CHRISTIAN DOCTRINE has
introduced thousands to
the tenets of the Christian
faith. This newly revised
edition reflects changes in

the church and society
and takes into account
new works in Reformed
theology, gender
references in the Bible,
racism, pluralism,
ecological developments
and liberation theologies.
The Prophet's Manual
Westminster John Knox
Press
An introduction to the
core Christian doctrines,
the historical context in
which they arose, and

their ongoing importance
to contemporary Christian
belief and practice. Justo
González has long been
recognized as one of our
best teachers and
interpreters of the
church's belief and
history. In this new
volume he lays out the
answers to three
questions crucial to
understanding the
Christian tradition: First,
what are the core

Christian doctrines? What ideas and convictions form the heart of Christian identity? Second, Where did these doctrines come from? What are the historical contexts in which they first rose to prominence? How have they developed across the history of the church? Finally, what do these doctrines mean today? What claims do they continue to place on Christian belief and practice in the twenty-first century? Written with the clarity and insight for which González is famous,

A Short History of Christian Doctrine will serve the needs of students in church history, historical theology, and systematic theology classes in college/university settings, as well as seminaries/theological schools.

Basic Christian Doctrine Westminster John Knox Press
This series relates past thought from the history of Western theological traditions to areas of contemporary concern in fresh, innovative, and

constructive ways. Designed for those with no formal theological training, these student-friendly volumes guide readers through core theological issues in a systematic and accessible way. Leading contemporary Reformed theologians from around the world provide here a unique summary of the range and wealth of Reformed theology today and explore its potential for the future. These thirty-one essays consider the task of Reformed theology in the modern

world, give Reformed perspectives on key theological themes, and suggest fruitful present-day trajectories of Reformed thought from the past.

Christian Doctrine John Wiley & Sons

How to Lead When You Don't Know Where You're Going is a book of hope for weary leaders in danger of defining ministry in terms of failure or loss. This book does not attempt to describe where the church is headed; rather, it helps leaders stand firm in a disoriented state, learning from their mistakes and leading despite the confusion.

Leading in a Liminal Season Westminster John Knox Press

Pluralism presents both promises and challenges for Christian theology in

the next millennium. Here biblical scholars, religious ethicists, and theologians reflect on the meaning and abiding relevance of the Christian revelation for communities of faith and the life of the church. *The Promised One (A 10-week Bible Study)*

Fortress Press

Are you intimidated by theology? Confused? Bored? Michael Jinkins knows it doesn't have to be that way. "Theology is our critical and prayerful reflection on the totality of life," he writes. "We all do theology on a regular

basis, whether or not we are conscious of the fact." In *Invitation to Theology* Jinkins offers a knowledgeable, helpful and caring guide to walk you through the basics of the Christian faith.

Following the pattern of the ancient summary of the Christian faith, the Apostles' Creed, Jinkins highlights the key doctrines of God, Jesus Christ, the Holy Spirit, humanity, church, salvation and resurrection. He cuts a clear path through theological terms,

traditions and debates. And in the spirit of C. S. Lewis, he invites you to consider some of the most profound reflections--from the distant past to the present day--on Christian belief. Throughout this fascinating journey, the main road is always kept in view: "The meaning and shape of our life together as a community of persons is grounded in the inner life of God, the Trinity, and has been revealed to us in the life, death and resurrection of Jesus Christ." If you are eager to think about your

faith, to examine what and why you believe and to reflect on how such faith can be lived out in our world, Invitation to Theology is the book for you.

Faith Seeking

Understanding Wm. B.

Eerdmans Publishing

This splendid introductory textbook for Christian theology presents two essays by leading scholars on each of the major theological questions. William Placher provides an excellent discussion of the history and current state of each

doctrine while the essays explore the key elements and contemporary issues relating to these important theological concepts.

God in Three Persons

Westminster John Knox Press

Provides a comprehensive survey of religious beliefs, practices, and trends in America and includes background information on secular movements and influences

Christian doctrine, rev.

ed Baker Academic

Is it possible to maintain and defend Christian

faithfulness and integrity in a pluralistic world without being arrogant, exclusive, intolerant, or irrelevant? Is it possible to be open to change, tolerant of difference, and relevant without compromising? Shirley Guthrie looks to the Reformed Confessions to answer these questions, ultimately arguing that though faithful to the Christian tradition, the Confessions are inherently adaptable.

Press

For over fifteen years,
How to Think

Theologically has served as the ideal primer on the work of theology for students at all levels of study. Stone and Duke contend that theology is not an optional, esoteric discipline, but one that every Christian person is called to do, and thus they welcome everyone to the essential, vibrant work of making religious sense of concrete life situations. The third edition of this popular book retains all of the lucid and lively text

that marked the previous editions. On this already strong foundation, case studies and bibliographies are updated, and several helpful pedagogical elements are added.

Leading Others in the Character and Power of Christ

Westminster John Knox Press
Martin Luther wrote: “Faith takes hold of Christ and has Him present, enclosing Him as a ring encloses a gem.” We hold faith as we seek to know Christ better, exploring Christian doctrines and deepening our

understanding of their relevance to our day-to-day lives. Faith holds us as we respond to Christ’s calling, negotiate life’s challenges, and join in the work of bringing in God’s kingdom. This introduction to Christian theology shows how various understandings of particular doctrines play out in relation to the way we live our lives. It explores the content of core Christian doctrines and celebrates the “so what?” of each. Using theological literature and Scripture, but also current

events, sociology, fiction, and movies, Rigby shows that theology is key to how we come to understand and negotiate our world. Holding Faith contends that some approaches to Christian doctrine are preferable to others, making persuasive arguments for creative ways of believing that can enliven our lives, and the life of the world. Theology has relevance because it can stymie or transform. How will we hold our faith? "Cynthia Rigby has written an accessible and lucid book of theological

reflection for today's believers, seekers, and doubters. This is no small feat. The book succeeds in the daunting challenges of presenting Christian theology with clarity and completeness, with commitment and generosity. It is an admirable text for theology students, pastors, and all those interested in understanding more deeply their faith and life." Leanne Van Dyk, President and Professor of Theology, Columbia Theological Seminary,

Decatur, GA "This is an extraordinary book. Cynthia Rigby is a Reformed theologian, a minister, and a teacher. All of these gifts are evident in Holding Faith, as Rigby offers an eloquent introduction to Christian theology that is academically rich, pastorally sensitive, and profoundly accessible. She does not make theology accessible by watering it down, but rather by explaining it with compelling clarity. Holding Faith is perfect for seminarians, pastors,

church groups, and curious souls; for those who are new to Christianity and those who have been studying and living Christian faith their entire lives. It will be an enormous blessing to those who teach theology and those who preach the gospel." Shannon Craigo-Snell, Professor of Theology, Louisville Presbyterian Theological Seminary, Louisville, KY "Cindy Rigby's is a timely, necessary, and accessible voice in theological discourse, not only for those who together

comprise Christendom but also for those who are curious enough about what Christian doctrines offer by way of challenge, critique, and comfort in our increasingly distracted, fractious world. Holding Faith is a prophetic, priestly, and pastoral defense of a faith tradition that historically contributed to this oppressive state of affairs - yet undoubtedly remains rife with redemptive possibility - for individuals, communities, nations, the cosmos. In its pages, Rigby provides

church folks, people of other faiths, seminarians, and inquisitive "nones" with a "thoughtful place" to search out our private and corporate relationships to the God whom the doctrines signify, however imperfectly." JoAnne Marie Terrell, Associate Professor of Theology, Ethics, and the Arts, Chicago Theological Seminary "For those of us who teach theology, it's rare to find a text that is accessible to those with no previous exposure to theology while also

introducing readers in deep and expansive ways to major doctrinal teachings. But Rigby has managed to accomplish both here. This is a profoundly personal and invitational approach to thinking theologically in ways that demonstrate the relevance of ancient teachings for our world today. And it is also a serious engagement with the biblical text, a vast array of historical and contemporary theological voices, poetry, literature, film, and more—this introduction to theology

will empower readers to hold onto faith in new and exciting ways." Deanna A. Thompson, Professor of Religion at Hamline University, St. Paul, MN
Is God a Trinity? Banner of Truth
A personal and practical guide to help pastors find Jesus as their mentor. For decades, Paul has been the model for today's pastors. But Pastor John Frye says we must instead look to Jesus as our model. "While we may lift Christ up as Savior, as we bow down to him as Lord, as we marvel at his offices

of Prophet, Priest, and King, as we walk with him as Friend, we seem to ignore him as the supreme Senior Pastor." Sharing thought-provoking, biblical insights and personal experiences, Frye calls other pastors to become apprentices to Jesus himself. He is the One who invites pastors to watch him in action and draw close so he can shape who they are and how they fulfill their ministry. "Why have pastors and churches not been driven to Jesus as

the central and controlling focus for the pastoral vocation and ministry in the local church? He's been relegated to other dimensions of Christian and local church experience. Jesus is shoved into our shadows as we read our management books, do our cultural surveys, attend our leadership seminars, and applaud or criticize one another's endeavors"--John Frye in *Jesus the Pastor Always Being Reformed: Faith for a Fragmented World* Wm. B. Eerdmans

Publishing

This book, with dozens of illustrations by artist Ron Hill, is written for a broad audience. It explores King's legacy, the continuing importance of his work, and his quest for "the beloved community," and will serve as an excellent introduction to King's life and thinking. *Holding Faith* Westminster John Knox Press
You might be surprised to find that God is not a trinity. The Trinity is one of mainstream Christianity's most widely accepted and revered

doctrines held by millions of Catholics, Protestants and Orthodox believers. The belief that God is three persons—the Father, Son and Holy Spirit—coexisting in one being is how the trinity doctrine is often defined. But the word trinity appears nowhere within the pages of the Bible. You can not cling to long-held religious traditions if they contradict the Scriptures. Your beliefs must rest solidly on the teachings of the Holy Bible. This Bible Study aid, "Is God a Trinity?", goes

into great detail explaining the non-biblical origins of the trinity and how this false gospel replaced the true teachings of Jesus Christ. Discover how the Bible communicates a true picture of God and learn about the awesome plan He has promised for you and all mankind. Chapters in this ebook: -- Is the Trinity Biblical? -- The Surprising Origins of the Trinity Doctrine -- Greek Philosophy's Influence on the Trinity Doctrine -- How Ancient Trinitarian Gods Influenced Adoption of the

Trinity -- A Spurious Reference to the Trinity Added in 1 John 5:7-8 -- How Is God Revealed in the Bible? -- Jesus Was Sent by the Father -- Jesus Christ: "The Rock" of the Old Testament -- The Apostles Understood Jesus to Be the Creator -- Did Jesus Christ Claim to Be God? -- "In the Beginning Was the Word" -- The Claim of Jesus' Disciples -- "There Is One God, the Father...and One Lord, Jesus Christ" -- God's Plan to "Bring Many Sons to Glory" -- Jesus Christ's Submission to the Father -

- How Is God One? -- "The Lord Our God, the Lord Is One" -- Seven Scriptures That Debunk the Trinity as a Single Being -- Elohim: The Plurality of God -- Is the Holy Spirit a Person? -- Does Matthew 28:19 Prove the Trinity? -- Why the Holy Spirit Is Sometimes Incorrectly Referred to as "He" and "Him" -- What About Passages That "Prove" the Trinity? -- The Holy Spirit: God's Transforming Power -- How to Stir Up God's Spirit -- God's Nature and Character -- God's Purpose for You -- The

Likeness of God -- Do Some Verses Deny a Divine Family? -- The God Family Inside this Bible Study Aid ebook: "Most people assume that everything that bears the label "Christian" must have originated with Jesus Christ and His early followers. But this is definitely not the case." "Many historians and religious scholars, some quoted in this publication, attest to the influence of Greek or Platonic philosophy in the development and acceptance of the Trinity

doctrine in the fourth century." God the Father is the One who calls us to baptism and a new way of life (John 6:44, 65), and it is His goodness that leads us to repentance and baptism (Romans 2:4). "As even the New Catholic Encyclopedia, quoted from earlier, acknowledges: "The majority of New Testament texts reveal God's spirit as something, not someone; this is especially seen in the parallelism between the spirit and the power of God..."

Faith for a Fragmented World Crossway Fourteen Presbyterian scholars enter into conversations with the confessions of the Presbyterian Church (U.S.A.) and examine the major theological themes that make the confessions such foundational commitments of faith. This collection of insightful essays provides readers with a clear understanding of the confessions from different periods of the church's life. These conversations with the confessions

found in the PC(USA)'s Book of Confessions include some illuminating commentary on why they were written and demonstrate how they can be used to address major theological issues. This important work will help scholars, pastors, and church leaders interested in studying the Reformed tradition appreciate the role of the confessions in shaping Christian life and faith today.

Theology and Pastoral Counseling Westminster John Knox Press

This introduction to Christian theology explores the whole Christian tradition in a simple and straightforward way. Leading Wesleyan theologian Don Thorsen surveys the theological views represented within historic Christianity and discusses the variety of positions held without favoring one over another. The book includes helpful end-of-chapter questions for further reflection and discussion, a convenient glossary of theological

terms, and sidebars. The second edition is marked by a thorough updating of the text and the addition of two new chapters on apologetics and the future of the unevangelized.

An Exploration of Christian Theology United Church of God

This volume lays out an important new interdisciplinary approach to the relationship between theology and psychology in the work of pastoral counseling, setting forth a method emerging from a Barthian theological perspective.
