indispensable  
accompanime  
nt for anyone  
who embarks  
on the reading  
journey of a  
lifetime. First  
published in  
1976, this  
edition has

been fully revised and updated for a new century of Tolkien lovers. The book of lost tales, pt. 2 Createspace Independent Publishing Platform FINALIST FOR THE 2019 KIRKUS PRIZE FOR FICTION FINALIST FOR THE 2020 ANDREW CARNEGIE MEDAL LONGLISTED FOR THE 2019 BOOKER PRIZE LONGLISTED FOR THE 2020 ASPEN WORDS LITERARY PRIZE ONE OF THE NEW YORK TIMES 10 BEST BOOKS OF THE YEAR ONE OF THE BEST BOOKS OF THE YEAR: THE WASHINGTON POST - TIME MAGAZINE - O, THE OPRAH MAGAZINE - KIRKUS REVIEWS - THE NEW YORK PUBLIC LIBRARY In Valeria Luiselli's fiercely imaginative novel, a mother and father set out with their two children, a boy and a girl, driving from New York to Arizona in the heat of summer. As the family travels west, through Virginia to Tennessee, across Oklahoma and Texas, the bonds between them begin to fray: a fissure is growing between the parents, one the children can almost feel beneath their feet. Through songs and maps and a Polaroid camera's lens, the children try to make sense of both their family's crisis and the larger one engulfing the news: the

stories of thousands of kids trying to cross the southwestern border into the United States but getting detained--or lost in the desert along the way. A breath-taking feat of literary virtuosity, Lost Children Archive is timely, compassionate, subtly hilarious, and formally inventive--a powerful, urgent story about what it is to be human in an inhuman world. Bearers of the

Complete the collection with ABCs of Kindness, 123s of Thankfulness,

and Happiness is a Rainbow!  
**A Novel of Temeraire**  
 Houghton Mifflin Harcourt  
 A New York Times  
 bestseller for twenty-one weeks upon publication, Unfinished Tales of Numenor and Middle-earth is a collection of narratives ranging in time from the Elder Days of Middle-earth to the end of the War of the Ring, and further relates events as told in The Silmarillion and The Lord of the Rings.

Now, in a beautifully illustrated edition to celebrate the fortieth anniversary of its original publication, Unfinished Tales Illustrated Edition features original artwork by Tolkien's most famous and ardent illustrators from over the decades: Alan Lee, John Howe, and Ted Nasmith.  
**The Book of Lost Things**  
 Penguin  
 Collected by Tolkien's son, these tales further

explore the legendary Middle-earth, including its languages, legends, politics, and kings, and ranging temporally from the Elder Days of The Silmarillion through the War of the Rings. Simultaneous. The Nature of Middle-Earth Del Rey Everything seemed to be going Vydor "s way, until the Dragon Claw was sent on a rather unusual assignment to investigate a minor incident deep within the Empire "s

space. That would send Vydor down a path filled with fantastically powerful enemies and extraordinary friends that would obliterate everything he ever understood to be true and threaten the very foundations of the Empire itself. *Fourteenth Century Verse and Prose* Random House Digital, Inc. "A crackling portrayal of everyday American heroines...A

triumph." — Fiona Davis, New York Times bestselling author of *The Lions of Fifth Avenue* A group of young women from Smith College risk their lives in France at the height of World War I in this sweeping novel based on a true story—a skillful blend of *Call the Midwife* and *The Alice Network*—from New York Times bestselling author Lauren Willig. A scholarship girl from

Brooklyn, Kate Moran thought she found a place among Smith's Mayflower descendants, only to have her illusions dashed the summer after graduation. When charismatic alumna Betsy Rutherford delivers a rousing speech at the Smith College Club in April of 1917, looking for volunteers to help French civilians decimated by the German war machine, Kate is too busy earning her living to even think of

taking up the call. But when her former best friend Emmeline Van Alden reaches out and begs her to take the place of a girl who had to drop out, Kate reluctantly agrees to join the new Smith College Relief Unit. Four months later, Kate and seventeen other Smithies, including two trailblazing female doctors, set sail for France. The volunteers are armed with money, supplies, and

good intentions—all of which immediately go astray. The chateau that was to be their headquarters is a half-burnt ruin. The villagers they meet are in desperate straits: women and children huddling in damp cellars, their crops destroyed and their wells poisoned. Despite constant shelling from the Germans, French bureaucracy, and the threat of being ousted by the British army,

the Smith volunteers bring welcome aid—and hope—to the region. But can they survive their own differences? As they cope with the hardships and terrors of the war, Kate and her colleagues find themselves navigating old rivalries and new betrayals which threaten the very existence of the Unit. With the Germans threatening to break through the lines, can the Smith Unit pull together

and be truly a band of sisters? French Intellectuals, 1944-1956 Games Workshop “The General Zapped an Angel was written for fun, and offers me a chance to smile at the absurdity of human existence. Therefore, these stories of fantasy and science fiction are among the most serious writing I have done.” —Howard Fast Nearly forty years after the publication of his first story, “The Wrath of

Purple,” in the science fiction magazine Amazing Stories, Howard Fast returned to the genre with a set of nine supremely entertaining tales. In this collection, a Vietnam general shoots down what appears to be an angel, a man sells his soul to the devil for a copy of the next day’s Wall Street Journal, and a group of alien beings bestow a mouse with human thought and emotion. Fast, one of the

bestselling authors of the twentieth century, skewers war hawks, oil speculators, and profit-at-all-costs capitalism, issues that are still relevant today. This ebook features an illustrated biography of Howard Fast including rare photos from the author's estate. *Guide to Tolkien's World* Houghton Mifflin Harcourt Taking refuge in fairy tales after the loss of his mother,

twelve-year-old David finds himself violently propelled into an imaginary land in which the boundaries of fantasy and reality are disturbingly melded. By the author of *The Black Angel*. 75,000 first printing. **Tolkien and the Silmarils** Phoenix Presents J.R.R. Tolkien is famous the world over for his unique literary creation, exemplified in *The Hobbit*, *The Lord of the Rings* and *The*

*Silmarillion*. What is less well known, however, is that he also produced a vast amount of further material that greatly expands upon the mythology and numerous stories of Middle-earth, and which gives added life to the thousand-year war between the Elves and the evil spirit Morgoth, and his terrifying lieutenant, Sauron. It was to this enormous task of literary construction that his Tolkien's

youngest son and literary heir, Christopher, applied himself to produce the monumental and endlessly fascinating series of twelve books, The History of Middle-earth. This special collector's edition brings together the second half of	Sauron Defeated, comprising the time- travel story 'The Notion Club Papers' and 'The Drowning of Anadune', both linking the myth of Atlantis to Middle-earth, with the final three volumes of The History of Middle-	earth - Morgoth's Ring, The War of the Jewels and The Peoples of Middle-earth. Set in a matching black slipcase, this deluxe edition hardback is limited to just 1,000 copies and has been printed on fine India paper in order to b
