The Absorbent Mind was Maria Montessori's most in-depth work on her educational theory, based on decades of scientific observation of children. Her view on children and their absorbent minds was a landmark departure from the educational model at the time. This book helped start a revolution in education. Since this book first appeared there have been both cognitive and neurological studies that have confirmed what Maria Montessori knew decades ago.

In a strange land where people must buy and swallow the words they wish to speak, Phileas hopes to communicate his love to Cybele using the small vocabulary he has been able to afford.

Students with Learning Disabilities HMH

Zou is preparing to leave for a school camp. He doesn't want to seem like a baby, but he knows that he will miss all his daily kisses: the bedtime kisses, the morning kisses, the no-reason-at-all kisses . . . But Zou needn't worry. Mum and Dad have a solution. They make dozens of paper kisses and put them in a box for Zou to use whenever he feels a bit lonely. But the box of kisses comes in surprisingly useful on the train . . .

*The English Struwwelpeter* Thinking Kids

Practical ADHD management techniques for parents and teachers  
The ADHD Book of Lists is a comprehensive guide to ADHD/ADD, providing the answers parents, teachers, and other caregivers seek in a convenient list format. This new second edition has been updated with the latest research findings and resources, including the most up to date tools and strategies for helping these children succeed. Each aspect of ADHD/ADD is fully explained, from diagnosis to intervention, providing readers with the insight they need to make the best choices for the affected child. Coverage includes the latest medications and behavioral management techniques that work inside and outside the

classroom, plus guidance toward alleviating individual struggles including inattention, impulsivity, executive function and subject-specific academic issues. Readers learn how to create a collaborative care team by bringing parents, teachers, doctors, therapists, and counselors on board to build a comprehensive management plan, as well as the practical techniques they can use every day to provide these children the support they need to be their very best. Attention Deficit/Hyperactivity Disorder cannot be cured, but it can be managed successfully. This book is an insightful guide to supporting children and teens with ADHD, and giving them the mental, emotional, and practical tools that boost their confidence and abilities and enable them to thrive. Investigate comprehensive treatments, including ADHD coaching. Learn strategies for strengthening organization, working memory and other executive functions. Understand effective classroom management of students with ADHD. Discover ways to help struggling children succeed despite the challenges. *Impariamo le Sillabe* Aperture Foundation

"In this how-to book, Rob Breznsny builds a case for 'cagey optimism,' a perspective which engages rather than represses difficulty and views the universe as inherently friendly"--Provided by publisher.

**Paradise Lost** JHU Press

From the bestselling duo of Donaldson and Scheffler, come your favourite stories --now available as readers! Scarecrows Harry O'Hay and Betty O'Barley are planning the best wedding the barnyard has ever seen! The scarecrow couple sets off for a hunt round the farm for everything they need for the festivities -- a big white dress, rings, wedding bells or, at least, cow bells. But when Harry's search for flowers takes him far, far away, a villainous scarecrow rival sees his chance to ruin this beautiful day . . . hurry back, Harry!

Zou and the Box of Kisses Frog Books

Questo libretto è composto da 75 schede in bianco e nero di

buona risoluzione (ad esclusione della copertina e del retro colorati) per permettere ai bambini di 6 anni di potersi divertire attraverso il gioco, l'esercizio, e i disegni da colorare. E' adatto per iniziare a muovere i primi passi verso l'apprendimento delle Sillabe. Fra i libri di prima elementare questo progetto si propone agli insegnanti in maniera più semplificata, offrendo anche l'opportunità di poter fotocopiare e stampare ciascuna scheda didattica senza la preoccupazione di sprecare grandi quantità di inchiostro. Sostanzialmente è diviso in 9 parti, si comincia con suoni duri e suoni dolci, giochi di parole in rima e suoni, divisioni in sillabe, riconoscimento delle parole con lettere doppie, racconti da completare e colorare, giochi di puzzle da ritagliare con monosillabi e tanto altro...tutto ciò permette un approccio alle sillabe più spensierato e stimolante durante le ore scolastiche.

Little White Riding Hood Routledge

Classic story of the Five Chinese Brothers who use their extraordinary abilities to save the life of the First Chinese Brother, unfairly condemned to death for the accidental drowning of a selfish and naughty boy.

Erika's Story is one woman's account of the tragedy of the Holocaust. Erika is a survivor who recalls the difficult decisions her parents had to make and how those decisions have affected her life. Erika has a quiet hope and confidence which is sure to inspire readers. The exquisite illustrations of Roberto Innocenti are poignant and moving. The combination of words and pictures

in this book speak not only to the reader's head but also to the heart. The foreign rights to Erika's Story have been sold in eleven countries.

**For This I Lived** OUP Oxford

The demand for academic coursework and corporate training programs using the Internet and computer-mediated communication networks increases daily. The development and implementation of these new programs requires that traditional teaching techniques and course work be significantly reworked. This handbook consists of 20 chapters authored by experts in the field of teaching in the online environment to adult students enrolled in graduate university degree programs, corporate training programs, and continuing education courses. The book is organized to first lay a conceptual and theoretical foundation for implementing any online learning program. Topics such as psychological and group dynamics, ethical issues, and curriculum design are covered in this section. Following the establishment of this essential framework are separate sections devoted to the practical issues specific to developing a program in either an academic or corporate environment. Whether building an online learning program from the ground up or making adjustments to improve the effectiveness of an existing program, this book is an invaluable resource.--From Amazon.

*The Selfish Giant* The Creative Company

A selfish giant decides to share his garden in a delightful retelling of Oscar Wilde's classic, spiritual tale.

The Scarecrows' Wedding Perfection Learning

In this comprehensive response to the education crisis, the author of Teaching as a Subversive Activity returns to the subject that established his reputation as one of our most insightful social critics. Postman presents useful models with which schools can restore a sense of purpose, tolerance, and a respect for learning.

**SIL-LA-BE in vacanza!** Legare Street Press

Reminiscent of Scheherazade and One Thousand and One Nights, Gianni Rodari's Telephone Tales is many stories within a story.

Every night, a traveling father must finish a bedtime story in the time that a single coin will buy. One night, it's a carousel that adults cannot comprehend, but whose operator must be some sort of magician, the next, it's a land filled with butter men who melt in the sunshine Awarded the Hans Christian Anderson Award in 1970, Gianni Rodari is widely considered to be Italy's most important children's author of the 20th century. Newly re-illustrated by Italian artist Valerio Vidali (The Forest), Telephone Tales entertains, while questioning and imagining other worlds. Pronoia Is the Antidote for Paranoia Simon and Schuster Proposes a theory of evolution that accounts for the development of human intellect from animal mentality.

**The Practical Works of Richard Baxter: with a Life of the Author and a Critical Examination of His Writings by William Orme** Simon and Schuster

A work by the Italian-Jewish writer, Primo Levi. It describes his arrest as a member of the Italian anti-fascist resistance during the Second World War, and his incarceration in the Auschwitz concentration camp from February 1944 until the camp was liberated on 27 January 1945.

**Cuore** John Wiley & Sons

From Versailles to the home vegetable garden, from worlds imagined by artists to food production recorded by journalists, The Photographer in the Garden traces the garden's rich history in photography and delights readers with spectacular photographs. An informative essay from curator Jamie M. Allen and commentaries by Sarah Anne McNear broaden our understanding of photography and explore our unique relationship with nature through the garden. This is a sublime book bringing together some of history's most stunning photography.

*The End of Education* SAGE

This book addresses every aspect of learning disabilities, from assessment, definition, and characteristics through specific strategies for individual disorders. Based on a multi-theoretical

foundation, the new edition of Students with Learning Disabilities integrates numerous philosophical and practical perspectives into a supportive framework of best practices for diagnosis and intervention. A clear presentation of non-teaching factors and their affect upon teaching success explores such topics as homework, class size, parental involvement, and curriculum design. There have also been coverage expansions in topics such as cultural diversity, learning strategies, social skills training, affective development, phonological awareness development, successful transition factors, effective assessment, and teaching strategies. The coverage of social-emotional problems of LD students includes discussions of the use of socio-metric measures -- such as peer status -- in assessment and planning. An updated reference section also helps familiarize readers with the latest available resources. By providing practical strategies, Students with Learning Disabilities is a valuable book for any parent, teacher, or school administrator who must learn to cope with LD students.

**Phileas's Fortune** Bordighera Press

In this innovative book Fabio Folgheraiter presents a systematic introduction to networking and reflexive practice in social work. The text explores how the interested parties in social care can acquire a shared power in care planning and decision making and that when this networking occurs, the efficacy of caring initiatives increases.

**Telephone Tales** Jessica Kingsley Publishers

The story of Elena and Lila begins in the 1950s in a poor but vibrant neighbourhood on the outskirts of Naples. Growing up on these tough streets the two girls learn to rely on each other ahead of anyone or anything else, as their friendship, beautifully and meticulously rendered, becomes a not-always-perfect shelter from hardship. A memorable portrait of two women, My Brilliant Friend is also the story of a nation. Through the lives of Elena and Lila, Ferrante gives her readers the story of a city and a country undergoing momentous change.
