The Book of Abraham Macmillan ELT

This book is part of the Macmillan English Grammar In Context series, a three-level grammar practice series with a difference. Incorporating contextual examples in grammar practice activities, Macmillan English Grammar In Context is a grammar book that can be used in both the classroom and for self-study. Key Features: Grammar explanations with traditional practice activities and contextual examples Cross-curricular content areas include: literature science, geography, history and social sc

**Focus on Grammar 1** Heinle ELT

The original contextualized approach brings grammar to life. Grammar in Context brings grammar alive through engaging and informative readings that are relevant to learners' lives. National Geographic photography and stories deliver real-world content to improve grammar awareness and retention. Students learn more, remember more, and use language more effectively when they learn grammar in context. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

*Grammatix* National Geographic Learning

Grammar in Context 3 Heinle ELT

*Grammar in Context 2* Cengage Learning

Heinle's best selling grammar series now has more of what works for students and teachers!

Students learn more, remember more, and use language more effectively when they learn grammar in context. Grammar in Context, Fifth Edition presents grammar in interesting, informative readings and then recycles the language and context throughout every activity.

**French Grammar in Context** Cambridge University Press

Through controlled and communicative exercises this text helps students to bridge the gap between identifying grammatical structures and using them. Each unit progresses through four steps: grammar in context, grammar presentation, focused practice and communication practice. Includes circling, matching, filling-in-the-blank, underlining, correcting, completion, short answer and writing exercises.

**Spanish Grammar In Context** Heinle ELT

Jeff Anderson and literacy coach Whitney La Rocca take you into primary and intermediate classrooms where students are curious about language, engage with the world around them, and notice and experiment with the conventions all writers use. Instead of chanting grammar rules or completing countless convention worksheets, we invite young writers to explore conventions as special effects devices that activate meaning. Our students study authentic texts and come to recognize these "patterns of power"--the essential grammar conventions that readers and writers require to make meaning. The first part of the book introduces a vibrant approach to grammar instruction and sets up what you need to immerse yourself in the Patterns of Power process, inviting

students to experiment and play with language. The second part of the book offers over seventy practical, ready-to-use lessons, including: Extensive support materials Over 100 mentor sentences, curated for grades 1-5 Student work samples Tips and power notes to facilitate your own knowledge and learning Examples for application In Patterns of Power Jeff and Whitney suggest that taking just five minutes from your reading workshop and five minutes from your writing workshop to focus on how the conventions connect reading and writing will miraculously affect your students' understanding of how language works for readers and writers.

**French Grammar** Stenhouse Publishers

Many of us grimace when faced with grammar exercises. But in order to communicate with others, pass tests, and get your point across in writing, using words and punctuation effectively is a necessary skill. It's a fact that in our life today, good communication skills-including writing-are essential. The good news is that grammar and writing skills can be developed with practice.

*Focus on Grammar* Heinle & Heinle Pub

Developed by certified teachers to help you review and reinforce what you've learned in the Talk To Me In Korean lessons, this workbook contains 3 main categories of review and 16 different types of exercises.

*Grammar in Context* Heinle ELT

Pathways, Second Edition, is a global, five-level academic English program. Carefully-guided lessons develop the language skills, critical thinking, and learning strategies required for academic success. Using authentic and relevant content from National Geographic, including video, charts, and other infographics, Pathways prepares students to work effectively and confidently in an academic environment. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**The Daily 5** Allyn & Bacon

The original contextualized approach brings grammar to life. Grammar in Context brings grammar alive through engaging and informative readings that are relevant to learners' lives. National Geographic photography and stories deliver real-world content to improve grammar awareness and retention. Students learn more, remember more, and use language more effectively when they learn grammar in context.

*Grammar in Context* Heinle ELT

Grammatix is a creative and inspiring guide to the theory and use of grammar, for teachers, parents and students. It is designed to show you that grammar is a magical tool that can aid your thinking and help you to communicate. Endorsed by the Independent Schools Examinations Board (ISEB).

**Grammar in Context 2 Student Book + Owb Pac 6E** NUS Press

Heinle's best selling grammar series now has more of what works for students and teachers!

Students learn more, remember more, and use language more effectively when they learn grammar in context. Grammar in Context, Fifth Edition presents grammar in interesting, informative readings and then recycles the language and context throughout every activity.

*Grammar in Context Basic* Heinle ELT

This book provides a comprehensive review of all the question types, concepts, and skills covered on the Reading portion of the redesigned SAT.

English Grammar in Context Heinle & Heinle Pub

Taking authentic texts from a variety of sources - the human body on CD-ROM, a fish recipe, 'L'Etranger' and many others - this book uses them as a starting point for the illustration and explanation of key areas of French grammar. It includes a range of exercises, many of them text-based.

Talk To Me In Korean

Barron's French Grammar provides a concise summary of French grammar and is a handy textbook supplement for language students. This guide is helpful for classroom use, and is also valuable for translators whose first language is English. Topics covered include parts of speech, sentence structure, punctuation, idioms, and pronunciation advice. Small in size but packed with helpful instruction, this new edition is printed with headings and key phrases in a second color for fast, easy reference.

**Grammar in Context** Cengage Learning

Indonesian Grammar in Context (Asyik Berbahasa Indonesia) provides beginning, intermediate, and advanced learners with an introduction to the basic grammatical structures of Indonesian in three richly illustrated volumes. Although numerous varieties of Indonesian exist throughout the archipelago, the authors use a relaxed, conversational style of Indonesian acceptable for interethnic communication among educated native speakers and commonly used in the media. Students engage in task-based activities set in real-life situations as they speak and write in Indonesian, thus acquiring grammatical accuracy while immersing themselves in the cultural context. Each lesson revolves around a grammatical construction presented in a conversation, narrative, or letter. Online recordings are available, allowing students to reinforce the learning of the grammatical forms. Lessons first offer the student the opportunity to see and hear the grammar in use, then to practice the grammatical form, and finally to read an explanation of the grammatical rule in English. Numerous illustrations and photographs aid in learning the language and culture without excessive use of translation. In addition, cultural notes at the end of each lesson allow students to explore the relationship between language use and socio-cultural values and customs.

*Grammar in Context 1, Seventh Edition: Student Book and Online Workbook Printed Access Code* Cengage Learning

Spanish Grammar in Context uses authentic text to illustrate and explain the key areas of Spanish grammar, and then offers a range of exercises for students to test their understanding and to produce effective language of their own. Aimed at intermediate and advanced learners, and with a key to the exercises provided, the book is suitable for independent and tutor-led study. Sourced from contemporary literature, newspaper and magazine articles from both Spain and Latin America, the texts are up-to-date and topical, and together with the exercises which have been expanded for the second edition, give students a comprehensive coverage of Spanish grammar.

**How to Teach Grammar** Prentice Hall

A new edition of a successful undergraduate textbook on contemporary international Standard English grammar, based on Huddleston and Pullum's earlier award-winning work, *The Cambridge Grammar of the English Language* (2002). The analyses defended there are outlined here more briefly, in an engagingly accessible and informal style. Errors of the older tradition of English grammar are noted and corrected, and the excesses of prescriptive usage manuals are firmly rebutted in specially highlighted notes that explain what older authorities have called 'incorrect' and show why those authorities are mistaken. Intended for students in colleges or universities who have little or no background in grammar or linguistics, this teaching resource contains numerous exercises and online resources suitable for any course on the structure of English in either linguistics or English departments. A thoroughly modern undergraduate textbook, rewritten in an easy-to-read conversational style with a minimum of technical and theoretical terminology.
