BTEC Introduction to Health and Social Care

Hachette UK

Combined with Student Book 1, these books offer coverage of all mandatory and the most popular optional units to help your students achieve their best, and provide enough content to complete the full Extended Diploma.

Focused on what is needed from a learning, teaching and assessment point of view, with renewed focus on assessment activities for all criteria. Grading tips accompany each assessment activity to help students achieve their best. Edexcel's Assignment tips, written and reviewed by BTEC experts, offer invaluable

unit-by-unit advice on how to get the most from your BTEC course.

WorkSpace case studies encourage students to apply their learning to real-world contexts and bring the sector to life.

Author Team: Marilyn Billingham, Pamela Davenport, David Herne, Stuart McKie, Marjorie Snaith, Beryl Stretch, Hilary Talman and Mary Whitehouse

Health and Social Care (Adults) BTEC First Sport

This specification contains information and guidance on the qualification structure, programme delivery, access and recruitment, assessment and individual units.

BTEC National Health & Social Care Hodder Education

Written by the authors of the specifications for the BTEC Introductory Health and Social Care award, this book contains the knowledge students need to pass this award at certificate or diploma level. Case studies place all learning in a care context, giving you an insight into the issues involved in care.

BTEC Level 3 National Engineering Oxford University Press - Children
Written for Edexcel centres, this pack provides advice and

assistance for teachers on how to approach the health and social care VGCSE. The pack includes information on how to prepare students for external assessment and how to assist them in preparing their portfolios. Each pack contains: induction material, teacher notes and a glossary of key terms; guidance on selected case study questions; portfolio building assignments; and a useful web links page.

Health and Social Care Heinemann

This title introduces the concept of reflective practice and explains its purpose to the healthcare student or professional in the UK. It demonstrates the skills necessary for effective reflective practice and explores the benefits of successful reflection in relation to pre-registration profiles and Continuing Professional Development.

Btec National in Health and Social Care L3 Level 3 BTEC National Health and Social Care

This Student Book supports the Edexcel BTEC Level 3 National Health and Social Care qualification for the 2010 QCF specification.

BTEC National Sport Hodder Education

* The ABC Guide to Anatomy and Physiology provides classroom-ready, fully photocopiable and focused support material for Level 3 BTEC National Health and Social Care tutors. * The ABC Guide material has been developed to supplement and extend textbook coverage of key topics and can be used in a variety of ways within lessons, workshops and library-based learning sessions * Each entry in this ABC Guide provides a short, concise definition of a concept, key term or condition followed by a longer explanatory discussion where appropriate. * Links between concepts, key terms and theories are noted within and at the end of each entry so that learners can follow them up to make connections that enhance their learning. * All entries have been written in an accessible style and at a level appropriate for level 3 learners. The ABC Guide to Anatomy and Physiology is a cost-effective, flexible and classroom ready resource tailored to save preparation time and ensure effective coverage of key topics and issues with this mandatory unit of the new level 3 BTEC

National Health and Social Care awards.

Health and Social Care
Nelson Thornes

Take the guesswork out of BTEC assessment with sample student work and assessor feedback for all pass, merit and distinction criteria. By focusing on assessment this compact guide leads students through each pass, merit and distinction criterion by clearly showing them what they are required to do. - Provides a sample student answer for every single pass, merit and distinction criterion, together with detailed assessor's comments on how work can be improved, so that students know exactly what their work needs to show to hit their grade target - Saves you time - realistic model assignments are included and provide an opportunity to generate all evidence, with each criterion and grade clearly indicated, so there is no need to rewrite yet more assignment briefs - Use instead of a textbook - detailed revision-style summaries of all the learning aims from the unit support students, allowing them to quickly find the facts and ideas they will need for their assessment - Enables you

to customise your course - combine this guide with others in the series so you only pay for the units you deliver
