You want to know that there is a Word List for the Flyers exam.

However, the list is not exclusive and you may see words outside of this list in the real exam. This product comes with several modules with contents we develop for covering words in the Word List as well as some related words outside of the list. The goal is to get you adequately prepared for the exam. Some questions are pure textual, while some are graphical. There are quite many questions with words that are grammatical. And there are quite many questions on conversations. This product comes with 120+ questions. To make it easy for you, choices will be provided initially. As you progress, some questions will require that you spell out the entire word expected.

*Reading and Writing* Cambridge University Press

This book will train students to recognise and produce English sounds, and includes work on stress and intonation.

Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of Student's Book, Level 2. The Student's Book is the main component of Grammar and Beyond. In each unit, students study the grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a Grammar for Writing section, in which students apply the grammar in an extended writing task.
