All U.S. and Canadian Models of Ford Escort, Escort GT, EXP, Tempo, Mercury Lynx, LN7, Topaz.

Ford/Mercury front wheel drive, 1981-87 W G Nichols Pub

The Boatyard Book is a practical, comprehensive reference manual that provides sensible, accessible advice for boatowners on planning and carrying out annual maintenance, repairs, upgrades and refits of sailing yachts and motorboats, up to 20 metres in length. Beginning with all the information owners will need to care for their boat, including how to budget and plan tasks to be done through the year, The Boatyard Book goes on to help them choose the best boatyard for their needs, then provides essential how-to reference material and ideas for a comprehensive range of projects large and small to be carried out ashore. There's advice and tips from highly respected boatyard owners, specialists and surveyors, as well as from the author's own 25 years' experience of boat ownership, all fully illustrated with step-by-step photos and illustrations. Topics covered include: - laying up - hull and deck care - mast and rigging - sail care - engines - electrics - maintenance of plumbing and gas systems - more complex projects, including re-wiring a boat, overhauling an engine, how to treat osmosis and how to go about a complete refit. This is a book to be kept at the yard, or on the boat, and used time and time again by those who are either happy to keep things ticking along with the minimum of effort or by those who want to get stuck into bigger projects.

1.5 + 1.8 Litre Diesel Engines BoD - Books on Demand

Describes basic maintenance procedures and demonstrates how to make repairs

Chilton's Repair and Tune-up Guide for the Valiant and Duster W G Nichols Pub
