Will Raven, Colton, and Charlize prevent the United States from collapse? One thing is certain--they won't be able to save everyone. Not with their humanity still intact.

The Lion Tracker's Guide to Life Houghton Mifflin

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to:

- make time for new habits (even when life gets crazy);
- overcome a lack of motivation and willpower;
- design your environment to make success easier;
- get back on track when you fall off course; ...and much more.

Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

**How Technology is Helping Us Monitor and Improve Our Health** Review & Herald Publishing

A mysterious mark, an ancient spirit, and a message from beyond the Aether... After uncovering and destroying a Necromancer plot to take over Skye Príosún, Jess and Finn are united at last and longing to move on with their life together. But the Durupinen world has other plans. An enigmatic rune keeps revealing itself to Jess-in artwork, in dreams, and even scrawled upon the ancient stones of the Geatgrima at Fairhaven. No one can identify it, but its warning is clear: something dangerous is coming, a revelation that could end the Gateway system forever. Jess must follow the clues where they lead-forming unlikely alliances along the way. When her journey takes her at last to an ancient creature deep in the heart of the príosún, the truth she learns presents her with the most troubling question of all: what if her Durupinen gift was never really a gift at all, but something altogether darker? Soul of the Sentinel is the much-anticipated sixth installment in E.E. Holmes' spine-tingling

paranormal series The Gateway Trackers.

Five days ago North Korea detonated three nuclear warheads over the United States, triggering an electromagnetic pulse that crippled the country. A second attack destroyed the nerve center of America in a nuclear blast that flattened the nation's capitol. As the government falls apart in the aftermath, the survivors must decide how far they will go to save the ones they love.

**Dinosaur Train Buddy and the Nature Trackers** Univ. of Queensland Press

The visionary author's masterpiece pulls us--along with her Black female hero--through time to face the horrors of slavery and explore the impacts of racism, sexism, and white supremacy then and now. Dana, a modern black woman, is celebrating her twenty-sixth birthday with her new husband when she is snatched abruptly from her home in California and transported to the antebellum South. Rufus, the white son of a plantation owner, is drowning, and Dana has been summoned to save him. Dana is drawn back repeatedly through time to the slave quarters, and each time the stay grows longer, more arduous, and more dangerous until it is uncertain whether or not Dana's life will end, long before it has a chance to begin.

Awakening of the Seer CRC Press

A supernatural prison, a feisty fairy sidekick, and four alpha males. What could possibly go wrong? Being sent to prison just after my eighteenth birthday wasn't exactly what I had in mind after getting my first taste of freedom. Neither was ending up in cell block B with all male prisoners. There had to be some sort of mixup, right? Wrong. After a too-close-for-comfort attack, I'm taken in by the Fabled Four--a group of guys who aren't known for playing by the rules and are prisoners here just like me. The only difference is they know what the warden wants from them and I have no idea. Much to their leader's dismay, it's time to figure out the real reason I'm stuck in Mandora Supernatural Prison. Though, if I can't get my magic in check sooner rather than later, I just might get myself, or others I care about, killed. Let the games begin.\*Please note, this is not a Reverse Harem book and recommended for ages 16+ due to some bully themes and language\*

From the beloved author of Wombat Warriors, Mister Cassowary and Smooch & Rose comes another thrilling adventure about Australia's endangered animals. Ten-year-old Isaac is flat out. Helping his mum run a caravan park on the Queensland coast means no time for fun. So when he finds a sea turtle nesting on the beach, he's disappointed that he can't volunteer as a turtle tracker to watch over her eggs and hatchlings. How can he when summer holidays are their busiest time? To make matters worse, famous travel blogger Eddie Eastwood and his mischievous dog come to stay. Isaac must pull out all the stops because a zero-star review from Eddie would spell disaster for his mum and the park. Can Isaac keep everyone happy while still finding the time to protect his turtles?

In this spine-tingling new series, the stars of TV's GHOST HUNTERS introduce readers to a team of paranormal investigators who reunite to defeat a sinister force they unleashed long ago. . . . For fifteen years, Amber, Drew, and Trevor have barely been able to recall--let alone explain--what

happened the terrifying night they decided to explore the old, abandoned Lowry House. According to local legend, the house was cursed by a dark past and inhabited by evil. It burst into flames on the night of their visit, leaving the friends traumatized and nearly dead with only vague memories of the frightening events they had witnessed inside. Now, on the eve of their high school reunion, they have gathered to reopen their investigation and figure out, once and for all, what took place that fateful night . . . before the supernatural entity they escaped threatens to overtake them again.

A warning from the past, an uncertain future, an impossible choice... For hundreds of years, the Durupinen have carried the power of the Gateway in their bloodlines. Now, a dire warning from the past might mean that power must come to an end. Jess Ballard has often considered her gift a curse - but now it may truly become one, unless she can convince the leaders of the Durupinen world to restore the power of the Gateways where it rightly belongs. The Durupinen have always considered themselves a force for what is good in the world, but has the intoxication of power left them unable to distinguish between what is right and wrong? Jess, Hannah, Milo, and their allies are in a race against time as they gather together the most influential Durupinen from around the world to join the fight. As the Necromancer threat looms, and the Durupinen leaders battle over which course to take, Jess must travel her own path, look within herself and ask: How far will she go to right an ancient wrong, and will her connection to the spirit world survive it? Gift of the Darkness is the highly-anticipated final installment in The Gateway Trackers series by E.E. Holmes.

Through rhyming prose, this positive behavior book for kids reveals how Santa keeps track of misdeeds long after the holiday ends with the help of magical trolls, fairies, and elves. Illustrated with diversity in mind, children are invited to imagine their Tracker, who accompanies them on their daily adventures. Making good choices is a main theme.

**The Hunted** Reader's Digest

This text deals with the concept that cavitation is the main limitation to the performance of hydraulic components. Topics covered include the vaporization of liquids due to high velocities or pressure fluctuations, and the effects of cavitation on the performances of rotary machinery. One chapter is devoted to cavitation noise which concerns many users, including surface ships and submarines, and the author finishes with some examples of the use of cavitation and subject-specific measuring techniques.

Portraits of the Forsaken Simon and Schuster

Once every five years, the Northern Clans of the Durupinen gather at Fairhaven Hall. There at the ancient castle, surrounded by the very spirits they are bound to protect and serve, the clans settle disputes and shape the laws that govern the Gateways to the spirit world. For the first time, Jess and Hannah Ballard have to represent their clan. It is an awesome responsibility-a great honor... and

they are sure it's going to be the most boring week of their lives. Oh, how very wrong they are. For something dangerous is stalking the halls of Fairhaven. It lies in wait, striking down victim after victim, undetectable and inescapable. No one knows what it is, or what it wants, but one thing is clear: no one is safe until it is captured. As their fellow Durupinen fall victim one by one, it will be up to Jess and Hannah, the newest members of the Trackers, to solve the mystery before the entirety of the castle is possessed. Plague of the Shattered is the page-turning second installment in E.E. Holmes' spine-tingling paranormal series The Gateway Trackers.

Welcome to the strange and perilous world of Katherine Colebrook: FBI special agent, Los Angeles... Trackers Division. In Katherine's world, werewolves, vampires, púcas, and other parasapien species - forced for centuries by human fear and prejudice to live at the fringes of society - have finally come out of hiding to demand their rightful place alongside us. It's a fragile co-existence, fraught with mutual distrust: a new social contract for which the rules are still evolving. And when those rules break down - usually when a parasapien begins preying on humans - that's when the Trackers step in. It's their job to hunt them down and stop them by any means necessary. Within this elite unit, Katherine Colebrook is one of the best. Her psychic abilities made her a natural for the Trackers Division, allowing her to move between the parasapien and human worlds in ways that no other agent could. But Katherine's calling hasn't come without struggle and losses along the way. As a

single mother, she must contend with her teenage daughter, Alexandra, who not only shares Katherine's psychic abilities, but seems determined to follow the same dangerous path as her mother. And so, when Katherine's latest assignment threatens to bring that danger too close home, she finds herself faced with the toughest challenge of her career: Can she protect her daughter's life, while battling a ruthless adversary who'll stop at nothing to destroy her?

*Heart of the Rebellion* Rowman & Littlefield

Nominated for the Man Booker Prize "A charming comedy of eros... A ride that, despite the bumps and curves in the road, never feels anything less than jaunty." — Los Angeles Times With this wise, tender, and deeply funny novel, Marina Lewycka takes her place alongside Zadie Smith and Monica Ali as a writer who can capture the unchanging verities of family. When an elderly and newly widowed Ukrainian immigrant announces his intention to remarry, his daughters must set aside their longtime feud to thwart him. For their father's intended is a voluptuous old-country gold digger with a proclivity for green satin underwear and an appetite for the good life of the West. As the hostilities mount and family secrets spill out, *A Short History of Tractors in Ukrainian* combines sex, bitchiness, wit, and genuine warmth in its celebration of the pleasure of growing old disgracefully.
