature, lore, art, and religion, usually appear as demons or ogres. Characteristically threatening, monstrous creatures with ugly features and fearful habits, including cannibalism, they also can be harbingers of prosperity, beautiful and sexual, and especially in modern

contexts, even cute and lovable. There has been much ambiguity in their character and identity over their long history. Usually male, their female manifestations convey distinctively gendered social and cultural meanings. Oni appear frequently in various arts and media, from Noh theater and picture scrolls to modern fiction and political propaganda. They remain common figures in popular Japanese anime, manga, and film and are becoming embedded in American and international popular culture through such media. Noriko Reider's book is the first in English devoted to oni. Reider fully examines their cultural history, multifaceted roles, and

complex significance as "others" to the Japanese.

It is said that dreams are just that: only dreams. But believe me, this is not always true. Some dreams are as real as the dreamer. Thanks to their dreams, dreamers can receive the special visit of eternal wisdom that has inspired the creativity of great inventors, scientists, musicians, and even

writers throughout the ages. This creative wisdom is not always the type that appears to the eager conscience.

Sometimes, a Defiler, a destroyer of dreams, is the one who tries to appear before the dreamer. These creatures were once humans, but they allowed their pain and desire for revenge to take over and seek the same miserable fate for the one who dreams. You must not fear -- Dream Guardians, also known as Kelsdrant, will always protect the one who dreams, even with their own life. They are people of flesh and bone, just like you and me, or at least they are on Earth. The following story is dedicated to the fun, extravagant, and enlightening life of

Julian Fox, the Dream Guardian. Be prepared, dear reader. It is time to dream, laugh, reflect, and even maybe cry. Welcome to the Land of the Wise Dreams.
