Explore the authentic mysteries of the Afro-Caribbean religious traditions of Palo Mayombe, Palo Monte and Kimbisa in a very revealing book which includes the Congo religious history, Congo Spirits, Initiations, Spells & Rituals, Invocations, Prayers and Sacred spirit signatures of the Congo Spirits. This book explains in full detail how to prepare a Spiritual Cauldron more commonly known as "Caldero Espiritual" and how to prepare the Congo Spirit Lucero. This book was written as a "How To" book for initiated and non-initiated individuals.This is a great introduction book for individuals who would like to learn more about the Congo religious tradition as found and practiced in the Caribbean.

Gods of the City CRC Press

En esta extensa obra se hace una descripción detallada de los "mpungu" o santos congos. Dentro del "kimpúngulu" se incluyen los "mpungu wanfuto", que son aquellos espíritus de los antepasados que llegan a convertirse en "mpungu" congos criollos; analizándose además cómo se desarrolla el proceso de transformación de "kinyula nfuiri ntoto" o espíritu difunto de un antepasado en "mpungu" o santo congo. Por último, se ha considerado que no podía hablarse del "kimpúngulu" sin tratar en qué consiste verdaderamente el sincretismo en el Palo Monte Mayombe. Para ello, se hace un análisis desde tres perspectivas; la apropiación de determinados objetos de la liturgia católica; la supresión de la distancia espacial con respecto al catolicismo; y finalmente, el establecimiento de determinadas analogías entre los santos católicos y los "mpungu".

El Libro Palo Brakamundo con sus historias, les hará volar la imaginación a tiempos remotos para que hagan un análisis de como se fue desarrollando la vida de los primeros pobladores del mundo. Según la mitología africana fueron los congos reales (Riat) a quienes les tocó la honorable misión de la procreación del género humano. Las páginas de este libro plasman el arduo trabajo de casi tres décadas de estudios sistemáticos de la cultura afrocubana, guiado por el sentimiento que nos identifica con aquellos negros esclavos que fueron desarraigados de su lugar de origen. En este libro conocerán algunos de los aspectos de la antigua civilización de los congos, base sólida y única que se extendió por casi todo el continente africano y llegó posteriormente a muchos rincones del nuevo mundo. La religión de nuestros antepasados congos es la progenitora de todas las religiones africanas, sus simbologías, sus signos son escrituras mágicas en los que se apoyan sus ritos, que hacen del mayombe congo una verdadera fuente de códigos y misterios, que ayudaron a romper las barreras que ataban al hombre con el mundo animal y lo catapultaron a la civilización.

The Secrets of Afro-Cuban Divination Springer

A woman lays unconscious on the floor surrounded by charcoaled symbols, burning candles, a bowl of viscous red liquid, and an array of dried herbs. Was this a healing ritual gone wrong or just straightforward foul play? Increasingly, first responders must deal with foreign practices and cultures that are often disturbing in their unfamiliarity. Understanding cultural variations and nuances can make the difference between much-needed emergency treatment and the aggravation of an already sensitive situation. The first book of its kind, *Magico-Religious Groups and Ritualistic Activities: A Guide for First Responders* provides a cultural bridge for emergency personnel when interacting with various magico-religious cultures. More than just a litany of artifacts, rituals, and symbols, this valuable book draws from cultural anthropology and religious studies to unearth hidden meanings and place the information in a context relevant for the first responder. It offers crucial keys for improving communication, assessment, and treatment in culturally sensitive situations. Beginning with an introduction to the importance of trans-cultural communication, the book devotes subsequent chapters to the common and contrasting elements of several magico-religious groups. It

considers the practices of Neo-Paganism, Santería, Bantu religion (Palo Mayombe), Voodoo, and Curanderismo. The book separates fact from fantasy regarding sacred spaces and dates, ceremonies, group structure, sacred objects, cultural taboos, and beliefs about sickness and healing. It also includes a detailed review of the common herbs used in healing and ritual, as well as a glossary of cultural terms and an index of symbols. Promoting functional cultural competency, this book gives public service agencies and emergency responders the tools to properly assess situations, open lines of communication, protect cultural diversity and beliefs and, above all, provide effective emergency treatment.

Quimbanda - a Religious Handbook of Afro-brazilian Spiritualism for the Univ. Press of Mississippi "Fascinating insights into modern urban religious practice make Orsi's collection a must-read." -- Publishers Weekly "The essays provide insight into the cultural creativity, reinterpretation of worship and religious ingenuity of city people over the last 50 years." -- Library Journal "At last, a major dissection of the great mystery in modern American life -- how religion and spirituality prospered amidst industrialization,urbanization, and rampant technological change after 1880!" -- Jon Butler, Yale University "Urban religion" strikes many as an oxymoron. How can religion thrive in the alienated, secular, fast-paced, and materialistic world of the modern, Western city? The authors in this collection believe that cities not only can provide the settings for religious expression, but also are material to the experiences which give rise to those religious expressions. In this book, they explore the distinctly urban forms of religious experience and practice that have developed in relation to the spaces, social conditions, and history of American cities.

Los tiempos pasan, pero mis conocimientos siguen latentes. El sabio no presume de lo que sabe, sino de lo que demuestra con su sencillez de honorable y valentía, pero las moscas bizcas panteoneras siempre viene de la basura, que usted cree lector, el grito hiere, pero el silencio mata. Mientras los críticos se alimentan de la envidia, el sabio lo desespera y lo ponen el peor de los calificativos, el sabio lo ignora por eso se sienten inferior que el inteligente pero bueno ellos no saben usar el cerebro por eso son mal mirados por la intelectualidad.

Buck Reilly's a lot like the rest of us -- trying to make ends meet and hoping for better times. He's living in a Key West hotel and operates Last Resort Charter and Salvage aboard a 1946 Grumman Widgeon flying boat, hunting for sunken treasure and taking on an occasional passenger, no questions asked. But when he delivers a mysterious woman to a mission boat destined for Cuba, things start going downhill quick. He faces down the dark forces of Santería priests, Cuban Secret Police, and an FBI agent with a grudge. Buck has nothing but ingenuity to save his skin and the lives he put in peril ... and prevent a war with America's longest-running enemy ... When you see the world through Buck Reilly's eyes, the view will never be the same. About the Author John H. Cunningham, outdoorsman, world traveler, and aviation enthusiast, is a commercial real estate

professional and former editor. He lives in Virginia with his wife and two daughters. "Red Right Return" is his first novel. Visit the author online at www.jhcunningham.com. Endorsement "'Red Right Return" is a high-energy romp through the streets of Key West and the skyways of the Florida Straits. Cunningham's treasure-hunting, amphibian-flying hero, Buck Reilly, could be a reincarnation of Travis McGee with wings. RRR is the first in what will surely be a series of classic Florida adventure novels. Great fun, highly recommended." "Robert Gandt, author of the Brick Maxwell series"

From the Pulitzer Prize-winning journalist comes what Publishers Weekly called the "definitive study" of the grisly mass killings in Matamoros, Mexico. In the 1980's, Adolfo Constanzo, devotee of Santería and powerful cult leader opened shop in Mexico City as a fortune-teller. He soon realized that there were greater profits in drug money than the occult, and as his status grew in the drug trade, so too did his legendary brutality. Kidnappings, torture, and murder were three weapons in his arsenal that he used to keep a vice grip on the drug trade. In *Buried Secrets*, Edward Humes explores the intersections of the drug trade and politics in a way that still resonates today, touching upon the religious elements that play into the iconic status of drug kingpins. This unflinching, unforgettable story is brought to vivid, terrifying life in "one of the best true-crime tales in recent time" (Publishers Weekly). "Chilling . . . A masterful job." —The Washington Post "Terrific . . . A highly readable, authoritative account of a particularly gruesome chapter in border history." —The Dallas Morning News "A chilling story of murder and religious mania." —Library Journal [Investigating Religious Terrorism and Ritualistic Crimes](#) Tratado Enciclopédico de Palo Monte

QUIMBANDA RELIGION, THE SECRETS OF AFRO-BRAZILIAN MAGIC, SPELLS & RITUALS. A great introduction book about the Afro-Brazilian magical religious tradition of Quimbanda. Botánicas is an exploration in text and photographs of spiritual shops found in Latino neighborhoods throughout the United States. Readers discover these marvelous spaces and their alternative spiritualities that help patrons cope with the grind and challenges of city life. Botánicas provide access to an array of invisible powers and sell the ingredients to construct symbolic solutions to their patrons' problems. The stores are bright and baroque, and the powers they invoke come from religious traditions in Africa, Europe, Asia, and the native Americas. In *Botánicas*, Joseph M. Murphy offers a cultural history of the devotions on display and a reflection on the efficacy of their powers to heal. Readers will come to see that the goods and devotions of botánicas give their patrons--mostly Latino, often immigrants--pathways for empowerment and transformation. The name botánicas comes from the "botanicals" for sale, herbs and plants with healing powers. The pharmacopeia of botánicas can be vast, and owners may know hundreds of remedies for treating problems of health,

wealth, and love. Botánicas vend herbs for upset stomach, herbs for finding a job, and herbs for wooing back a wayward spouse. Supplementing these medicinal and magical plants, botánicas sell candles, holy statues, and tools for devotion to an array of spiritual powers--Catholic saints, African gods, indigenous spirits, and Asian divinities. Each spirit has its own ritual of petition, and botánica owners can discern the proper offerings and prayers to help the supplicant. Murphy explains the religions of the botánica with subtlety and sensitivity. He gives readers a deep sense of the contexts of the stores and a sophisticated analysis of the religious traditions that suffuse them. Visually fascinating, culturally rich, and religiously profound, *Botánicas* is a window into a world of beauty and power.

Voodoo and Afro-Caribbean Paganism Editora Manati'

The first book on Santería's holiest divination system to thoroughly explore each family of odu and how their actions and reactions affect the spiritual development of the client. • Includes the major considerations for sacrifice, providing the diviner with ways to placate and supplicate the Afro-Cuban deities known as orishas. • Demonstrates how to properly end a reading so that negative vibrations are fully removed from the diviner's home. • Provides a thoroughly detailed description of each of the 12 families of odu that exist in the diloggun--from Okana through Ejila Shebora. The diloggun is more than a tool of divination. It is a powerful transformational process, and the forces that are set in motion when it is cast determine the future evolution of the adherent. The Diloggun is the first book to explore this Afro-Cuban oracle from the perspective of diaspora orisha worship. It is also the first book to explore the lore surrounding this mysterious oracle, which is the living Bible of one of the world's fastest growing faiths. The twelve families of odu that are available to the diviner include 192 omo odu, the children of the odu, and each of these patterns or letters has its own proverbs, meanings, prohibitions, and sacrifices. Ócha'ni Lele provides the secret but essential information that the adept diviner needs to know to ensure that every element affecting a client's spiritual development is taken into consideration during a reading. His book is also the first to detail how to properly end a session so that negative vibrations are absorbed by the orishas and fully removed from the diviner's home. For those seeking the wisdom of ancient Africa, *The Diloggun* is an indispensable guide to the mysteries of the orishas.

Guanabacoa is a city in Cuba famous as the birthplace of some of the most powerful Paleros ever. One of these spiritual giants was Demetrio Gomez, who for nearly fifty years led one of the most potent Palo houses in Cuba. Using an insider's knowledge as well as the careful scholarship that has come to identify his work (*Cuban Santería: Walking with the Night*), Demetrio's godson, Baba Raul Canizares, known in Palo circles as Tata Camposanto Medianoche, gives us Demetrio's own teachings, which makes this the best Palo book in English, featuring never-before published sygills, workings, and the unique contribution to the field of over 200 translations of herbs, sticks, and palo sticks from CUBAN Spanish to Bantu and English, including each plant's scientific classification. The book also features many photographs of rituals, initiations, and sacrifices

Ediciones Maiombe

Regla de Ocha promotes worship of the Orisha (gods), and uses traditional oracles that originated in the old Yoruba city of Ile-Ife. The Regla de Palo Monte came from the Congo area. The term palo refers to the ritual use of trees and plants, which are believed to have magical powers."
