Information for a Better World: Normality, Virtuality, Physicality, Inclusivity HarperCollins

In Hegemonic Mimicry, Kyung Hyun Kim considers the recent global success of Korean popular culture—the Korean wave of pop music, cinema, and television, which is also known as hallyu—from a transnational and transcultural perspective. Using the concept of mimicry to think through hallyu's adaptation of American sensibilities and genres, he shows how the commercialization of Korean popular culture has upended the familiar dynamic of major-to-minor cultural influence, enabling hallyu to become a dominant global cultural phenomenon. At the same time, its worldwide popularity has rendered its Koreanness opaque. Kim argues that Korean cultural subjectivity over the past two decades is one steeped in ethnic rather than national identity. Explaining how South Korea leaped over the linguistic and cultural walls surrounding a supposedly “minor” culture to achieve global ascendancy, Kim positions K-pop, Korean cinema and television serials, and even electronics as transformative acts of reappropriation that have created a hegemonic global ethnic identity.

 Seoul, as one of Asia's rising global cities, has been a place where enormous changes in politics, industry, and culture have taken place over the last five decades. This book explores the new urbanism in Seoul from the perspective of global political economy, focusing on the contexts in which the city has witnessed the transformation of its population structure, such as the rise of the global urban middle class and the city's increased nodal function in commodity chains. The burgeoning signs of transnational tourism and the frequency of study abroad, the immigrant community, and cross-border cultural flows. Examining the labour structures within the city, economic growth policy, the role of advanced information technology, and neoliberal urban development, the authors also examine the local response in the city to its emerging status. A study of the development of the Korean capital and its deep embeddedness in the world economy, Seoul, Korea's Global City will appeal to scholars of sociology, geography and economics with interests in political economy, urban studies and Asian studies.

International Entrepreneurship Fanclub Books

Dive into the vibrant world of BTS, from their humble beginnings to their status as global icons. Each chapter is a window into the unique aspects that make up the BTS phenomenon - their music, fashion, impactful videos, philanthropy, and the unwavering bond with their fans, the ARMY. Explore the members' individual stories - RM's leadership and intellect, Jin's timeless charm, Suga's introspective artistry, J-Hope's radiant energy, Jimin's elegant charisma, V's creative genius, and Jungkook's dynamic talents. Discover how each member brings his unique flair, contributing to the group's unprecedented success. Get a closer look at BTS's music and lyrics, which have resonated across the globe, breaking barriers and touching on themes of love, self-acceptance, mental health, and social commentary. Delve into the artistry behind their visually stunning music videos, which are as much a part of their artistic expression as their songs. "The Magic of BTS" also takes you through the group's fashionable endeavors and global influence, highlighting how they've become style icons and cultural ambassadors. Witness their philanthropic efforts and the positive impact they have made, inspiring a

generation to strive for a better world. This book is not just a celebration of BTS's achievements but also an inspirational tale of passion, perseverance, and the power of dreaming big. It's a must-read for fans and anyone interested in understanding the cultural phenomenon that is BTS. Join us in celebrating the magic, the music, and the heart of BTS - a journey that transcends music and inspires a global movement of positivity and change. Perfect for: BTS fans (ARMY) across the globe. Music lovers and enthusiasts interested in the phenomenon of K-pop. Readers seeking inspiration from stories of success, hard work, and creativity. Anyone looking to understand the global impact of BTS on music, culture, and society.

With a new section on international sustainable entrepreneurship and new cases and examples throughout, this second edition of a successful textbook will be indispensable for students of international entrepreneurship.

Digital Mediascapes of Transnational Korean Youth Culture Ulysses Press

At this fascinating historical moment, this timely collection explores the new meaning of the Korean Wave and the process of media production, representation, distribution and consumption in a global context as a distinctive and complex form of soft power. Focusing on the most recent phenomenon of Korean popular culture, this book considers the Korean Wave in the global digital age and addresses the social, cultural and political implications in their complexity within the contexts of global inequalities and uneven power structures. The collection brings together internationally renowned scholars and regional specialists to examine this historically significant, visibly growing, yet under-explored current phenomenon in the global digital age. Drawing on a wide range of perspectives from media and communications, cultural studies, sociology, history and anthropology, and

including a series of case studies from Asia, the USA, Europe and the Middle East, it provides an empirically rich and theoretically stimulating tour of this area of study, going beyond the standard Euro-American view of the evolving and complex dynamics of the media today. This collection is essential reading for students and scholars interested in Korean popular culture and in film, media, fandom and cultural industries more widely.

BTS: Blood, Sweat & Tears Welbeck

Though K-pop has spread globally, a lot of English language discussion about it is dominated by American media. This led me to write this book to add the South Asian perspective in the discourse on this global music phenomenon. What's in the book? 1. Delineation of all kinds of K-pop fans; from the creative ones to the crazies. 2. Analysis of K-pop Stan culture vis-a-vis Korean Idol industries' marketing strategies. Who can read it? 1. People who have stumbled upon K-pop and are completely lost right now. 2. Those who are veterans of the mess that's K-pop Stan's life and want to take a step back to critically look at the politics and dynamics of K-pop fandom. You can expect constant bouts of introspection and 20/20 hindsight. 3. All the lucky human beings who haven't been infected by K-pop madness, yet. You have heard about it and are now curious. Come, my dear friends! Take this either as a warning or a road map to becoming one of us. *Crazy chants in the distance.* "One of us!" "One of us!" "One of us!" What to do once you are done reading? 1. Wait for some time. I will be back with another blogbook soon. As you are reading this, I am holed up in my room working on it, making sure you all don't have to wait for too long. 2. While you are waiting, please leave a review. All of your feedback and encouragements will help me write a better book.

The Soft Power of the Korean Wave Routledge

Would you like to know more about BTS? Beyond the Story tells you the story of them in detail. The book discusses all the members of BTS, including Jin, Suga, J-Hope, RM, Jimin, V, and Jungkook. It provides a complete perspective on BTS from their beginnings to their global fame, with interviews and stories from people as well as producers and managers. Beyond the Story: A 10-Year Chronicle of BTS is an invaluable source about their coming together, music, and messages of hope and love. Fans of BTS will get a behind-the-scenes look at everything BTS does! What will this amazing book teach you? It documents how BTS became a global phenomenon. You'll find out how BTS members overcame obstacles to achieve success. The creative process of the group and how they write their own music, the meaning behind BTS's music videos and lyrics, their message of love and hope and how fans worldwide have connected with it. BTS fans should read this book first to learn more about BTS's journey, music, and message of brotherhood and unity. **Introduction** The book is divided into seven chapters, each focusing on a different phase of BTS's career, from their early days to their most recent solo projects and military service. It includes over 330 QR codes linking to videos, music videos, trailers, and other key moments in BTS history, as well as personal stories, perspectives, and insights from each member. It also includes concept photos, behind-the-scenes photos, and tracklists of every past album. The book is an in-depth account of how BTS achieved their unprecedented success and influence across music and beyond. It reveals BTS's artistic vision, creative process, and social messages, as well as the struggles, triumphs, and challenges along the way. It also highlights the group's bond with each other and their fans, who were instrumental in their rise. Any BTS fan, new or seasoned, must read Beyond the Story. Anyone wanting to know more about BTS and their music will find the book an invaluable resource. The book is written in an engaging, accessible style with clear explanations of cultural and industry terms and references. Beyond the Story is not just a biography of BTS. It is also a book about the power of music, youth, and dreams, inspiring readers to pursue their own dreams like what BTS did. It promotes positivity, creativity, diversity, and inclusion - going beyond the story of BTS to tell the story of us all. Get a copy now and learn more!

BTS Jimin, la biographie non-officielle Fanclub Books

This book is a systematic investigation of Korean cultural wave in South Asia, discovering and analysing the dynamics of fandom, mechanism of media industry and growing phenomena of Korean culture in this part of the world. This is one of the very first academic volumes in South Asia that examines cultural politics, language and literatures of Korea in a regional location when there might be some on examining the political and diplomatic relations divorced from socio-cultural interactions. It focuses on three major aspects: identity formation in the age of digital culture, fandom and aspiration in the wake of subculture, and transcultural flow in South Asia. Through these thematic indicators and empirical instances the volume explores the modes of transcultural flow vis a via the global cultural flow. The patterns

and processes of identity construction transformed among the teenagers and youths in the realm of digital media and embodying the Korean cultural elements. The book will contribute in the area of media and cultural studies, global culture and politics, arts and humanities, social sciences and area studies. Chapter 1 is available open access under a Creative Commons Attribution 4.0 International License via link.springer.com.

The Unofficial BTS Fan Book BookSummaryGr

Singers generating cultural identity from K-Pop to Beverly Hills Around the world and across time, singers and their songs stand at the crossroads of differing politics and perspectives. Levi S. Gibbs edits a collection built around the idea of listening as a political act that produces meaning. Contributors explore a wide range of issues by examining artists like Romani icon Esma Redžepova, Indian legend Lata Mangeshkar, and pop superstar Teresa Teng. Topics include gendered performances and the negotiation of race and class identities; the class-related contradictions exposed by the divide between highbrow and pop culture; links between narratives of overcoming struggle and the distinction between privileged and marginalized identities; singers' ability to adapt to shifting notions of history, borders, gender, and memory in order to connect with listeners; how the meanings we read into a singer's life and art build on one another; and technology's ability to challenge our ideas about what constitutes music. Cutting-edge and original, Social Voices reveals how singers and their songs equip us to process social change and divergent opinions. Contributors: Christina D. Abreu, Michael K. Bourdaghs, Kwame Dawes, Nancy Guy, Ruth Hellier, John Lie, Treva B. Lindsey, Eric Lott, Katherine Meizel, Carol A. Muller, Natalie Sarrazin, Anthony Seeger, Carol Silverman, Andrew Simon, Jeff Todd Titon, and Elijah Wald

BTS Army Handbook Arushi Raj

Bangtan Remixed delves into the cultural impact of celebrated K-Pop boy band BTS, exploring their history, aesthetics, fan culture, and capitalist moment. The collection's contributors—who include artists, scholars, journalists, activists, and fans—approach BTS through inventive and wide-ranging transnational perspectives. From tracing BTS's hip hop genealogy to analyzing how the band's mid-2020 album reflects the COVID-19 pandemic to demonstrating how Baroque art history influences BTS's music videos, the contributors investigate BTS's aesthetic heritage. They also explore the political and technological dimensions of BTS's popularity with essays on K-Pop and BTS's fan culture as frontiers of digital technology, the complex relationship between BTS and Blackness, the impact of anti-Asian racism on BTS's fandom, and the challenges BTS poses to conservative norms of gender and sexuality. Bangtan Remixed shows how one band can inspire millions of fans and provide a broad range of insights into contemporary social and political life. Contributors: Andrea Acosta, Patty Ahn, Carolina Alves, Inez Amihan Anderson, Allison Anne Gray Atis, Kaina "Kai" Bernal, Mutlu Binark, Jheanelle Brown, Sophia Cai, Michelle Cho, Mariam Elba, Ameena Fareeda, Vernadette Vicuña Gonzalez, Rosanna Hall, Dal Yong Jin, JIN Youngsun, Despina Kakoudaki, Yuni Kartika, Alptekin Keskin, Rachel Kuo, Marci Kwon, Courtney Lazore, Regina Yung Lee, S. Sison, Prerna Subramanian, Havannah Tran, Andrew Ty, Gracelynn West, Yutian Wong, Jaclyn Zhou

Bangtan Remixed Edward Elgar Publishing

This volume examines international engagement with Korean popular culture in East Asian online spaces, and how Asian identities are formed and perceived between nations within the region. In the context of global diversification and growing public participation in global issues, it builds up a new theoretical perspective in order to explain the emerging power of Asia in the global mediascape. With a focus on Korean media, touching upon K-pop and the phenomenon of Hallyu and anti-Hallyu, the author also looks at Japan, China, and Taiwan in this regional study. Combining theory with ethnographic audience studies in East Asian countries, the book elucidates East Asian media in a larger context of the changing global structure and media technology. This book will interest academics and students working on Asian popular culture and media, new media, East Asian studies, participatory media, and digital communication.

Social Media and the Cultural Politics of Korean Pop Culture in East Asia Virtualo

Korea was one of the poorest countries in the world up to the mid to late 20th century, but within less than half a century she emerged as an economic and cultural powerhouse. The US and World Report recently ranked Korea as 6th in global power. In terms of GNP and per capita income Korea became one of the

most advanced countries in the world. This has been dubbed as the 'Korean Miracle'. There may be several factors that could explain this outcome and this book argues that one of the most compelling reasons is the concept of speed in Korean society and its people, which is quite different from other countries. This take on speed can be considered from the perspective of anthropological and/or social DNA, tradition, cultural heritage. Therefore, this book names 'K-speed' as an unexpected factor which brought on the so-called 'miraculous' Korean economic growth. This book belongs to the field of economic development theory and applications. Written in an empirical and descriptive format, the book provides insights into economic and cultural development for students and scholars in international affairs, economics, politics, business, and Asian studies. Governments, international agencies and senior staff in large organizations will also find this book a useful reference.

Proceedings of the 7th Global Conference on Business, Management, and Entrepreneurship (GCBME 2022) Triumph Books

This is an open access book. WELCOME THE 7TH GCBME. We would like to invite you to join our The 7th Global Conference on Business, Management and Entrepreneurship. The conference will be held online on digital platform live from Universitas Pendidikan Indonesia in Bandung, West Java, Indonesia, on August 8th, 2022 with topic The Utilization of Sustainable Digital Business, Entrepreneurship and management as A Strategic Approach in the New Normal Era.

Understanding the Korean Wave Springer Nature

The 36 full papers and the 46 short papers presented in these proceedings were carefully reviewed and selected from 197 submissions. They cover topics such as: Archives and Records, Behavioral Research, Information Governance and Ethics, AI and Machine Learning, Data Science, Information and Digital literacy, Cultural Perspectives, Knowledge Management and Intellectual Capital, Social Media and Digital Networks, Libraries, Human-Computer Interaction and Technology, Information Retrieval, Community Informatics, and Digital Information Infrastructure.

Critical Pedagogy, Race, and Media Routledge

Global media expert Dal Yong Jin examines the nexus of globalization, digital media, and contemporary popular culture in this empirically rich, student-friendly book. Offering an in-depth look at globalization processes, histories, texts, and state policies as they relate to the global media, Jin maps out the increasing role of digital platforms as they have shifted the contours of globalization. Case studies and examples focus on ubiquitous digital platforms, including Facebook, YouTube, and Netflix, in tandem with globalization so that the readers are able to apply diverse theoretical frameworks of globalization in different media milieu. Readers are taught core theoretical concepts which they should apply critically to a broad range of contemporary media policies, practices, movements, and technologies in different geographic regions of the world - North America, Europe, Africa, Latin America, and Asia - with a view to determining how they shape and are shaped by globalization. End-of-chapter discussion questions prompt further critical thinking and research. Students doing coursework in digital media, global media, international communication, and globalization will find this new textbook to be an essential introduction to how media have influenced a complex set of globalization processes in broad international and comparative contexts.

BTS and ARMY Culture Routledge

This book explores the recent landscape of Korean popular culture, including celebrity diplomacy, political activism, and inter-Korean relations in the era of 'ontact', with a special focus on K-pop and K-drama. Utilising the interdisciplinary approach, along with theoretical accounts, it redefines popular culture and its true power - beyond soft power - including discussions of how the pandemic and the use of online platforms have coincidentally or effectively influenced recent phenomena surrounding Korean popular culture. It reveals both the possibilities and pitfalls of Hallyu diplomacy and the UN's celebrity diplomacy more broadly, and highlights how, through the mobilisation of a large internet fanbase, the modern K-pop 'standom' can influence political discourse. The book also features an examination of the political significance of the K-drama through which it highlights the potential of popular media to impact inter-Korean relations and inform current international understanding and perception of the Korean conflict. Dealing with the wider scope of Korean popular culture this book will be a valuable resource to students and scholars of South Korea, international relations, public diplomacy, political activism, and cultural and media studies.
