The pleasure of creating a Manga character is immeasurable. The act of building and developing a character is not just linked to the construction of the figure: each character has its own shape, personality and attributes. The artist must take into consideration these qualities in order to build a character that is plausible in the eye of the audience. To get some inspiration, have a look at the lessons to draw hundreds of Characters from Blossom Art Studio. This book contains step by step instructions of how to draw your favorite Anime Characters in a picture book format.
