BRIGHT O'BRIEN

A Comedy Routledge

"[Coelho's] special talent seems to be his ability to speak to everyone at once. The kind of spirituality he espouses is to all comers. . . . His readers often say that they see their own lives in his own books." —New Yorker From the bestselling author of *The Alchemist*, Paulo Coelho, comes an absorbing new novel that holds a mirror up to our culture's obsession with fame, glamour, and celebrity.

Brida Farrar, Straus and Giroux

Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be

propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. *Goat Days* was published to acclaim in Malayalam and became a bestseller. One of the brilliant new talents of Malayalam literature, Benjamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.

The Archer Harper Collins

It was like any other day on the Anna University campus in Chennai. As I was returning to my room in the evening, the vice-chancellor, Prof. A. Kalanidhi, fell in step with me. Someone had

been frantically trying to get in touch with me through the day, he said. Indeed, the phone was ringing when I entered the room. When I answered, a voice at the other end said, 'The prime minister wants to talk with you.' Some months earlier, I had left my post as Principal Scientific Adviser to the Government of India to return to teaching. Now, as I spoke to the PM, Atal Bihari Vajpayee, my life was set for an unexpected change. *Turning Points* takes up the incredible Kalam story from where *Wings of Fire* left off. It brings together details from his career and presidency that are not generally known as he speaks out for the first time on certain points of controversy. It is a continuing saga, above all, of a journey - individual and collective - that will take India to 2020 and beyond as a developed nation.

Like the Flowing River: Thoughts and Reflections Vintage

"My heart is afraid that it will have to suffer," the boy told the alchemist one night as they looked up at the moonless sky." Tell your heart that the fear of suffering is worse than the suffering itself. And that no heart has ever suffered when it goes in search of its dreams." Every few decades a book is published that changes the lives of its readers forever. The Alchemist is such a book. With over a million and a half copies sold around the world, The Alchemist has already established itself as a modern classic, universally admired. Paulo Coelho's charming fable, now available in English for the first time, will enchant and inspire an even wider audience of readers for generations to come. The Alchemist is the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found. From his home in Spain he journeys to the markets of Tangiers and across the Egyptian

desert to a fateful encounter with the alchemist. The story of the treasures Santiago finds along the way teaches us, as only a few stories have done, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life's path, and, above all, following our dreams.

Aleph Harper Collins

Offering a unique expression of thought reflecting feeling more than meaning, *Grains of Stardust* is a synesthetic stream of consciousness that does not distinguish between journey and destination, but meanders unchecked upon the river of human emotion. 'Read my poetry out loud Breathe it in and taste the letters pour out. A delicious sound. Do you hear the colours take form? Feel the pages move you as you float in space make some space Open your mind and get inside and see all that shimmering marmalade liquid. Grains of stardust'

The Forty Rules of Love Samaira Book Publishers

A restlessness born of guilt and despair leads Ravi to embark on a journey that ends in the remote village of Khasak in the picturesque Palghat countryside in Kerala. A land from the past, potent with dreams and legends, enfolds the traveller in a powerful and unsettling embrace. Ravi is bewitched and entranced as everything around him-the villagers; their children whom he teaches in a makeshift school; the elders who see him as a threat; the toddy-tappers; the shamans-takes on the quality of myth. And then reality, painful and threatening, begins to intrude on the sojourner's resting place and Ravi begins to understand that there is no escape from the relentless dictates of karma... Often poetic and dark, always complex and rich, *The Legends of Khasak*, O.V. Vijayan's much-acclaimed first novel,

translated into English by the author, is an extraordinary achievement

Train Your Mind for Peace and Purpose Every Day HarperCollins UK

In his new novel, Paulo Coelho, bestselling author of *The Alchemist* and *Adultery*, brings to life one of history's most enigmatic women: Mata Hari. *HER ONLY CRIME WAS TO BE AN INDEPENDENT WOMAN* When Mata Hari arrived in Paris she was penniless. Within months she was the most celebrated woman in the city. As a dancer, she shocked and delighted audiences; as a courtesan, she bewitched the era's richest and most powerful men. But as paranoia consumed a country at war, Mata Hari's lifestyle brought her under suspicion. In 1917, she was arrested in her hotel room on the Champs Elysees, and accused of espionage. Told in Mata Hari's voice through her final letter, *The Spy* is the unforgettable story of a woman who dared to defy convention and who paid the ultimate price.

Maktub Harper Collins

A breathtaking collection of reflections from one of the world's best loved storytellers, Paulo Coelho.

The Alchemist Simon & Schuster

Eleven Minutes is the story of Maria, a young girl from a Brazilian village, whose first innocent brushes with love leave her heartbroken. At a tender age, she becomes convinced that she will never find true love, instead believing that "love is a terrible thing that will make you suffer. . . ." A chance meeting in Rio takes her to Geneva, where she dreams of finding fame and fortune. Maria's despairing view of love is put to the test when she meets a handsome young painter. In this odyssey of self-

discovery, Maria has to choose between pursuing a path of darkness -- sexual pleasure for its own sake -- or risking everything to find her own "inner light" and the possibility of sacred sex, sex in the context of love. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

The Alchemy of Happiness Penguin Enterprise

Non fiction collection of 110 observational columns written for several Brazillian newspapers on a wide range of topics.

The Master Key System CreateSpace

A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, *The Alchemist* has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

The Alchemist Harper Collins

A classic masterwork of spiritual tension and realization from Paulo Coelho, this powerful story of one man's battle with self-doubt and fear is now available in a beautiful new package from HarperOne. An essential volume alongside Coelho's other

bestselling and influential books, such as *The Alchemist*, *The Pilgrimage*, *Brida*, and *The Winner Stands Alone*, the searing and unforgettable narrative in *The Valkyries* asks the questions most central to all literature—and all of humanity’s quest for understanding. Why is it that we destroy the things we love most? And how can we learn to let go of the past and believe in the future?

Ptolemy's Almagest Anchor

One of *The New York Times Book Review*’s “10 Best Books of 2021” Shortlisted for the 2021 International Booker Prize A fictional examination of the lives of real-life scientists and thinkers whose discoveries resulted in moral consequences beyond their imagining. *When We Cease to Understand the World* is a book about the complicated links between scientific and mathematical discovery, madness, and destruction. Fritz Haber, Alexander Grothendieck, Werner Heisenberg, Erwin Schrödinger—these are some of luminaries into whose troubled lives Benjamín Labatut thrusts the reader, showing us how they grappled with the most profound questions of existence. They have strokes of unparalleled genius, alienate friends and lovers, descend into isolation and insanity. Some of their discoveries reshape human life for the better; others pave the way to chaos and unimaginable suffering. The lines are never clear. At a breakneck pace and with a wealth of disturbing detail, Labatut uses the imaginative resources of fiction to tell the stories of the scientists and mathematicians who expanded our notions of the possible.

An A-Mazing Way to Deal with Change in Your Work and in Your Life Vintage

Short satirical novel translated from Slovak about an autistic waste-paper collector who conforms to every authority or prejudice, regardless of the effect on those around him

Grains of Stardust Alchemist

From South America to Holland to Nepal—a new journey in the company of Paulo Coelho, bestselling author of *The Alchemist*. Drawing on the rich experience of his own life, bestselling author Paulo Coelho takes us back in time to relive the dreams of a generation that longed for peace. In *Hippie*, he tells the story of Paulo, a young, skinny Brazilian man with a goatee and long, flowing hair, who dreams of becoming a writer, and Karla, a Dutch woman in her twenties who has been waiting to find a companion to accompany her on the fabled hippie trail to Nepal. After meeting each other in Amsterdam, she convinces Paulo to join her on a trip aboard the Magic Bus that travels from Amsterdam to Istanbul and across Central Asia to Kathmandu. As they embark on this journey together, Paulo and Karla explore a love affair that awakens them on every level and leads to choices and decisions that will set the course for their lives thereafter.

Hippie Penguin

The Alchemist - A Comedy by Ben Jonson. *The Alchemist* is a comedy by English playwright Ben Jonson. First performed in 1610 by the King's Men, it is generally considered Jonson's best and most characteristic comedy; Samuel Taylor Coleridge claimed that it had one of the three most perfect plots in literature. The play's clever fulfilment of the classical unities and vivid depiction of human folly have made it one of the few Renaissance plays (except the works of Shakespeare) with a continuing life on stage (except for a period of neglect during the

Victorian era). The Alchemist premiered 34 years after the first permanent public theatre (The Theatre) opened in London; it is, then, a product of the early maturity of commercial drama in London. Only one of the Elizabethan wits who had transformed drama in the Elizabethan period remained alive (this was Thomas Lodge); in the other direction, the last great playwright to flourish before the Interregnum, James Shirley, was already a teenager. The theatres had survived the challenge mounted by the city and religious authorities; plays were a regular feature of life at court and for a great number of Londoners. The venue for which Jonson apparently wrote his play reflects this newly solid acceptance of theatre as a fact of city life. In 1597, the Lord Chamberlain's Men (aka the King's Men) had been denied permission to use the theatre in Blackfriars as a winter playhouse because of objections from the neighbourhood's influential residents. Some time between 1608 and 1610, the company, now the King's Men, reassumed control of the playhouse, this time without objections. Their delayed premiere on this stage within the city walls, along with royal patronage, marks the ascendance of this company in the London play-world (Gurr, 171). The Alchemist was among the first plays chosen for performance at the theatre. Jonson's play reflects this new confidence. In it, he applies his classical conception of drama to a setting in contemporary London for the first time, with invigorating results. The classical elements, most notably the relation between Lovewit and Face, are fully modernised; likewise, the depiction of Jacobean London is given order and direction by the classical understanding of comedy as a means to expose vice and foolishness to ridicule.

A Novel Penguin Books India

Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear - Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8

billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk. Who Moved My Cheese? HarperCollins

Ptolemy's Almagest is one of the most influential scientific works in history. A masterpiece of technical exposition, it was the basic textbook of astronomy for more than a thousand years, and still is the main source for our knowledge of ancient astronomy. This translation, based on the standard Greek text of Heiberg, makes the work accessible to English readers in an intelligible and reliable form. It contains numerous corrections derived from medieval Arabic translations and extensive footnotes that take account of the great progress in understanding the work made in this century, due to the discovery of Babylonian records and other researches. It is designed to stand by itself as an interpretation of the original, but it will also be useful as an aid to reading the Greek text.

Chanakya in You D C Books

Chanakya in You is the charming, lighthearted yet profound tale of a man inspired by his grandfather to seek the wisdom of the Arthashastra. Journey with a modern-day disciple of Chanakya as

he goes from being an aimless youth to the richest man in the world, inspiring a whole nation to take up study of Sanskrit and ancient Indian literature for business success. A Novel of Temptation Vintage

From bestselling author and international sensation Paulo Coelho, a novel set in a small village about a young, poor barmaid whose wager with the devil leads to a spiritual transformation. A stranger arrives at the remote village of Viscos, carrying with him a backpack containing a notebook and eleven gold bars. He comes searching for the answer to a question that torments him: Are human beings, in essence, good or evil? In welcoming the mysterious foreigner, the whole village becomes an accomplice to his sophisticated plot, which will forever mark their lives. A novel of temptation, *The Devil and Miss Prym* is a thought-

provoking parable of a community devoured by greed, cowardice, and fear—as it struggles with the choice between good and evil.
