“An intense snapshot of the chain reaction caused by pulling a trigger.” —Booklist (starred review) “Astonishing.” —Kirkus Reviews (starred review) “A tour de force.” —Publishers Weekly (starred review) A Newbery Honor Book A Coretta Scott King Honor Book A Printz Honor Book A Time Best YA Book of All Time (2021) A Los

Angeles Times Book Prize Winner for Young Adult Literature Longlisted for the National Book Award for Young People’s Literature Winner of the Walter Dean Myers Award An Edgar Award Winner for Best Young Adult Fiction Parents’ Choice Gold Award Winner An Entertainment Weekly Best YA Book of 2017 A Vulture Best YA Book of 2017 A Buzzfeed Best YA Book of 2017 An ode to Put the Damn Guns Down, this is New York Times bestselling author Jason Reynolds’s electrifying novel that takes place in sixty potent seconds—the time it takes a kid to

decide whether or not he’s going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That’s what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That’s where Will’s now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother’s gun. He gets on the elevator, seventh floor, stoked. He knows

who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an

END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

Paths to College and Career Jossey-Bass and PCG Education are proud to bring the

Paths to College and Career English Language Arts (ELA) curriculum and professional development resources for grades 6-12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences the standards require, Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies and other classroom resources. Paths to College and Career is a concrete and practical ELA

instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6-12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes: Nationally recognized

professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation. ABOUT PCG EDUCATION PCG Education, a division of Public Consulting Group, works with schools, districts, and state education agencies to build their capacity for instructional and programmatic improvements. We provide curriculum development, coaching, professional development, and technical assistance services. Our work alongside educators and policy makers ensures effective implementation of both the Common Core State Standards and state-specific standards for college and career readiness. *English Common Core 11th Grade (Speedy Study Guides)* Courier Corporation

Though left uncompleted, “Kubla Khan” is one of the most famous examples of Romantic era poetry. In it, Samuel Coleridge provides a stunning and detailed example of the power of the poet’s imagination through his whimsical description of Xanadu, the capital city of Kublai Khan’s empire. Samuel Coleridge penned “Kubla Khan” after waking up from an opium-induced dream in which he experienced and imagined the realities of the great Mongol ruler’s capital city. Coleridge began writing what he remembered of his dream immediately upon waking from it, and intended to write two to three hundred lines. However, Coleridge was interrupted soon after and, his memory of the dream dimming, was ultimately unable to complete the poem. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Paintings of the English countryside accompany seventy-four poems about nature, the past, memories, the seasons, and country life

The Elementary English Review Penguin
Literacy: Made for All is a classroom-ready, teacher-friendly resource for English and Writing teachers of Grades 9 through 12. Organized buffet style, it is designed to complement an existing English curriculum by providing a tested repertoire of strategies for teaching both writing skills and literary analysis techniques. Benefits and Features: tested and proven effective at all learning levels, from Remedial to Pre-AP provides complete lesson plans including reproducible materials can be implemented as is or modified to suit individual teaching styles and/or students' needs each skill, assignment or project begins by 'teaching the teacher', giving an inexperienced teacher the knowledge to provide effective instruction first time out and the confidence to modify and experiment thereafter comprised of 4 components --

reading, writing, literary analysis, and language study moves students from writing effectively to reading analytically (approaching text from the authoring point of view), a proven, highly successful methodology can turn any English course into a Literacy course extremely versatile and cost-effective can deepen an existing English course or complete the framework for a new one ENJOYING LITERATURE focuses on the close reading and analysis of prose fiction, poetry, and short nonfiction, and may be implemented alone or in tandem with STORY CRAFTING and/or WORDSMITHING.

Integrating Inquiry, Assessment, and Instruction in Today's English Classroom
Corwin Press

Four dedicated educators pull in the current big ideas in teaching — formative assessment, backward design, inquiry learning, strategic teaching, metacognition — and put them together in a way that makes sense. Pulling Together shows how this collaborative process is reflected in all aspects of the literacy learning process, from unit planning to the inquiry process to linking assessment to responsive lesson design. The book explores working

together with students to develop and explore essential ideas and practices, including: responsive teaching and assessment; reading as a personalized and meaningful experience; and critical literacy. Complete with diagrams, graphic organizers, classroom examples, assessment tools, and lists of core understandings, this timely guide presents a comprehensive answer to the big questions about teaching English language arts.

Songs of Innocence and of Experience

Pembroke Publishers Limited

Maya Angelou's unforgettable collection of poetry lends its name to the documentary film about her life, *And Still I Rise*, as seen on PBS's *American Masters*. Pretty women wonder where my secret lies. I'm not cute or built to suit a fashion model's size But when I start to tell them, They think I'm telling lies. I say, It's in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I'm a woman Phenomenally. Phenomenal woman, That's me. Thus begins "Phenomenal Woman," just one of the beloved poems collected here in Maya Angelou's third book of verse. These poems are powerful,

distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. And *Still I Rise* is written from the heart, a celebration of life as only Maya Angelou has discovered it. “It is true poetry she is writing,” M.F.K. Fisher has observed, “not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night . . . it gives me heart, to hear so clearly the caged bird singing and to understand her notes.”

Reading and Writing Personal Narratives, Teacher Guide Theatre Communications Group

Poetry is a joyful art form, but how do you teach students to joyfully read, analyze, and write poems? In *Text Structures from Poetry, Grades 4-12*, award-winning educator Gretchen Bernabei teams up with noted poet Laura Van Prooyen to light the path. Centered around 50 classroom-proven lesson and poem pairs, the mentor texts represent a broad range of voices in contemporary poetry and the canon. These unique and engaging lessons show

educators how to “pop the hood” on a poem to discover what makes it work, using text structures to unlock the engine of a poem. This method enables educators to engage students in reading and re-reading a poem closely, to identify how the parts of the poem relate to each other to create movement, and to leverage what they have learned to write their own evocative poems. Each of the 50 lessons includes a mentor poem that serves as an excellent model for young writers, a diagram that illustrates the text structure of the poem, and several inspiring examples of student poems written to emulate the mentor poem. Easy-to-use instructional resources enhance instructor and student understanding and include: Teaching notes for unlocking the text structure of a poem and the engine that makes it work. Tips for exploring rhyme scheme, meter, and fixed forms. Instructional sequences that vary the ways students can read and write poems and other prose forms. Ideas for revising and publishing student poems. A “Meet the Contemporary Authors” section that includes fascinating messages from the contemporary poets. Teach your students

to learn about poetry using the magic of poems themselves and lead the way to a rewarding love of poetry for teachers and students alike.

University of Toronto Press

Songs of Innocence and of Experience is an collection of poems by William Blake. It appeared in two phases. A few first copies were printed and illuminated by William Blake himself in 1789; five years later he bound these poems with a set of new poems in a volume titled Songs of Innocence and of Experience Shewing the Two Contrary States of the Human Soul. William Blake was also a painter before

the songs of innocence and experience and made paintings such as Oberon, Titania, and Puck dancing with fairies. "Innocence" and "Experience" are definitions of consciousness that rethink Milton's existential-mythic states of "Paradise" and "Fall". Often, interpretations of this collection centre around a mythical dualism, where "Innocence" represents the "unfallen world" and "Experience" represents the "fallen world". Blake categorizes our modes of perception that tend to coordinate with a chronology that would become standard in Romanticism: childhood is a state of protected innocence rather than original sin, but not immune to the fallen world and its institutions. This world sometimes impinges on childhood itself, and in any event becomes known through "experience", a state of being marked by the loss of childhood vitality, by fear and inhibition, by social and political corruption, and by the manifold oppression of Church, State, and the ruling classes. The volume's "Contrary States" are sometimes signalled by patently repeated or contrasted titles: in Innocence, Infant Joy, in Experience, Infant Sorrow; in

Innocence, The Lamb, in Experience, The Fly and The Tyger. The stark simplicity of poems such as The Chimney Sweeper and The Little Black Boy display Blake's acute sensibility to the realities of poverty and exploitation that accompanied the "Dark Satanic Mills" of the Industrial Revolution.

Stopping By Woods on a Snowy Evening

LAPA Uitgewers

Beautiful early writings by one of the 20th century's greatest poets on the 150th anniversary of his birth A Penguin Classic The poems, prose, and drama gathered in When You Are Old present a fresh portrait of the Nobel Prize-winning writer as a younger man: the 1890s aesthete who dressed as a dandy, collected Irish folklore, dabbled in magic, and wrote heartrending poems for his beloved, the beautiful, elusive Irish revolutionary Maud Gonne. Included here are such celebrated, lyrical poems as "The Lake Isle of Innisfree" and "He Wishes for the Cloths of Heaven," as well as Yeats's imaginative retellings of Irish fairytales—including his first major poem, "The Wanderings of Oisín," based on a Celtic fable—and his critical writings, which offer a fascinating window onto his artistic theories. Through

these enchanting works, readers will encounter Yeats as the mystical, lovelorn bard and Irish nationalist popular during his own lifetime. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Long Way Down Courier Dover Publications

Die 54 gedigte in Toulopers is almal splinternuut en is geskryf met tieners van 13 tot 15 jaar in gedagte.

Changing Canons and Responses Random House

Dancing with Hyenas is a tour-de-force that blends excellent prose with fact-driven stories to give a fresh perspective of the black struggle against the oppressive conditions of apartheid South Africa. The reader is taken 'behind the

scenes' to conversations and strategy sessions in which successive generations of black youths are conscientized about the ideals of the liberation struggle. In the book, author Mzi Mahola tells the stories in evocative, authentic, and thought-provoking narrative. Elsewhere he recounts the deep soul-searching exchanges among the black youth about the goals and efficacy of the Black Consciousness Movement in advancing cause of black liberation. His accounts are remarkably accurate, especially given the fifteen-year range over which the book is written. What is most refreshing about Dancing with Hyenas is the emic perspective it takes since most of the books on the topic are written by outside observers. This is a one-of-a-kind book—amust-read for any interested in learning from indigenous blacks how they were able to make meaning of the lives while confronted by vagaries and vicissitudes of that vicious system, which was finally brought down in the early 1990s. Mzamo P Mangaliso Profesor, Isenberg School of Management University of Massachusetts - Amherst MA Dancing with Hyenas is a bout rites of passage of a young man hurled

into maturity in a troubled land. Mzikayise Mahola conveys the story choosing words with the precision and dexterity of a poet, recalling events and painting them with the skill reserved for great story tellers. The book enthral as it enables the reader to journey with Lizo through the labyrinth of dark paths in a perilous South Africa. We do not know how he will, survive the wrath of the system whose vultures always

hover with devilish zeal and sickening patience. Lizo thrives in a world that betrays talented and ambitious youth. Mahola lucidly captures the snippets of history, sharing hopes and shattered dreams in the trapping of the old South Africa. Indeed, this book is a piece of history that exemplifies how many young people experienced the rough ride into brittle futures. Vuysile T. Msila Professor

and Head, Institute for African Renaissance Studies, University of South Africa (UNISA)
