wearing the  
scars of past  
mistakes. One

of the few  
single women  
in the  
boomtown,  
she  
immediately  
has suitors,  
but she is  
determined  
not to find  
herself  
trapped again  
by a poor  
choice. Vying  
for her hand  
are two very  
different men.  
Lieutenant  
Richard

Drummond is  
a gentleman  
in the Navy  
and is held in  
high esteem.  
Peter Kelly is  
the town's  
baker and has  
worked hard  
to build a  
thriving  
business. He  
and  
Drummond  
not only  
compete for  
Arabella's  
affections, but  
clash over

their views of how the natives should be treated in the midst of a smallpox outbreak. As Arabella begins to overcome her fears, she discovers someone in dire need--a starving girl abandoned by her tribe. Intent on helping the girl, Arabella leans on Peter's advice and guidance. Will she have the wisdom to make the right decision or will seeking what's right cost both her and Peter everything?

*Still Me*  
Penguin  
Look out for Jojo's new book, *Paris for One and Other Stories*, available now. From the New York Times bestselling author of *Me Before You* and *One Plus One*, in an earlier work available in the U.S. for the first time, a surprising and moving romance set in an old-fashioned seaside town on the verge of unwelcome change. Liza McCullen will never fully escape her past. But the

unspoiled beaches and tight-knit community of Silver Bay offer the freedom and safety she craves—if not for herself, then for her young daughter, Hannah. That is, until Mike Dormer arrives as a guest in her aunt's hotel. The mild-mannered Englishman with his too-smart clothes and distracting eyes could destroy everything Liza has worked so hard to

protect: not only the family business and the bay that harbors her beloved whales, but also her conviction that she will never love—never deserve to love—again. For his part, Mike Dormer is expecting just another business deal—an easy job kick-starting a resort in a small seaside town ripe for development. But he finds that he doesn't quite know what to make of the

eccentric inhabitants of the ramshackle Silver Bay Hotel, especially not enigmatic Liza McCullen, and their claim to the surrounding waters. As the development begins to take on a momentum of its own, Mike's and Liza's worlds collide in this hugely affecting and irresistible tale full of Jojo Moyes's signature humor and generosity.

Not all those who wander are lost, but Aubree Sadler most definitely is on this novel's whirlwind trip through Europe. A romantic and charming YA debut perfect for fans of Stephanie Perkins and

Jenny Han. Aubree can't think of a better place to be than in perfectly boring Ohio, and she's ready for a relaxing summer. But when her older sister, Elizabeth, gets into real trouble, Aubree is talked into taking over Elizabeth's summer job, leading a group of senior citizens on a bus tour through Europe. Aubree doesn't even make it to the first stop in Amsterdam

before their perfect plan unravels, leaving her with no phone, no carefully prepared binder full of helpful facts, and an unexpected guest: the tour company owner's son, Sam. Considering she's pretending to be Elizabeth, she absolutely shouldn't fall for him, but she can't help it, especially with the most romantic European cities as the backdrop for their love story. But her

relationship with Sam is threatening to ruin her relationship with her sister, and she feels like she's letting both of them down. Aubree knows this trip may show her who she really is—she just hopes she likes where she ends up.

**The Brides of Maracoor**

Penguin Living in London's poorest slum, Mercy Wilkins has little hope of a better life. When she's offered an opportunity to join a bride ship sailing to

British Columbia, she agrees. After witnessing so much painful heartache and loss in the slums, the bride ship is her only prospect to escape a bleak future, not only for herself but, she hopes, someday for her sister. Wealthy and titled Joseph Colville leaves home and takes to the sea in order to escape the pain of losing his family. As ship's surgeon, he's in charge of the passengers'

welfare aboard the Tynemouth, including sixty brides-to-be. He has no immediate intention of settling down, but when Mercy becomes his assistant, the two must fight against a forbidden love. With hundreds of single men congregating on the shore eager to claim a bride from the Tynemouth, will Mercy and Joseph lose their chance at true love, or will they be able to overcome the

obstacles that threaten to keep them apart? Paris for One and Other Stories Penguin Books The first in a three-book series spun off the iconic Wicked Years from multimillion-copy bestselling author Gregory Maguire, featuring Elphaba's granddaughter, the green-skinned Rain. Ten years ago this season, Gregory Maguire wrapped up the series he began with

Wicked by giving us the fourth and final volume of the Wicked Years, his elegiac *Out of Oz*. But "out of Oz" isn't "gone for good." Maguire's new series, *Another Day*, is here, twenty-five years after Wicked first flew into our lives. Volume one, *The Brides of Maracoor*, finds Elphaba's granddaughter, Rain, washing ashore on a foreign island. Comatose from crashing

into the sea, Rain is taken in by a community of single women committed to obscure devotional practices. As the mainland of Maracoor sustains an assault by a foreign navy, the island's civil-servant overseer struggles to understand how an alien arriving on the shores of Maracoor could threaten the stability and wellbeing of an entire nation. Is it myth or magic at work, for good or for ill? The trilogy

Another Day will follow this green-skinned girl from the island outpost into the unmapped badlands of Maracoor before she learns how, and becomes ready, to turn her broom homeward, back to her family and her lover, back to Oz, which—in its beauty, suffering, mystery, injustice, and possibility—reminds us all too clearly of the troubled yet sacred terrain of our own lives. The Ship of Brides Baker

Funny, romantic, and poignant, *Still Me* follows Lou as she discovers who she is and who she was always meant to be—and learns to live boldly in her brave new

**The School for German Brides** Harper Collins  
In this spectacular new romance from acclaimed New York Times bestselling author Jane Feather, fate deals one stubbornly single young woman and

one deceptively heartless man a shocking hand in a high-stakes bet. But is love in the cards? Jack Fortescu gambles to win, and this time his prize is not only his rival's lavish mansion but everything in it— including the man's beautiful sister! But when it comes to games, Jack has met his match. . . . Left homeless by her brother's escapade, Arabella Lacey has two appalling

choices: pack her bags—or agree to marry the lunatic who’s taken over her house. Why would such a handsome—and outrageously wealthy—man want such an unromantic arrangement? Arabella intends to find out, and have a little fun in the process at Jack’s expense . . . literally. As Jack discovers that his reluctant bride is no ordinary beauty, he feels a stir of admiration, among other emotions, that

wasn’t part of the bargain. Now he’s the one with everything to lose. . . . **Finally a Bride** Penguin In 1860s Seattle, a man with a wife could secure himself 640 acres of timberland. about personal strength and really captures how books bring communities together." —Reese Witherspoon From the author of *The Last Letter from Your Lover*, now a major motion picture on Netflix, a breathtaking story of five extraordinary women and their remarkable journey through the mountains of Kentucky and beyond in Depression-era America Alice Wright

marries handsome American Bennett Van Cleve, hoping to escape her stifling life in England. But small-town Kentucky quickly proves equally claustrophobic, especially living alongside her overbearing father-in-law. So when a call goes out for a team of women to deliver books as part of Eleanor Roosevelt's new traveling library, Alice signs on enthusiastically. The leader, and soon

Alice's greatest ally, is Margery, a smart-talking, self-sufficient woman who's never asked a man's permission for anything. They will be joined by three other singular women who become known as the Packhorse Librarians of Kentucky. What happens to them--and to the men they love--becomes an unforgettable drama of loyalty, justice, humanity, and passion. These heroic women

refuse to be cowed by men or by convention. And though they face all kinds of dangers in a landscape that is at times breathtakingly beautiful, at others brutal, they're committed to their job: bringing books to people who have never had any, arming them with facts that will change their lives. Based on a true story rooted in America's past, The Giver of Stars is unparalleled in its scope

and epic in its storytelling. Funny, heartbreaking, enthralling, it is destined to become a modern classic--a richly rewarding novel of women's friendship, of true love, and of what happens when we reach beyond our grasp for the great beyond. The Runaway Bride (The Bride Ships Book #2) St. Martin's Press Selah Hopewell seems to be the only woman in the Virginia colony

who has no wish to wed. True, there are too many men and far too few women in James Towne. But Selah already has her hands full assisting her father in the family's shop. And now she is in charge of an incoming ship of tobacco brides who must be looked after as they sort through their many suitors. Xander Renick is perhaps the most eligible tobacco lord in the settlement. His lands are vast, his crops

are prized, and his position as a mediator between the colonists and the powerful Powhatan nation surrounding them makes him indispensable. But Xander is already wedded to his business and still grieves the loss of his wife, daughter of the Powhatan chief. Can two fiercely independent people find happiness and fulfillment on their own? Or will they discover that what they've

been missing in life has been right in front of them all along? Bestselling and award-winning author Laura Frantz takes you to the salty shores of seventeenth-century Virginia in this exploration of pride, honor, and the restorative power of true love.
