RICHARD STOUT

[The House at Pooh Corner](#) Civitas Books

Part One of this reference work examines how the music of World War I reflected the U.S. mood. The second part lists all World War I songs verified as published in the United States. Entries include titles, lyricist, composer and year of publication. Part Three provides the lyrics to over 300 songs of the era; their key words appear in the index, which otherwise includes persons, song titles and subjects.

The Real Mother Goose NYU Press

In this sing-along song, you will get up and move your body. Clap your hands, tap your toes, and blink your eyes as you sing along to this classic song.

[Daddy! I Need You!](#) Kids Can Press

A collection of familiar nursery rhymes. On board pages.

Songs of Childhood Random House Books for Young Readers

Meet children from thirty-six cultures as you sing your way through this joyful book. You'll also learn to say "hello" in each of their languages. New enhanced CD includes video animation and audio singalong.

Hand, Hand, Fingers, Thumb W. W. Norton & Company

What kind of adventures can a small calico cat and a huge Great Dane dog dream up? Thrilling, wild, and fun explorations. Flossy and Pebbles are not only the best of friends; they are BRAVE, COURAGEOUS, and CURIOUS explorers with no limits on what they can discover. Join them in rummaging through a magical trunk of adventure tools, planning and problem solving, and travel with them to see where their imaginations and explorations take them! A percentage of this book's sale will be donated to an animal advocacy shelter or charity.

[This Little Piggy](#) Candlewick Press

In this picture book written by Patricia J. Murphy and illustrated by Caldecott Medalist David Diaz, curious baby creatures and their mamas discover the world around them. When a child notices a

grasshopper on a plant while outside with his mother, he exclaims, "Mama, Look!" and sets off a series of curious baby creatures noticing other curious baby creatures and pointing them out to their mothers. The human child spots a grasshopper, the grasshopper spots ants, an ant spots butterflies, a butterfly spots frogs, and so on. Told through a combination of the "Mama, Look!" refrain and identifying noun (i.e. "Mama, Look! Grasshopper."), this simple story is perfect for introducing little ones to the world around them.

[The Big Mean Kitty](#) Houghton Mifflin Harcourt

Illustrates how black musical styles are incorporated into the earliest games African American girls learn--how, in effect, these games contain the DNA of black music. Drawing on interviews, recordings of handclapping games and cheers, and her own observation and memories of gameplaying, Gaunt argues that black girls' games are connected to long traditions of African and African American musicmaking, and that they teach vital musical and social lessons that are carried into adulthood. - from publisher information.

The Big Book of Nursery Rhymes McFarland

Tucker wants to give the King a gift in hopes that the King will help his friends. But what is the perfect gift for a King? Inspired by the #1 hit worship song by Chris Tomlin, this precious story teaches children about our Father God's unconditional love and acceptance and that the only gift God wants is our hearts. Grammy Award-winning music artist, Chris Tomlin, and Pat Barrett (Housefires) team up to tell the story of a little bear named Tucker whose life is forever changed when he learns just how great the King's love is for him. When Tucker's friends need help, he journeys to see the King who lives in a castle where the door is always open. Along the way, Tucker encounters a variety of humorous animals filled with ideas about what the King is like. Then finally, he meets the King who runs to him with open arms. This read-aloud storybook for 4- to 8-year-olds: Shows young children the character of God through a fun adventure story Teaches that God loves His children no matter what Encourages kids to have a relationship with their Heavenly Father and to ask for His help in prayer Sparks family discussions about who God is Makes a calming bedtime read with its warm message of God's caring heart With whimsical art created by Lorna Hussey, this inspiring story will leave children, young and old, reassured that God is a good, good Father, and they are loved by Him.

Book of Rhymes Capstone

Despite an often unfair reputation as being less popular, less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular A Chorus Line and Rent to more off-beat productions like Avenue Q and Little Shop of Horrors. And while it remains to be seen if other popular Off Broadway shows like Stomp, Blue Man Group, and Altar Boyz will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography, and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.

The Nursery Rhymes of England little bee books

An illustrated compilation of traditional nursery rhymes, including "Little Bo-peep," "Monday's Child," and "Jack and Jill."

Wee Sing for Baby Tommy Nelson

Few children can communicate effectively before eighteen months of age, but sign language can allow baby and parent to reduce the frustration up to a year earlier. With more than 450 full-color photos, text, and sidebars, Knack Baby Sign Language provides a user-friendly, efficient method to learn and teach a baby sign language. Organized by age, it provides signs appropriate to use with babies, with toddlers, and with older children for whom signing with games, songs, and rhymes is

enriching. The signs can also be used with special needs children and those with delayed communication abilities.

One Little Duck Frances Lincoln Children's Books

Raffi's hilarious version of the classic song about strange events that happen down by the bay, where the watermelons grow... Singing supports and encourages even the youngest child's speech and listening skills, which makes Down by the Bay perfect for early learning. In this friendly board book edition, irresistible art by Nadine Bernard Westcott depicts wonderfully amusing creatures such as a bear combing his hair, a goose kissing a moose, and a whale with a polka-dot tail. Very young children will find this book both entertaining and instructive in early language skills such as rhyme, rhythm, and repetition, and will delight in hearing it read or sung aloud to them.

Players Barefoot Books

10 years after the release of the viral YouTube hit The Mean Kitty Song, Sparta is back with a new adventure of epic proportions! The cute kitty has grown into the biggest, meanest cat to ever roam the earth, or so people thought. Follow his story and learn to never judge based on appearances.

Clap Your Hands Till Daddy Comes Home Xlibris Corporation

Click here to view a video interview with the author by TV Personality Jim Peck in his show MPTV Public Television Milwaukee "I Remember with Jim Peck" Every family has its own story to tell. Be it tragic, heartbreaking, or triumphant, each tale forms part of a clan's history and defines its identity. Author John Schissler, Jr. started with an autobiographical essay in his history class in 1964, but didn't really give it much thought. Recently, through his brother's urging, he felt somewhat obliged to reveal their storied past. After a painstaking research, he now comes up with a book that narrates the fascinating history of his family entitled Passage: The Making of an American Family. What started as a school requirement now developed into a detailed memoir of a family's story that impacts the lives of many. Passage chronicles the humble beginnings of John Schissler's family and its struggles to weather the storms of life. Thinking he already had the skeleton of the story, Schissler looked for ways to make the pieces of the tale fall into place.

Through the help of his parents, relatives, and friends, he looked for connections, photos, and other evidences to corroborate the existing story he already had. Author Schissler traces his family's roots and finds out that their relatives came from Donaueschingen. Germany, where there are two streams that come together to form the source of the Donau (Danube) river. He believes it is only fitting that his family, who were Donauschwaben, eventually ended up in Wisconsin, which in Native American language means "gathering" or "meeting of the waters." Passage is not merely a story of a clan who survived the horrors of the world war against the innocent; it also serves as a memorial to all the forgotten souls and unsung heroes murdered by Stalin, victims of the "final solution", and other nameless ones who were dumped indiscriminately into mass graves.

Accompany John Schissler, Jr. as he revisits family's and his own unforgettable voyage to survival in this remarkable, imagery-filled memoir. Follow their exploits as they sought refuge in a foreign soil that embraced them as if they were its own. Join them as they celebrate diversity in their newfound land, their new home called Amerca. Witness the bonds they formed, the friendships and families they built, the failures that brought forth success, and life's challenges that made them what they are today. According to author Schissler, "War crimes don't necessarily end with the war. This is a true story about an ordinary, World War II European family, who was forced to

embark on an extraordinary odyssey fraught with danger, disease, and death to reach the shores of the Promised Land'. Shot at by British planes, imprisoned by the Russians, and forced to work in the peat bogs of East Germany, we finally escaped to West Germany where we found temporary asylem until we completed our pilgrimage to Ellis Island. The saga continues with my family's physical, emotional, and social struggles to get a piece of that American Dream and our eventual assimilation into that cultural diversity of that melting pot which is America." Book Review The self-published memoir is definitely a genre on the rise. I've purchased a couple of these types of books, because their content helped me research my own family tree. But the ambition of Mr. Schissler's work is something special. The scope is nearly epic, and Schissler's cleverly balances personal history in the context of historic events, a formula that imbues his narrative with an ingredient sadly lacking in so many other writings in this genre: Propulsion of a story. Schissler captures what really happens to people in the wicked no man's land of war and rehabilitation, as his family must

Off Broadway Musicals, 1910-2007 Oxford University Press, USA

A collection of nursery rhymes collected from the Spanish community in the Americas.

Good Good Father Simon and Schuster

If asked to list the greatest innovators of modern American poetry, few of us would think to include Jay-Z or Eminem in their number. And yet hip hop is the source of some of the most exciting developments in verse today. The media uproar in response to its controversial lyrical content has obscured hip hop's revolution of poetic craft and experience: Only in rap music can the beat of a song render poetic meter audible, allowing an MC's wordplay to move a club-full of eager listeners. Examining rap history's most memorable lyricists and their inimitable techniques, literary scholar Adam Bradley argues that we must understand rap as poetry or miss the vanguard of poetry today. Book of Rhymes explores America's least understood poets, unpacking their surprisingly complex craft, and according rap poetry the respect it deserves.
