### **How to Handle Your Human**

**Relations** Grand Central Publishing  
Called a "path breaker" among astrology books, with original research and in-depth coverage, the author combines non-technical and technical material very effectively in a compelling narrative. This book contains a riveting choice of biographies and historical, cultural events that illuminate both individual AND collective destinies. When Vedic astrology - the astrology of India -

is combined with biography, history, politics, the arts and culture, a key missing component is provided to all of the above. In Search of Destiny is for astrologers, astrology students as well as for the layperson. The only criterion is an interest and openness to astrology. Find out how the planets affect individuals and whole nations and societies, and how the chart of a national leader is never separate from the nation ruled - for as long as he or she is in power. An extensive glossary, footnotes and index help the reader to navigate through the wide-ranging information provided in this book. For the novice,

Chapter 2 provides a succinct summary of Vedic astrology and philosophy. Vedic charts are presented in both North and South Indian format, with the lifetime planetary cycles of the Vimshottari Dasha system - for which Vedic astrology is so famous. Any astrologer will benefit from the depth of research done here, and the layperson will find this a user-friendly book that broadens the horizons. "Edith Hathaway's remarkable new book *In Search of Destiny* is an astrological sensation on many levels. ...A narrative of individual dharma woven in the context of collective destiny.... Her innovative research of the 20-year Jupiter/Saturn cycles over a 1000-year period bears rich historical and thematic fruit... and includes her current and future predictions. I highly recommend

We've all done it: glanced casually at the horoscope pages, secretly hoping the

stars will forecast our fame and fortune. Yet the zodiac can tell us far more than this, revealing even our most intimate secrets. Sextrology is a highly intelligent and enlightening guide to sex and the sexes using a wholly original astrological philosophy. In frank, sophisticated and uninhibited language, the authors profile each gender's zodiac sign and uncover the naked truth behind the make-up of each one. Sextrology will help you better comprehend your and others' sexual character, improve your understanding of relationship roles and find out what to expect from the special person in your life. From fantasies to favourite positions, erogenous zones to emotional needs, Starsky and Cox leave no stone unturned in their titillating examination that will once again have people asking,

'what's your sign?'

*The Little Book of Saturn*, a smart, friendly introduction to the astrological Saturn, is a book for curious readers who know there is more to astrology than

their sun signs. Saturn has traditionally been considered the planet of challenges, but the life lessons that this stern planet brings are necessary for personal growth. This book is suitable for beginners and experts alike. It discusses the influence of Saturn on the natal horoscope, focusing on Saturn in its various places in the birth chart and exploring the various transits, especially the return(s), which brings with it a period of transition that is often feared, but Aliza Einhorn shows you how to understand and navigate them with confidence.

For lovers of tarot, astrology, and deepening your connection with yourself and others-- a divine roadmap to numerology Ever notice how some numbers seem to follow us throughout the course of our lives? Consider the numbers we choose when buying a lotto ticket--birth dates, anniversaries, ages, and addresses as well as other hopefully lucky numbers. They each have some personal meaning. Through the centuries, numerologists have been studying the significance of numbers and

perfecting their art in the belief that numbers strongly influence both our behavior and our fate. They have learned that by understanding the meaning of numbers, we can gain greater insight into ourselves. In *Numerology: Key to Your Inner Self*, world-renowned numerologist Hans Decoz and accomplished writer Tom Monte have teamed together to produce an easy-to-understand guide that introduces the reader to the basic concepts and applications of numerology. Presented here is a technique that relates the major

questions of an individual's life -his talents, challenges, career, and personal growth--with the basic numeric facts of his existence--his birth date and name. The book begins with a fascinating explanation of what numerology is and an intriguing look at the philosophy that lies behind it. It then examines how numerology works, focusing on the numeric meanings of personal names, birth dates, and language in general. Included is a step-by-step guide to calculating your own numbers and interpreting them in chart form.
