*A Deadly Brew*  
Morgan  
Kaufmann  
This collection  
of writings,  
featuring the  
voices of  
today's young

feminists, the  
"Third Wave",  
explores and  
reveals their  
lives. Their  
impassioned  
essays take  
on such topics  
as racism,  
AIDS, sex,  
identity,  
revolution,  
and abortion.  
Law of

Leverage  
47North  
Filled with  
recipes that  
have stood  
the test of  
time as well  
as fascinating  
anecdotes and  
tales, Tea Fit  
for a Queen  
reveals how  
the tradition  
of afternoon

tea started in royal Britain. Over 40 charming recipes include everything from delicate finger sandwiches to Victoria sponge cake, Chelsea Buns and a Champagne Cocktail. In these pages learn about the infamous royals and their connection to the history of tea; why jam pennies were Queen Elizabeth II's favourite tea time treat and how mead cake came to be served

during Henry VIII's reign. Discover what cake William and Catherine selected for their wedding and hear why orange-scented scones became a royal tradition at Kensington Palace. Tea Fit for a Queen presents a taste of palace etiquette to take home. *Light and Skin Interactions* University of Texas Press No Perfect SecretWritten Musings *Odes* Other Press, LLC Life Lessons for Mastering the Law of

Attraction teaches you what you need to know about living the Law of Attraction and how to create your own personal success through its concepts. Inspiration for a Purpose-Filled Life Simon and Schuster Following the Pulitzer prize-winning collection Stag's Leap, Sharon Olds gives us a stunning book of odes. Opening with the powerful and tender "Ode to the Hymen," Olds addresses and

embodies, in this age-old poetic form, many aspects of love and gender and sexual politics in a collection that is centered on the body and its structures and pleasures. The poems extend parts of her narrative as a daughter, mother, wife, lover, friend, and poet of conscience that will be familiar from earlier collections, each episode and memory burnished by the wisdom and grace and humor of

looking back. In such poems as “Ode to My Sister,” “Ode of Broken Loyalty,” “Ode to My Whiteness,” “Blow Job Ode,” and “Ode to the Last Thirty-Eight Trees in New York City Visible from This Window,” Olds treats us to an intimate examination that, like all her work, is universal, by turns searing and charming in its honesty. From the bodily joys and sorrows of childhood to the deaths of those dearest to us, Olds

shapes the world in language that is startlingly fresh, profound in its conclusions, and life-giving for the reader.

**By Fire, By Water**

Destiny Books  
Light and Skin  
Interactions  
immerses you in one of the most fascinating application areas of computer graphics: appearance simulation. The book first illuminates the fundamental biophysical processes that affect skin appearance,

and reviews seminal related works aimed at applications in life and health sciences. It then examines four exemplary modeling approaches as well as definitive algorithms that can be used to generate realistic images depicting skin appearance. Despite its wide scope of simulation approaches, the book's content is presented in a concise manner, focusing on relevant practical aspects. What's more, these approaches can be successfully applied to a wide range of additional materials, such as eye tissue, hair, and water. Allows you to understand and predict the qualitative and quantitative behavior of complex natural systems A general background on tissue optics clarifies several confusing conceptual issues, saving you valuable time in the early stages of research Includes complete code and data sources for the BioSpec model [Simulations for Computer Graphics Applications](#) Kaplan Publishing EL LIBRO COMPLEMENTARIO DE LA CONOCIDA SERIE DOCUMENTAL DE PBS Latino americanos relata la rica y variada historia de los Latinos que han contribuido a darle forma a

nuestra nación, y quienes se han convertido -- con más de 50 millones de personas-- en la minoría más numerosa de los Estados Unidos. Este complemento de la conocida miniserie de PBS relata, de manera vívida y franca, cómo la historia de los latinoamericanos es la historia de nuestro país. El aclamado periodista y autor Ray Suarez explora las vidas de hombres y mujeres

latinoamericanos en un periodo de quinientos años, e incluye una gama épica de experiencias que abarca desde los primeros asentamientos europeos al Destino Manifiesto; del Salvaje Oeste a la Guerra Fría; de la Gran Depresión a la globalización; de la Guerra Hispano-Estadounidense al movimiento de los derechos civiles. Latinoamericanos comparte las luchas

personales y los éxitos de inmigrantes, poetas, soldados y muchos otros: individuos que han causado un impacto en la historia y aquellos cuyas extraordinarias vidas iluminan la época en que vivieron, así como el legado de estos sensacionales estadounidenses.

Biology of Humans No Perfect Secret LINUX OPERATIONS AND ADMINISTRATIONS introduces readers to Linux

operations and system administration through a unified installation, using virtual machines. This text is more effective than those that take a professional approach because it eliminates confusion from working with differing hardware configurations, while allowing users to test interoperability between Linux and Windows. Detailed, yet reader-friendly, Linux Operations

and Administration makes it easy to learn Linux and practice it with helpful in-text features like learning objectives and key terms, as well as items for self assessment such as review questions, hands-on activities, and case projects. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Life by the

Cup Catalyst Game Labs This is an elementary introduction to syntactic analysis. Assuming no prior knowledge of the subject whatsoever, it is intended for students who are encountering such analysis for the first time. For those embarking on a longer term study of syntax, this will be a valuable and quickly assimilated foundation course. For students who will need to

use syntax as a basic descriptive tool - such as trainee teachers, speech therapists or students of literacy style - the book provides a framework for their analysis and practice in its use. The book begins by looking at the use of generalizations in describing sentence structure and the basis for word categories. It then moves through increasingly more complex constructions giving

students plenty of opportunity by way of practical exercises to understand the basis of each analysis before moving further. The aim of the book is not to explore complex issues of argumentation. Its emphasis is on practical "hands on" analysis.

**Chicana Movidas**

Trafford Publishing  
Nana's band Blast is taking off in a big way--from sold-out club dates to a record label

waving a contract at them. But the Trapnest menace still lurks, stealing away everything she cares for. Trapnest took her boyfriend, and even though Ren is back in her life, his band still comes first. And now her trusty sidekick Hachi is being lured away by Trapnest bassist Takumi. But this time, Nana won't give up without a fight! -- VIZ Media  
*Language in the Brain*

Prestel Publishing Assesses current assumptions about how language is acquired, remembered and retained as impulses in the brain, from the perspective of neurolinguistics. The 500-year Legacy that Shaped a Nation Sphere With contributions from a wide array of scholars and activists, including leading Chicana feminists from the period, this groundbreaking anthology is the first collection of scholarly essays and testimonios that focuses on Chicana organizing, activism, and leadership in the movement years. The essays in Chicana Movidas: New Narratives of Activism and Feminism in the Movement Era demonstrate how Chicanas enacted a new kind of politics at the intersection of race, class, gender, and sexuality, and developed innovative concepts, tactics, and methodologies that in turn generated new theories, art forms, organizational spaces, and strategies of alliance. These are the technologies of resistance documented in Chicana Movidas, a volume that brings together critical biographies of Chicana activists and their bodies of work; essays that focus on understudied organizations, mobilizations, regions, and

subjects; examinations of emergent Chicana archives and the politics of collection; and scholarly approaches that challenge the temporal, political, heteronormative, and spatial limits of established Chicano movement narratives. Charting the rise of a field of knowledge that crosses the boundaries of Chicano studies, feminist theory, and queer theory, *Chicana Movidias*: New

Narratives of Activism and Feminism in the Movement Era offers a transgenerational perspective on the intellectual and political legacies of early Chicana feminism. Unwired A&C Black Humanity is on the ropes, and after years of fighting a two-front war with losing odds, so is North American Defense Corps officer Andrew Grayson. He dreams of dropping out of the service one day,

alongside his pilot girlfriend, but as warfare consumes entire planets and conditions on Earth deteriorate, he wonders if there will be anywhere left for them to go.

**No Perfect Secret** Wiley-Blackwell A year after a devastating epidemic swept the world, Emily and her six-year-old son, Song, are struggling south in search of more hospitable climates. A snowstorm traps them in

an abandoned gas station, where starving and desperate, they encounter Aaron, an Army medic on a mission of his own, who offers them a ride to ease the journey. Critical Assessments Bloomsbury Publishing USA Ivy and Tristan have both moved on ~ Tristan, to the other side of the afterlife, and Ivy has moved on with sweet, dependable Will. But when an accident

seriously injures Ivy, almost to the point of near death, she meets her soulmate Tristan again. And at the place of the "in between", their bittersweet reunion culminates in one breathtaking kiss. But unbeknownst to both Ivy and Tristan, it was that one heart stopping kiss that brought Ivy back to life ~ and angels are prohibited from meddling in matters of life and death. Now fallen

from heaven for saving the girl he loves, Tristan is in the body of a stranger, and he must find his way to Ivy once more... Concepts, Applications, and Issues Igloo Books Anna Nesmith has it all... Until one sleet-filled winter day, she doesn't. When an investigator begins asking Anna questions, her great marriage, dream job, and ordered world begin to crash like Jenga blocks. Frank Caburn

is man to the bone and manufactures testosterone like Frito Lay does chips, which seems not to impress Anna one whit as she picks through the rubble of her shattered life. Attracted to Anna, Caburn determines to make her his own, but how to tell her without tripping over a layer of secrets is beyond him. Falling in love has never been more difficult. *The Original Dream Trope* City Editions Recipient of

the Independent Publishers Award for Historical Fiction (Gold Medal), the Foreword Book of the Year Award for Historical Fiction (Bronze Medal), and an honorable mention in the category of General Fiction for the Eric Hoffer Award. Luis de Santángel, chancellor to the court and longtime friend of the lusty King Ferdinand, has had enough of the Spanish Inquisition. As the power of

Inquisitor General Tomás de Torquemada grows, so does the brutality of the Spanish church and the suspicion and paranoia it inspires. When a dear friend's demise brings the violence close to home, Santángel is enraged and takes retribution into his own hands. But he is from a family of conversos, and his Jewish heritage makes him an easy target. As Santángel witnesses the

horrific persecution of his loved ones, he begins slowly to reconnect with the Jewish faith his family left behind. Feeding his curiosity about his past is his growing love for Judith Migdal, a clever and beautiful Jewish woman navigating the mounting tensions in Granada. While he struggles to decide what his reputation is worth and what he can sacrifice, one man offers him a chance

he thought he'd lost...the chance to hope for a better world. Christopher Columbus has plans to discover a route to paradise, and only Luis de Santángel can help him. Within the dramatic story lies a subtle, insightful examination of the crisis of faith at the heart of the Spanish Inquisition. Irresolvable conflict rages within the conversos in *By Fire, By Water*, torn between the religion they

left behind and the conversion meant to ensure their safety. In this story of love, God, faith, and torture, fifteenth-century Spain comes to dazzling, engrossing life.

[A Rat in My Soup!](#) Simon and Schuster For Maya, history is like a dream, and her dreams are like a history of her life and how it relates to others. Effortlessly defying and calling into question time and space,

Maya inhabits fantastical realities filled with shamans, romantic longing, a daughter's struggles, and a flying dragon. Lyrically flowing between Maya's multiple realities, *The Original Dream* is the story of a young independent Indonesian woman trying to break free from cultural and social conventions while also searching for her place among family and friends. With guidance

from her parents, coworkers, and sister, along with a newborn filled with the wisdom of elders, Maya navigates her perceptions, looking for answers to unknown questions. Whether soaring through the nighttime sky, caring for her nephew, or tending to guests at the hotel where she works, she tries to delineate the difference between dreams and reality and if such a

difference even matters. "

 West is a high school senior who has everything going for him until an accident leaves him paralyzed. Strapped down in his hospital bed, slipping in and out of consciousness, West is terrified and alone. Until he meets Olivia.

She's the girl next door-sort of. A patient in the room next to his, only Olivia can tell what West is thinking, and only Olivia seems to know that the terrible dreams he's been having are not just a result of his medication. Yet as West comes to rely on Olivia-to love her, even-certain questions pull at him: Why has Olivia been in the hospital for so long? And what does it mean that she is at the center of his

nightmares? But the biggest question of all comes when West begins to recover and learns that the mysterious girl he's fallen in love with has a secret he could never have seen coming. **Evercrossed** Random House Whether they're threading a barrel or shredding a swell, these amazing women are making enormous waves in the world of surfing. If you thought

surfing was a male-dominated sport, think again. The thirty women surfers profiled in this thrilling collection can rip a wave with the best of them. Hailing from all over the world, each surfer is featured in spectacular photography and with their own inspirational words. There's American professional surfer Lindsay Steinriede on how her father's death has inspired her career;

French board shaper Valerie Duprat on how she got her start "sculpting foam"; Conchita Rossler, founder of Mooana Retreat in Portugal, on connecting mind, body, and spirit; and Australian photographer Cait Miers on	empowering women. You'll also meet surfers who are over sixty, who surf while pregnant, who captain boats, teach yoga, and make movies. Breathtaking photography captures these women from every angle, on and off the waves, in some of the world's most	visually stunning locations. The perfect gift for surfing enthusiasts, this unique compilation of stunning pictures and hard-won wisdom proves that the thrill of catching a wave, riding it, and kicking out belongs to everyone.
