Using storytelling and performance to explore shared religious expression across continents Through a revolutionary ethnographic approach that foregrounds storytelling and performance as alternative means of knowledge, *Situated Narratives and Sacred Dance* explores shared ritual traditions between the Anlo-Ewe people of West Africa and their descendants, the Arará of Cuba, who were brought to the island in the transatlantic slave trade. The volume draws on two decades of research in four communities: Dzodze, Ghana; Adjdogou, Togo; and Perico and Agramonte, Cuba. In the ceremonies, oral narratives, and daily lives of individuals at each fieldsite, the authors not only identify shared attributes in

religious expression across continents, but also reveal lasting emotional, spiritual, and personal impacts in the communities whose ancestors were ripped from their homeland and enslaved. The authors layer historiographic data, interviews, and fieldnotes with artistic modes such as true fiction, memoir, and choreographed narrative, challenging the conventional nature of scholarship with insights gained from sensorial experience. Including reflections on the making of an art installation based on this research project, the volume challenges readers to imagine the potential of approaching fieldwork as artists. The authors argue that creative methods can convey truths deeper than facts, pointing to new possibilities for collaboration between

scientists and artists with relevance to any discipline. Publication of the paperback edition made possible by a Sustaining the Humanities through the American Rescue Plan grant from the National Endowment for the Humanities.

**Afro-Cuban Religions** Orunmila Edition Publishing

This book explains how to ritually prepare, make and present the sacred mysteries of the Aje Spirits initiation ceremony, Step by Step, (Regla De Congo). This book also contains how to make a spiritual food offering to the witches (Adimu), various spells and sacred rituals to these very powerful elemental forces that we call "the sacred mothers of the marketplace" and the "invisible mothers of the night". This book will tell you how to summon these

powerful spiritual entities for such things as protection against the evil eye, love attraction, money, wealth, health, marriage, Divine Justice and a peaceful home.

Diversio Books

This encyclopedia offers the most comprehensive presentation available on the diversity and richness of religious practices among African Americans,

from traditions predating the era of the transatlantic slave trade to contemporary religious movements. Like no previous reference, African American Religious Cultures captures the full scope of African American religious identity, tracing the long history of African American engagement with spiritual practice while exploring the origins and complexities of current religious traditions. This breakthrough encyclopedia offers alphabetically organized entries on every major spiritual belief system as it has evolved among African American communities, covering its beginnings, development, major doctrinal points, rituals, important figures, and defining moments. In addition, the work illustrates how the social and economic realities of life for

African Americans have shaped beliefs across the spectrum of religious cultures.

"Fascinating insights into modern urban religious practice make Orsi's collection a must-read." -- Publishers Weekly "The essays provide insight into the cultural

creativity, reinterpretation of worship and religious ingenuity of city people over the last 50 years." -- Library Journal "At last, a major dissection of the great mystery in modern American life -- how religion and spirituality prospered amidst industrialization, urbanization, and rampant technological change after 1880!" -- Jon Butler, Yale University "Urban religion" strikes many as an oxymoron. How can religion thrive in the alienated, secular, fast-paced, and materialistic world of the modern, Western city? The authors in this collection believe that cities not only can provide the settings for religious expression, but also are material to the experiences which give rise to those religious expressions. In this book, they explore the distinctly urban forms of

religious experience and practice that have developed in relation to the spaces, social conditions, and history of American cities.

Botánicas is an exploration in text and photographs of spiritual shops found in Latino neighborhoods throughout the United States. Readers discover these marvelous spaces and their alternative spiritualities that help patrons cope with the grind and challenges of city life.

Botánicas provide access to an array of invisible powers and sell the ingredients to construct symbolic solutions to their patrons' problems. The stores are bright and baroque, and the powers they invoke come from religious traditions in Africa, Europe, Asia, and the native Americas. In *Botánicas*, Joseph M. Murphy offers a cultural history of the devotions on display and a reflection on the efficacy of their powers to heal. Readers will come to see that the goods and devotions of botánicas give their patrons--mostly Latino, often immigrants--pathways for empowerment and transformation. The name botánicas comes from the "botanicals" for sale, herbs and plants with healing powers. The pharmacopeia of botánicas can be vast, and owners may know hundreds of

remedies for treating problems of health, wealth, and love. Botánicas vend herbs for upset stomach, herbs for finding a job, and herbs for wooing back a wayward spouse. Supplementing these medicinal and magical plants, botánicas sell candles, holy statues, and tools for devotion to an array of spiritual powers--Catholic saints, African gods, indigenous spirits, and Asian divinities. Each spirit has its own ritual of petition, and botánica owners can discern the proper offerings and prayers to help the supplicant. Murphy explains the religions of the botánica with subtlety and sensitivity. He gives readers a deep sense of the contexts of the stores and a sophisticated analysis of the religious traditions that suffuse them. Visually fascinating, culturally rich, and

religiously profound, Botánicas is a window into a world of beauty and power.

*Irna Lulu.com*

The first book on Santería's holiest divination system to thoroughly explore each family of odu and how their actions and reactions affect the spiritual development of the client. • Includes the major considerations for sacrifice, providing the diviner with ways to placate and supplicate the Afro-Cuban deities known as orishas. •

Demonstrates how to properly end a reading so that negative vibrations are fully removed from the diviner's home. • Provides a thoroughly detailed description of each of the 12 families of odu that exist in the diloggun--from Okana through Ejila Shebora. The

diloggun is more than a tool of divination. It is a powerful transformational process, and the forces that are set in motion when it is cast determine the future evolution of the adherent. The Diloggun is the first book to explore this Afro-Cuban oracle from the perspective of diaspora orisha worship. It is also the first book to explore the lore surrounding this mysterious oracle, which is the living Bible of one of the world's fastest growing faiths. The twelve families of odu that are available to the diviner include 192 omo odu, the children of the odu, and each of these patterns or letters has its own proverbs, meanings, prohibitions, and sacrifices. Ócha'ni Lele provides the secret but essential information that the adept diviner needs

to know to ensure that every element affecting a client's spiritual development is taken into consideration during a reading. His book is also the first to detail how to properly end a session so that negative vibrations are absorbed by the orishas and fully removed from the diviner's home. For those seeking the wisdom of ancient Africa, *The Diloggun* is an indispensable guide to the mysteries of the orishas.

*QUIMBANDA MAGIC SPELLS, THE SECRETS OF AFRO-BRAZILIAN SPIRITUALISM, THE THIRD KINGDOM OF THE FOREST*, No.3 Berghahn Books

Few religions are as misunderstood as Afro-Caribbean traditions like Voodoo, Yoruba, Candomble, Shango, Santeria, and Obeah. Even the most wide-ranging books about Paganism rarely include a

discussion of the African earth religions.

### **Women and Religion in the African Diaspora** JHU Press

In 1980, Charles Wetli---a Miami-based medical examiner and self-proclaimed "cult expert" of Afro-Caribbean religions--identified what he called "excited delirium syndrome." Soon, medical examiners began using the syndrome regularly to describe the deaths of Black men and women during interactions with police. Police and medical examiners claimed that Black people with so-called excited delirium exhibited superhuman strength induced from narcotics abuse. It was fatal heart failure that killed them, examiners said, not forceful police restraints. In *Excited Delirium*, Aisha M. Beliso-De Jesús examines this fabricated medical diagnosis and its use to justify

and erase police violence against Black and Brown communities. Exposing excited delirium syndrome's flawed diagnostic criteria, she outlines its inextricable ties to the criminalization of Afro-Latiné religions. Beliso-De Jesús demonstrates that it is yet a further example of the systemic racism that pervades law enforcement in which the culpability for state violence is shifted from the state onto its victims. In so doing, she furthers understanding of the complex layers of medicalized state-sanctioned violence against people of color in the United States.

From the Pulitzer Prize-winning journalist comes what Publishers Weekly called the “definitive study” of the grisly mass killings in Matamoros, Mexico. In the 1980's, Adolfo Constanzo, devotee of Santería and powerful cult leader opened shop in Mexico City as a fortune-teller. He soon realized that there were greater profits in drug money than the occult, and as his status grew in the drug trade, so too did his legendary brutality. Kidnappings, torture, and murder were three weapons in his arsenal that he used to keep a vice grip on the drug trade. In *Buried Secrets*, Edward Humes

explores the intersections of the drug trade and politics in a way that still resonates today, touching upon the religious elements that play into the iconic status of drug kingpins. This unflinching, unforgettable story is brought to vivid, terrifying life in “one of the best true-crime tales in recent time” (Publishers Weekly). “Chilling . . . A masterful job.” —The Washington Post “Terrific . . . A highly readable, authoritative account of a particularly gruesome chapter in border history.” —The Dallas Morning News “A chilling story of murder and religious mania.” —Library Journal

Bloomsbury Publishing USA  
 Este libro introduce al lector en el sistema de creencias de la Regla de Palo Monte (o Regla Conga) y estudia las deidades paleras y su fuente kikongo, lengua de los bakongo del Bajo Congo. Ta makuende yaya y las relgas de Palo Monte Oxford University Press  
 Los tiempos pasan, pero mis conocimientos siguen latentes. El sabio no presume de lo que sabe, sino de lo que demuestra con su sencillez de honorable y valenta, pero las moscas bizcas panteoneras siempre viene de la basura, que usted cree lector, el grito hiere, pero el silencio mata. Mientras los criticos se alimentan de la envidia, el sabio lo desespera y lo ponen el peor de los calificativos, el sabio lo ignora por eso se sienten inferior que el inteligente

pero bueno ellos no saben usar el cerebro por eso son mal mirados por la intelectualidad.

SPIRITUAL WARFARE, BRAZILIAN QUIMBANDA SPELLS & RITUALS TO DEFEAT YOUR ENEMIES AND TO WIN EVERYTIME Ediciones Union

Regla de Ocha promotes worship of the Orisha (gods), and uses traditional oracles that originated in the old Yoruba city of Ile-Ife. The Regla de Palo Monte came from the Congo area. The term palo refers to the ritual use of trees and plants, which are believed to have magical powers."

*Voodoo and Afro-Caribbean Paganism*  
Citadel Press

En este libro se hace un estudio de la "nganga" que es un recipiente de hierro o de barro en el que el ngangulero

introduce tan espíritu difunto llamado "nfumbe" o "perro nganga", los cuales domina y manipula a su voluntad. En este estudio se explica cómo se confecciona ritualmente este recipiente sagrado, acción que recibe el nombre de "fundamentar la nganga". Por otra parte, la "nganga" presenta un ciclo de vida análogo al de cualquier ser vivo: nace, crece, se reproduce y muere; y este proceso es analizado detenidamente. *BRAZILIAN QUIMBANDA, SPELLS & RITUALS TO DEFEAT YOUR ENEMIES AND TO WIN EVERYTIME* Lulu.com

The Caribbean is a microcosm of the world. In this very small geographic space one encounters global religions as well as religious practices that are indigenous to the region. This volume provides an overview of Caribbean

religions, one that respects the diversity of the religious traditions and the national particularity of the region. It addresses the prominent religious traditions in the Caribbean, with a focus on multiple geographic settings, and examines a cross-section of themes that impact the region broadly and the academic study of Caribbean religion.

*Palo Mayombe* Ian Randle Publishers

En el Palo Monte Mayombe, cualquier lenguaje está impregnado de religión: el oral, el escrito, el artístico o el mímico. El poder, la responsabilidad, la obligatoriedad de la palabra y la conciencia de que sólo la palabra altera el mundo, son rasgos muy característicos de este sistema religioso afrocubano y son objeto de estudio en este libro. En este contexto se analizan

los conjuros de los nganguleros, los cantos rituales o “mambos” congos, las formas características de la música sacra del Palo Monte Mayombe (la polimetría y la polirritmia) y el empleo de las máscaras rituales.

**QUIMBANDA MAGIC SPELLS, THE SECRETS OF AFRO-BRAZILIAN SPIRITUALISM, THE FIFTH KINGDOM OF THE SOULS, No.5** Lulu.com

OZAIN, THE SECRETS OF CONGO INITIATIONS & MAGIC SPELLS, PALO MAYOMBE, PALO MONTE, KIMBISA. The initiation ritual into the mysteries of the African Spirit Ozain is one of the most important religious ceremonies that can be received by initiates of Palo Mayombe, Palo Monte and Kimbisa. This book contains the complete ritual instructions of how to correctly prepare

and make the FUNDAMENTO DE OZAIN (The Fundamental Elements of Ozain). This initiation ceremony gives the initiate the spiritual right to be able to work and invoke the powerful magical mysteries of the spirit Ozain.
