30 Days to Sell CreateSpace

There are arch angels, and there are fallen ones. One managed to have human like children that served special purposes. The book is a thriller for me, and a crime novel to others. The effects of this book depends on the reader's level and maturity. Nevertheless, events of those days are accurate.

Paul and Thecla Fifth Estate Publishing

Four authentic KET papers from Cambridge ESOL with extra guidance and exam tips, plus CD-ROM. *Email English* Createspace Independent Publishing Platform

Journals are great for writing down ideas, taking notes, writing about travels and adventures, describing good and bad times. Writing down your thoughts and ideas is a great way to relieve stress. Journals are good for the soul!

The sequel to the 1999 novel *The Storm* which followed a Gypsy family through the fascist horrors

of WWII in Czechoslovakia from 1939 to 1945. *The Second Storm* follows the same characters from 1948 to 1979 through even worse tragedies under Communism.

Building Genre Knowledge Cambridge University Press

Children of Heaven explores the reality of the death of a child and the emotional implications not only for the parents, but for the rest of society. Although many of the poems and stories are quite sad, many are also life affirming.

The title says it all. If you are in the process of writing a book, or if you're considering it, there are dozens of things you won't know - and that you should. What I want to do here is share about my experience over about fifteen years of writing my first novels, and the years of publishing and marketing them, so you might get a jump on what's in store. Here are some chapter headings to give you an idea of what's in the book. * Self-Editing * Why Would Your Book Get Noticed? * Publishing * Marketing and Selling * About Your Website * Read It Like An Agent/Publisher Maybe you've been doing this for a while now and know a lot about these items. I didn't - and got caught trying to find answers and find my way through the maze after I started. I'm not the expert, but

maybe what I have to share with you will save you a lot of the grief I had. If you've written a book, or are thinking about it, you owe it to yourself to get lots of information before you really get started. "So You've Written A Book, Now What?" could prove to be just the help you need.

The Second Storm Email EnglishWith New Social Media Section and Phrase Bank of Useful Expressions

The cross of Christ is the greatest irony in the history of the universe. It is far too easy to lose track of the paradoxical details of Christ's death. Familiarity replaces what should be shock as we read through the Passion narrative. The Irony of the Cross puts the shock back in the cross by highlighting the ironies of Christ's death. Examining Mark 15:21-29, this book identifies eleven ironies of the cross that will deepen your understanding of the death of Christ and the gospel of grace. Each of these presents Jesus eschewing the prerogatives of his power for the salvation of his people. There is no other point in time when Christ was more emptied and stripped of his divine dignity, and yet there is no other place where Christ's glory is more prominently displayed.

A new series of bespoke, full-coverage resources developed for the 2015 A Level English qualifications. Endorsed for the AQA A/AS Level English Language and Literature specification for

first teaching from 2015, this print Student Book offers stretch opportunities for the more able and additional scaffolding for those who need it. Providing full coverage of the specification, the unique three-part structure bridges the gap between GCSE and A Level and develops students' understanding of descriptive linguistics and literary and non-literary stylistics, together with support for the revised coursework component and new textual intervention task. An enhanced digital edition and free Teacher's Resource are also available.

Tigerfish! Cambridge University Press

Dr. Jason Corey has it all - good looks, a great career, money and the love of a beautiful woman. His life would be perfect except for one thing, the young Seattle ER physician is not who he thinks he is. Unexplainable events emerge in his life sending him on a quest for the truth of who he is, but no one could imagine the nature of his being. Jason wins his battle for truth and survival, but an unseen evil force isn't done with him. The triple twist ending leaves the reader awestruck and wondering what now? There have been countless books and TV shows about emergency medicine, but none of them reveal what The Second Son does in this mind twisting suspense novel. It is filled with plot twists and surprises certain to keep the reader turning pages.

A Book Written IN Globish Cambridge University Press

It is easy to be happy, but there is a prerequisite. We first must understand how happiness works. Like anything else in life, things become a lot easier once we understand them. Doing math, for example, is only difficult as long as we don't understand it. Happiness works on the same principle. Rather than teaching us how happiness works, society presents us with stepping-stones on the road to happiness, such as: if you study this, you will get that job, and then you will be happy. If you own this, you will impress your friends, and then you will be happy. If you eat healthy and exercise regularly, you will lose those pounds, and then you will be happy. Lucky Go Happy is not a stepping-stone and will ? demonstrate how we lose out on more than 70 percent of potential happy time by living for weekends; ? explain how contentment can yield the same amount of happiness as ecstasy; ? provide concrete proof that money can never make us happy; ? highlight why it is absolutely essential to be unhappy at times; ? illustrate how a midlife crisis happens; ? offer the simple formula to calculate the amount of happiness, or unhappiness, you experience; ? show that happiness is not around the next corner; it is here and now; and ? help you understand how happiness works. Written for teenagers and adults, this easy-to-read book will equip you with the knowledge to make you happier and happy more often. Rather than waiting for it, you can make happiness happen for yourself and for those around you. ?Money makes the world go round; however, happiness greases the axle. Without this lubricant, life will seize.?

Cambridge Key English Test Extra Student's Book with Answers and CD-ROM Cambridge University Press

The Anarchist's Guide to Grammar: "Banish the "rules" of grammar in the U.S.!" is the revolution called for by author Val Dumond. "Scary? Of course, but drastic measures must be taken. Just look at the state of language today! The time is now! Stand up and reclaim it!" "We've been taking U.S. language for granted," claims this long-time writer. We make several assumptions: 1) that we have a language called "Proper English"; 2) that a set of "rules" lies in some mysterious place, written by some mysterious authority; 3) that one must follow those "rules" to speak and write correctly. Not so! The time has arrived to banish what we call "rules" and expose the assumptions." Dumond asks: What would happen if we all spoke the language of our heritage? We would quickly learn the sound of the Tower of Babel - since US-language has come about by combining languages from (at least) 150 countries around the world. As immigrants enter the country, they bring with them new ideas, cultures, foods, music, and language. As they become settled, they combine their culture with US-ers, thus enriching all of us in the United States, including our language. In an amusing Introduction, Val explains how we have assumed there exists an incontrovertible set of grammar "rules" to be followed in order to speak proper, correct, good English. "We're not in England anymore!" she points out. Oh yes, we started out with British "rules," but as we declared our independence, language changed, and continues to change. Do you really understand ordinary British English? Numerous pundits over time have drawn up what they consider the "rules" of grammar and forced them on their students. Yet, when those students run up against someone who studied a different set of "rules," confusion and doubt rear their heads. Must we in the U.S. speak "proper English" or do we have a language all our own? After clarifying the conundrum of US-language, Dumond offers guidelines to aid writers in determining what constitutes understandable language. Those guidelines don't depend on memorizing all the crazy names for the parts of language, but rather the guidelines focus on how those parts function. Nouns and

pronouns become Things; adjectives and adverbs become Modifiers; punctuation becomes Rules of the Road - all presented in easily understood language, with examples to boot. Included in the guidelines are ways to decide which nouns to capitalize how to discern the difference between plural and possessive nouns how pronouns perform ways to vary word modifiers how to add modifying phrases and clauses use of the little words that serve as the glue to connect words into sentences how to use the dots, dashes, and curly cues we call punctuation. But she doesn't stop there. Writers will especially enjoy the freedom offered to create new words and put together sentences and paragraphs. She offers suggestions to use numbers and inclusive language, as well as offering four ways to improve spelling. The solution to the confusion of US-language seems so simple. Look at the "rules" that come close to your interpretation, then modify them to make them work for you. Set up Your Style Manual, rather than depend on style manuals put together according to some other group's interpretations. And she shows you how. All this is included in The Anarchist's Guide to Grammar: toss out the assumptions, clarify them, pick up some basic, helpful guidelines, and write with power and assurance. No longer will you need to ask, "What are the rules for writing Proper English?" At last, you'll understand why there aren't any. At last you can write your own guidelines.

Cambridge Academic English C1 Advanced Student's Book MACMILLAN

War has been declared and demon possessed Queen Euphoria has struck the first blow against the Territories. Little does she know, Da'Lynn a dark elf possessed by an evil herself has command of the elf army and is moving in to defend the land. Kara, realizing the trouble brewing, seeks out her non human friends, hoping to sort out the trouble ahead. But will Hambone, Snow, Ra'na, and the wizard Ynob be enough to stop the ensuing apocalypse?

Become an Unstoppable Force with E-mail If you have a business or brand that you want to bring to the light, then this is the book for you. In "Hack E-mail," I share my best strategies for turning e-mail into a marketing weapon. From e-mail outreach campaigns I've been able to: 1) Book between 40-50 podcast and radio interviews across the world, promoting my first book ("Buy Your Own Island) to a best-seller 2) Build an extensive network of mentors and affiliate partners 3) Increase my blog traffic by 400% in a one month period (from 4,262 to 16,688) 4) Connect with influential people 5) Pick up new coaching and freelance clients Before I began to use these techniques for my own brand, I honed them in campaigns for clients. From fashion companies in Toronto to skin care lines in Malta, business owners have paid me thousands to generate leads for their business through cold e-mail. This stuff works. The best part is, the things I've done with e-mail, anyone can do! In this book, I lay out everything I've learned, and share my best strategies and most valuable techniques to get a response from someone and finally get the results you seek. Among other things, you will learn: * - How to create positive NLP "anchors" in your e-mails - so that people welcome correspondence from you (pages 26 - 27) - 7 mistakes of horrible e-mail outreach and how to fix them (page 18) - How to name drop your way to the top (page 31) - How to occupy the moral high ground, and enchant people with your story (pages 28 - 30) - What to do if someone doesn't respond - and get a response 90% of the time - How to send follow-ups automatically - and "drip feed" your outreach (page 39) - How to conduct professional CRM campaigns within Gmail (chapter five) - The "Hidden in Plain Sight" technique to find the top people in any niche, and discover their address - Plus other unconventional, but effective techniques Plus, in this book I've included more than two dozen apps and powerful resources to make your e-mails more effective, efficient, more personable, and more powerful. Are you ready to learn some powerful e-mail outreach techniques and become an unstoppable force? Hope you enjoy the book. *Note that page numbers are from the web edition of the book, and may appear at different locations in your print version.

If you go to live on the Niger River in West Africa, don't forget your pole, your sense of humor, and your camera! Provides answers to these important questions: How do you land an electric fish, and what if you screw up? What happens when a cobra tries to get in the boat? Which one lure will catch tigerfish, Nile perch, catfish, Tilapia, etc? Where do you catch a tigerfish, and then how do you deal with its teeth? When is a fish going to kill you if you eat it? Who might you meet, and what are they saying? A two-year account of sport and traditional fishing by a fish biologist Peace Corps Volunteer in Mali, West Africa. This photo-journal contains 19,000 words and 140 black and white photographs. (Plus, get a FREE full-color ebook when you order from Amazon and select the MatchBook offer) Tigerfish! opens with sport fishing, and details the author's pursuit of tigerfish,

Nile perch, and other species including the dubious dodo. The second part is an account of experiences and observations made during the large community fishing events that take place in the waters of the floodplain during the dry season. The third section provides a brief description and numerous pictures of the life and work of small-scale commercial Somono fishers. The final section documents two traditional fire hunts on the Niger River floodplain. The quality of photos is better than most pictures of the Loch Ness Monster...

Nine Lives Good Press

The status of LSP (Languages for Specialised Purposes) in the contemporary socio-cultural context is an ongoing central issue of scholarly debate. Specialised Languages in the Global Village examines the impact of globalisation on intercultural communication within specialised communities of practice. The contributions to the volume provide linguistically and pedagogically-informed discussion on modes of communication practice in professional and institutional domains, frames of social action and the construction of professional identities. The contributors also address issues of languages and social entrepreneurship, and the acquisition and development of linguistic/cultural competence in foreign languages for specialised purposes. The edition is a valuable resource for researchers in LSP, specialists in the fields of discourse analysis, sociolinguistics and scholars in the area of rhetoric and composition. It will also be of interest to professional translators, language editors and language advisors in the fields of specialised academic/professional communication. LSP instructors and foreign language teachers will also find informed guidelines and useful pedagogical proposals for classroom implementation.

Esl Worksheets & Lesson Plans Parlor Press LLC

Everybody wants to think of a great idea that will make them rich. A good indication that you have a great idea is that someone copies it but, by then it can be too late. This is too bad as a lot of the knowhow to protect your ideas is free but buried in a mass of detail and exceptions which most people put in the "too hard" basket. Some IP protection you must pay for, such as trademarks but it is well worth it, provided it is done properly. Intellectual Property ("IP") has been described by the Financial Times as one of the key drivers of business competitiveness in the 21st century. Therefore, a clear understanding is essential not only for creative people or entrepreneurs but for anyone who wants to succeed in business and not have their ideas stolen. It does not even need to be your idea. Using IP law you can cheaply gain ownership of other people's ideas and then use your business skills to make a killing. By focusing on the IP legal advice that his small to medium sized business clients have been willing to pay for, Paul Brennan has written a book which will enable you to say "that's my IP" and at least sound as if you know what your talking about which can be the cheapest and most powerful of weapons available to you. Illustrated by legal cartoons drawn by the author this little book combines the qualities of a useful reference book on IP law with wry humour and the odd belly laugh. YOU WILL LEARN ABOUT: Identifying your IP Protecting your brand and content Who owns what in joint projects Fights over names Internet disputes How to avoid unintentionally giving it away.

Adopting an interdisciplinary perspective, BUILDING GENRE KNOWLEDGE provides a unique look into the processes of building genre knowledge while offering a dynamic theory of those processes that is inclusive of both monolingual and multilingual writers—a necessary move in today's linguistically diverse classrooms. It will therefore be of great interest to researchers and practitioners in both first and second language writing studies.

Anvari AuthorHouse

In Iudicio is a collection of poetry that offers a brutal account of worship, heartache, betrayal, and the overall spiritual transition one endures through relationships. The 39 poems of In Iudicio are addressed to one on trial, whose verdict has not yet been determined. Throughout, the reader is given a raw glimpse into a private nightmare which may not have been intended for other eyes to

witness, yet must painfully digest nonetheless. Garnier's poetry and fiction has appeared in various publications, whose subject matter is revered as diverse, challenging, and highly original. from the back cover: This book shall enter the reader through the stomach first; though not by any kind of umbilical spirit, as it will then travel up the gulping throat and out the reader's mouth as you

whisper obscenities of wonder to the pages before you. As the subject of these thirty-nine lashes is one "on trial", In Iudicio is a guilty read. One may feel as though it was not meant for the eyes, perhaps a found journal or classified file. But safe to say, these lines have been blurred and made public, therefore the reader is implored to continue with salivating confidence.
